EDITORIAL NOTES.

The Executive Committee of the Dominion Board of Censorship has decided that a strong deposition should be taken upon the Ontario Government at an early date, to "reimburse the Government of the Premier's promise" and ask for an early intimation of the Canadian market.

It is expected that money will be a little easier in the Canadian market this month. The chartered banks paid out large sums in dividends this week, and money will begin to return from the West soon now that the crop movement is in full swing. There has been a big demand for investment, and it is likely that the easier money still higher prices would be seen in some of the leading specialties.

At the final meeting of the County Council held last Monday evening, the County of York was granted \$25,000 for the purchase of land for the Government, for the continuation of the Public School for the present year. Upon application of the Public School Board, the County was also granted \$25,000 for the purchase of land for the continuation of the Public School for the present year.

The statement that such precautions as that of Mayor Morley of Ottawa for buying liquor during prohibited hours is a rare occurrence is vigorously denied by officials of the Provincial Police branch. Inspector Stewart says that he has had a great increase in prosecutions for this offense during the past two years. He said that in the last few days the returns of convictions received showed that fines had been imposed in a large number of cases.

The War Office has called to the attention of Agricultural orders for hay and oats for South Africa up to the end of February next amounting in quantity to 25,000 tons and representing an expenditure of over \$1,000,000, which does not include orders filled through other agencies than the Department of Agriculture or the expenditure for horses.

The Toronto World delivered itself in a Thanksgiving Day leader to the following forcible way: "The Prohibition question which is just now before the people of Ontario and more or less before the people of Canada, is a most serious issue. It is one that cannot be trifled with. It is one in which we are called upon to take sides, or which man can blow both hot and cold, or on which a man may refuse to commit himself. Men must say where they are, whether they are for or against it, and what applies to the public man and individual who applies to newspapers and others who profess to guide public opinion. Prohibition is a question with which politicians ought not to be allowed to juggle. They may be Conservatives or they may be Liberals, but they must not be allowed to play fast and loose with the issue that has been raised. Any attempt on the part of any politician to keep in power through this question or of any politician to get into power through this question, ought to be put down at once, and the World pledges itself that it will not aid or abet in any way those who may be playing such a game. Mr. Moore must say where he is, and equally so Mr. Whitney, who has been himself, and so through both sides of the house and for each individual candidate seeking election. The World does not believe in Intemperance or in over-indulgence of any kind. The World has little use for the man who drinks, and the world at large is rapidly coming to the same view." The World does believe that there is a drink evil, and that it can be mitigated by law and by the enforcement of the law. We believe in higher license and in restricting the question, ought to be put down at once, and the World pledges itself that it will not aid or abet in any way those who may be playing such a game.

At the home of Mr. Alex. Wallie, Esq., on Wednesday evening, Nov. 23rd, a quiet but interesting wedding ceremony was performed. The contracting parties were Miss Margaret Wallace and Mr. Matthew Job, Jr., of Neessawaga. About fifty friends witnessed the ceremony which was performed by Rev. H. A. Macpherson, of Knox Church, Acton. The bride was attended upon by her sister, Miss Jennie Wallace, and her brother, Mr. Harry Wallace, Jr., acted as groomsmen. Both bride and bridesmaid were prettily attired, and the former, as she entered the room when the guests were assembled leaning on the arm of her father, looked very handsome indeed.

When the marriage had been performed the guests sat down to a most tempting wedding dinner. After all had done justice to the provision that was made for the inner man, Rev. Mr. Macpherson in a few remarks proposed the health of the young couple. He regretted the sickness in the home of the groom and hoped that the one who was even then lying near to death might be spared. The assembled friends felt a common sorrow under the circumstances, all joined in wishing Mr. and Mrs. Job a pleasant married life.

Many wedding gifts were presented to the bride who was always a favorite with her friends. These all follow her to her new home where it is hoped she may be very happy.

ERIN.

The Thanksgiving meeting in the Erie Methodist Church passed off very pleasantly—plenty of provisions, a large number of students programme.

The Belfast club acquitted themselves nobly, the motions of Miss Steele were wisely given. The graphophone selections by Will Hammett and Joe Crawford were entertaining. The radiations by Mrs. Wm. Downan, of Georgetown were clearly and touchingly given. The singing of Mr. Foster, tenor soloist, of Hamilton, was in good time, tone and voice really all his own.

The address given by Mrs. Harry Barrill and Pater were profitable and inspiring. The staff and general pastor occupied the chair, while his fine colleague opened and closed the service. Proceeds nearly forty dollars.

A number from here took in the tag of war between Booths Block and Limestone teams at Acton Thanksgiving Day. Mr. H. P. Moore, Acton, presided an excellent sermon on Sunday. He also took charge of the Sabbath School. Mr. Moore is always a welcome visitor to this church. He was accompanied by Mr. Jas. Moore, Acton.

Mr. W. H. Garbham will deliver a temperance sermon here on Sunday. On Sunday evening after a short illness, he passed away Mr. Joseph R. Cripps, Jr., one of the pioneers of this neighborhood, at the residence of his son-in-law, Mr. C. McLaughlin, Acton. He was well known and highly respected in the community. He leaves a family of one son and three daughters to mourn his loss, his wife having predeceased him several years ago. The funeral on Tuesday to Osborne's Cemetery, Brantford, was well attended.

