

Dark Hair

"I have used Ayer's Hair Vigor for a great many years, and although I am past eighty years of age, yet I have not a gray hair in my head." —Geo. Yellow, Towson, Md.

We mean all that rich, dark color your hair used to have. If it's gray now, no' matter; for Ayer's Hair Vigor always restores color to gray hair. Sometimes it makes the hair grow very heavy and long; and it stops falling of the hair, too.

LADIES NOT LOST.

If we see within these walls,
We'll speak upon the walls,
Despite our care and losses,
We shall swear in patience still,
Not a word can we say, nor a word
Can we say when they fall;
For our Father watches over
Heavy grain however small.

Though we think out labors needless,
Though we grieve not the soul
Through weeping, through weeping, through weeping,
Heavy grain however small.
Other hands will reap our harvests;
Other lives by ours be lost;
When in deep, unbroken silence
We find all our labors rest.

Varsity For Catarrhal Sufferers.

The mucous membranes all passage,
And cavities communicating with the exterior.

Catarrh is an excessive secretion,
Accompanied with chronic inflammation, from
the mucous membrane.

Hirsch's Harparilla acts on the mucous membranes throughout the body, reduces inflammation, establishes healthy action, and
readily cures catarrh.

Man is generally led the way which he is
inclined to go.

Perfect Cure for Bronchitis. This disease can be treated only by a remedy
which affects the affected parts along with the air
breathed, for nature intended these organs
for the passage of air alone, and sprays and
atomizers and internal machines utterly fail.
But Catarrhophore doesn't fail, for it
goes wherever the air breathed goes and its
antiseptic vapor is sure to reach every
affected part. Catarrhophore is inhalated
the month and after passing through every
air cell of the breathing organs is slowly
exhaled through the nostrils. Catarrhophore
protects and heals the inflamed surface,
relieves congestion, allays inflammation, Price \$1. Small size 25 cents. Druggists or Polson & Co., Kingston, Ont. Sold at A. T. Brown's.

WHITE AND RED

Pale blood—pale face—poor
health; Scott's Emulsion—red
blood—rosy face—good health,
that's the order of events.

Our first lines give a condensed
history of many cases, chiefly
young girls at school. For
some reason girls of that age
are frequent sufferers from pale
blood—a real blood starvation.

Scott's Emulsion, a clean,
white medicine, makes rich, red
blood and rosy faces. It is
blood food.

SLERP.

The cry for rest is always louder than
the cry for food, not because it is more
important, but because it is often harder to obtain.
The best rest comes from good sleep.
Of two men or women otherwise equal, the
one who sleeps the more satisfactorily will
be the more healthy, moral and efficient.
Sleep will do much to relieve the irritation
of temper, passions, and unwholesome. It
will restore vigor an overworned brain.
It will build up and make strong a weak
body. It will cure a headache. Indeed,
long life might be made of nervous disorders
and other maladies that sleep will cure.
Sleeplessness is best cured by clean, good
pleasant exercise to produce weariness,
good air, a clear conscience, and avoidance
of stimulants and narcotics.—Selected.
