Which Caught the Eyes or Ears of Free Press Reporters this week.

The pretty June roses are in bloom.

The longest day of the year is tomorrow.

Cheap fares over the railways for Dominion Day.

The splendid rain yesterday morning was most refreshing.

Have you visited the cemetery lately? It is looking most attractive just now.

Mr. J. Mead, of Nasagawaga, brought in the first local grown strawberries of the season on Monday.

188 tickets were sold at Acton on Saturday for the Farmers' Institute excursion to the Hotel Farm.

Slugs have to be kept to-day. It is cross day you know, and target the cheap extra you must get a circus ticket.

Put the Farmers' Garden Party, on Friday, 28th inst. on your list. This one is above all others deserves your attention.

Acton is one of the best stock markets in the country. The amount of cash paid out every week by Mr. Holmes and other drovers who occasionally ship here is away up in the thousands of dollars.

The sermon by Rev. Allan Crockett, B. A., in Knox Church last Sunday was much enjoyed. Rev. Mr. Crockett occupied the pulpit of Rev. A. Blair, B. A., Nasagawaga, in the afternoon.

Why not ride a Cleveland Bicycle? It's the best.—H. B. Elliott, Acton.

H. B. Elliott, of Acton, is selling the best wheel on the market.—The Cleveland.

The Red Letter Sale of the B. Greenan Co. will be continued until the end of this month. Unusual bargains in all lines are being offered.

I desire that all my friends and former customers should know that I have returned to Acton and will be prepared in a few days to fill all orders for custom made boots and shoes and repairing for the best maker. Geo. Brown, Mill St.

Those who contemplate purchasing a new coat or work of any description for themselves should order direct from the reliable, honest and durable dealer J. H. Hamilton, Guelph, Ont. All expenses allowed to parcel cases. All work and material warranted, competition desired.

The Farmers' Co-operative Binder Twice Company of Hamilton, Limited, Joseph Bradford, General Manager, are just now placing some of their stock in small holdings with the farmers of Ontario, at par. The rather paltry stock in other so-called co-operative binder twice companies, that are reaching to get into sale, are at quite a discount. They will not stand up to circumstances, however, despite their fine rate of true co-operation—see above of ten dollars for every hundred acres or part of a hundred. Better get the true value as followed by experts this year to be the best all-around value in the world.

## Your Nose

That is what you should breathe through—not your mouth.

But there may be times when your nostrils are so sore you can't breathe through them. Breathing through the mouth is always bad for the lungs, and it is especially so when their delicate tissues have been weakened by the scrofulous condition of the blood on which catarrh depends.

After a long and painful catarrh, you may be so sore that you cannot breathe through one of your nostrils. Hood's Sarsaparilla, Pa. suffered from catarrh for years. His head felt sore, there was a itching in his ears, and he could not breathe through one of his nostrils one clear day.

After trying several nostril sprays from which he derived no benefit, he was completely cured according to his own statement, by

Hood's Sarsaparilla.

This great medicine radically and permanently cures catarrh by cleansing the blood and building up the whole system.

Hood's Pills are the favorite cathartic.