Funeral services are being conducted at Bloor Church this week. Mr. and Mrs. N. Forbes spent their holidays in Toronto. Mrs. H. H. Wagoner spent several days last week with friends at London. Mrs. John H. and Willis Cripps returned home Monday from visiting friends at Brantford, Galt and Preston. Miss Irene Carroll left on Saturday for Toronto where she will spend some time. Miss Carroll intends to take a course at Toronto Conservatory of Music. Mr. James Moore, Jr., and Miss Mattie spent Sunday at Mr. H. Dancy's, Chesham.

Misses Elsie and Mary Ramshaw spent Thanksgiving holidays with friends in Acton. Mr. Robert Cripps received a large consignment of Christmas and winter goods of the best quality for his store this week.

The Presbyterians are putting in a fine new pipe organ. This with the splendidly renewed church will give the congregation a very attractive church home. An incident of the evening brought out the Fire Brigade. The fire which was confined to the roof was soon quenched. The annual meeting of Georgetown Branch of the Bible Society will meet in the Methodist Church this evening. Rev. Bernard Bryan will address the meeting. In view of the reopening services in the Presbyterian Church on Sunday, the Methodist, Baptist and Congregational Churches are each withdrawing a service. Frank J. Barber has leased the rink for the winter. It looks as if he intends to bowl it with a vim.

Dr. Arthur E. Ranney has been appointed physician and surgeon to the Meakins general hospital, Hamilton. Missionary sermons will be preached in the Methodist Church on Sunday, Dec. 15, by Rev. H. M. Manning of St. Paul's Church, Brantford.

Mr. John N. Newton is visiting friends in Brantford. A few of the married men of Limestone gave a party to the hall last Wednesday evening. There were about one hundred and fifty guests present. A bonnet and supper was served at midnight, and all expressed themselves well pleased with the evening's enjoyment. Mr. Bert Moore spent Sunday with his parents here. Miss McGregor is visiting at Mr. Wm. Newton's.

Miss Beulah Dick spent Thanksgiving in Toronto. Mr. Ed. F. Nixon visited his brother, Dr. J. H. Nixon, of Malvern, during the holidays. Mr. Harvey Nixon went to Arthur. Mr. Alonzo Thornton has secured a situation in Toronto. Mr. Percy Morrison has been spending a week at his home here. Mr. Fred and Mrs. N. G. Wrightworth spent the holidays in Toronto. Mr. and Mrs. Wm. Trimble and Mr. Frank Trimble, of Toronto, were holiday guests of relatives here. Mr. Joseph Trimble has rented his farm for a number of years to Mr. J. H. Wilson. Mr. Griffin Thompson is being from Manitoba. Mr. Patrick Fitzsimmons will have a sale of farm stock and implements on Dec. 10th. The Epworth League is sending a box of clothing to the Fred Victor Mission Toronto. Misses Nellie and Maggie Douglas visited at their home here last week. They entertained a number of friends very pleasantly on Thanksgiving evening. Miss Minerva Thompson and Mr. Byron Thompson are seriously ill at their home in Oakville. Congestion of the lungs is the trouble. An old resident passed away on Sunday, Nov. 21st, in the person of Mrs. William Laird. The remains were interred on Tuesday in the cemetery at Huxton Presbyterian Church.

WEAK AND NERVOUS.

MAGISTRATE'S DAUGHTER DEPLORABLE CONDITION. Despite Medical Treatment, He Became Weaker and Weaker Until He Could Scarcely Sign His Name.

Mr. James Dauphin, of East Brantford, is a well known man for thirty years. His health gradually forsook him, until by degrees he had to give up doing all kinds of work. He consulted a physician and took a large quantity of medicine, but it did him no good and he gradually grew weaker and weaker. His duties as a magistrate necessitated his doing much writing, and being an excellent penman in his days of good health, it came hard to him when his hand shook so much that he could scarcely write. It steadily grew so that he could not sign his name. His daughter, seeing his deplorable condition advised him to try Dr. Williams' Pink Pills, and after a trial of one box he was induced to try them. There was no noticeable change in his condition until he had started to use the third box. From that time on the improvement was rapid. He grew stronger every day, his appetite increased, the nervousness and lassitude departed from his limbs, some of the terrors of his youth returned to his eyes, and, by the time five boxes were used, Mr. Dauphin felt a new man. The weight of years and the burden of sickness have rolled from his shoulders. He has been more steady and his pen can now run as rapidly as ever. He attributes his cure to the magnetism of a good wife and Dr. Williams' Pink Pills. Mr. Dauphin is 73 years of age, but feels as young and vigorous as he did years ago, and is ever ready to praise in the warmest terms the health giving qualities of Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills are the friend of the weak and ailing. They surpass all other medicines in their tonic, strengthening qualities and make weak and ailing people bright, active and healthy. These pills are sold by all dealers in medicine, or can be had by mail, postpaid, at 50 cents per box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

I was a slave, chained with painful cough and asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of the dreadful and tormenting disease, asthma, and thought you had overpromised yourself, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-sized bottle."

Dr. T. H. MORRIS, WUCHSLER. I have been troubled with Asthma for 23 years. I have tried numerous remedies, but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full size bottle, and am ever grateful.
