

## Coughing

"I was given up to die by my doctor, I then began to use Ayer's Cherry Pectoral. I improved at once, and am now in perfect health." — Chas. E. Harriman, Gibbstown, N. J.

It's too risky, playing with your cough.

The first thing you know it will be down deep in your lungs and the play will be over. Begin early with Ayer's Cherry Pectoral and stop the cough...

Three days we stayed in an ordinary hotel; just right for pleasurable, however, for a short time. We were soon in a roomy suite. — J. C. ALEX. CO., Lowell, Mass.

### The Young Folks.

#### A BOY'S SERIOUS QUESTION.

I want to ask a question.

Now, what is this one who can:

What makes whenever I get hurt.

It's another's great man,

Who makes for others.

Or maybe pickles with my lunch,

Why, then—now I have, please—

Or I, I have hills to ride,

I think and worry over this.

And I hurt myself.

Just exactly what's the proper size

A fellow ought to be.

Our wife—Hypnotized, hypnotized, lost of appetite, furred tongue and general indisposition. These symptoms suggest a disease into which I have fallen. It is a trite saying that an "ounce of prevention is worth a pound of cure," and a little attention at this point may save months of suffering and large doctor's bills. For this concern, take two or three of Parham's Vegetable Pills on going to bed, and one or two for three nights in succession, and a cure will be effected.

The selfishness, like a ball of twine, is wrapped up in himself.

The essential lung-healing principle of the pine tree has finally been successfully separated and refined into a perfect cough medicine, Dr. Wool's Norway Pine Syrup. Hold by all dealers a guarantee of satisfaction. Price 25 cents.

Old Aunt—Well, I shall not be a nuisance to you any longer.

Nephew—Don't talk like that, Aunt. You know you will.

Worms cannot exist either in children or adults, when Dr. Low's Worm Syrup is used. 25 cents. All dealers.

The ways of a man with a maid invariably depend upon the lead of the damsel-like.

#### WHAT'S IN A NAME?

Depends upon the name. Scott's Emulsion is a name that has value. Maybe it doesn't mean much to you—but to the consumptive who has been strengthened and fatigued, to the sickly children who have received good health, to the weak mothers and babies who have grown strong—to these Scott's Emulsion means something.

To all of them it has meant an easy and natural return to health.

We send you a bottle top, type like

#### DID NOT SUCCEED.

When Harriman made his contract with Jenny Lynn, he stipulated that she should not sing at private parties. That is the reason showmen know what he was about, this anecdote proves!

Paderewski was invited to tea by a New York widow, but the pianist rather oddly invited his intended host to his agent's at Chickering Hall. When the agent asked the first question he asked was:

"Suppose Mrs. V. will expect Paderewski to play?"

"Then Monsieur Paderewski will accept your invitation as an engagement."

"Oh, very well, if you prefer to put it that way," retorted the millionaire.

"What are your terms?"

"Three thousand dollars for one place, and Monsieur Paderewski will consent to a single concert."

The terms were not accepted.

"I suppose so?"

"Then Monsieur Paderewski will accept your invitation as an engagement."

"Oh, very well, if you prefer to put it that way," retorted the millionaire.
