

Gray?

"My hair was falling out and turning gray very fast. But your Hair Vigor stopped the falling and restored the natural color."—Mrs. E. Z. Henneman, Cohoes, N. Y.

It's impossible for you not to look old, with the color of seventy years in your hair! Perhaps you are seventy, and you like your gray hair! If not, use Ayer's Hair Vigor. In less than a month your gray hair will have all the dark, rich color of youth.

The Young Folks.

WHEN I WAS A BOY,
Up in the attic where I slept,
Through the lattice the moonlight crept,
Bringing a life of dreams that swept
Over the low red tangle of hair,
I had the tangled early hair,
While moonbeams played on my face,
With the dimpled one on my cheek.

When I was a boy—a little boy!
And, oh, the dreams, the dreams I dreamed,
When I was a boy—a little boy!
For the grace that through the lattice
streamed,
O'er my folded eyelids seemed
To have a gift of prophecy,
And to bring me glimpses of time to be,
When moonbeams' shadows seemed to call,
Alas, that was the sweetest dream of all—
When I was a boy—a little boy!

How this You Look.

Why not have a plump figure? Do not let

A Common Experience.
Some I.—Mr. Johnson is obliged to give
up work, remain in the house and take
care of himself on account of a sore
nose on one of his limbs.

Some II.—Mr. Johnson made a testimonial
in which he alludes to sore throat
cured by Hood's Sarsaparil. He re-
solved to try it.
Some III.—Mr. Johnson has taken six
bottles of Hood's Sarsaparil. His
sore throat is cured. He is feeling
stronger, has a good appetite and is able
to attend to his work. He writes a testi-
monial telling of his experience with
Hood's Sarsaparil, and recommends it
to others.

Before marriage a man considers his best
girl a little dear; after marriage he usually
considers her a little extravagant.

If attacked with cholera or other com-
plaint of any kind send at once for a bottle
of Dr. J. D. King's Dysentery Cordial
and use it according to directions. It acts
with wonderful rapidity in subduing that
dreadful disease that weakens the strongest
men and that decimates the young and dail-
y. Those who have used this cholera
medicine say it acts promptly, and never
fails to effect a thorough cure.

Lots of vain writers actually imagine
they were born poets.

NERVOUS PROSTRATION

is only a failure of strength. It takes strength to get strength. Get strength of stomach first. Your stomach will then look out for your body. Scott's emulsion of cod-liver oil enables your stomach to get it from usual food; and this is the way to restore the whole body.

FRIENDSHIP

Sweet words will multiply a man's friends, and a fair speaking tongue will multiply enemies. Let those that are so much loved by many, but they count upon one of a thousand. If those would get a friend, get him by giving, and he will not be as for his own sake, and he will not continue in the day of your affliction. And there is a friend that is a companion at the table, and he will not continue in the day of your affliction; and in thy prosperity he will be over thy servant; if thou be brought low, he will be against thee; he will hide himself from thy face. Separate thyself from these enemies, and leave of thy friends. A faithful friend is a strong defence, and he that hath found him hath found a treasure. There is nothing that can be taken in exchange for a faithful friend, and his reward is beyond price. A faithful friend is a medicine of life, and they that fear the Lord shall find him. He that fears the Lord directeth his friendship aright; for as he is, so is his neighbor also.—The Friendman.

The Morbid Principle of Rheumatism is Uric Acid.
