

### Hair Splits

"I have used Ayer's Hair Vigor for thirty years. It is elegant for a hair dressing and for keeping the hair from splitting at the ends."  
J. A. Greenleaf, Grandfather, Ill.

Hair-splitting splits friendships. If the hair-splitting is done on your own head, it loses friends for you, for every hair of your head is a friend.

Ayer's Hair Vigor in advance will prevent the splitting. If the splitting has begun, it will stop it.

If your druggist cannot supply you, send one dollar and we will express you a box of Ayer's Hair Vigor. Address, J. C. Ayer & Co., Lowell, Mass.

### The Young Folks.

**WHEN THE GRAY'S ON THE BUCKLEHEADS.**

When the gray's on the buckleheads and the saucers are hot.

When the steam is finding upward from the boiling coffee pot.

When the cook stirs up the batter that will set the light bread.

And when little boys and girls snatch their lips and run for cover.

Oh, it's then a man is always falling pretty near his best.

If there's any trouble with the works beneath his feet.

And it's then he ought to humbly thank the Lord for what he gets.

When the gray's on the buckleheads and the saucers are hot.

There's a fragrance that comes floating from the pan on the stove.

That should have a man to action—make him strong for any fate.

There's no joy, there's inspiration in the saucers on the stove.

And it's good to see dear Willie as he scoops the batter in.

And what wonder there is there that the piping clapping sound.

That the boy's proud, "as he stirs the stuff around."

Oh, such a picture, picture, picture, picture, picture, picture.

When the gray's on the buckleheads and the saucers are hot.

—Chicago Record-Herald.

There are Dishonest Men Who Faint Their Worthless Substitutes on The Public, Deceiving Those who Intended Buying

### PAINE'S CELERY COMPOUND

If the sick, suffering or friends of such are using or are about to use Paine's Celery Compound for the relief of any ailment, they should be sure that they are buying the name Paine's Celery Compound and the name Paine's Celery Compound already known of many cases of suffering aggravated and intensified by these vile substitutes for Paine's Celery Compound.

These spurious brands of celery compound are sold by some dealers for the sole reason of the immense profit that is derived from their sale. As far as the unscrupulous dealers are concerned, they care little whether the patient is killed or cured; if they can get a profit, it is their great object. If you cannot get the genuine Paine's Celery Compound from your dealer, The Wells & Richardson Co., Limited, Montreal, will send two bottles express charges paid to your nearest express station for two dollars, or six bottles for five dollars. Money must accompany order.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Do not be so afraid, and they need not be so afraid, either. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and drive out all that took when feeling dull and bad with headache and other ills. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you.

One look into our Heavenly Father's face is to learn the secret of blessedness and peace.

No one need fear cholera or any summer complaint if they have a bottle of Dr. J. D. King's August Flower ready for use. It corrects all looseness of the bowels promptly and causes a healthy and natural action. This is a medicine adapted for the young and old, rich and poor, and is rapidly becoming the most popular medicine for cholera, dysentery, etc., in the market.

### TRUTHFUL.

Even in this intelligent age of the world there are too many people believe in the humbug of fortune-telling; but if all consulted Fortune-tellers, were as frank as the one mentioned in the following story which is borrowed from the *District Free Press*, and which may or may not be true they would have fewer patrons than they now have.

A man was having his fortune told. "I see," said the seventh daughter of the seventh daughter, contracting her eyebrows, "I see the name of John."

"Yes," said the sister, indicating that he had heard her name before.

"The name seems to have given you a great deal of trouble."

"It has."

"This John is an intimate friend."

"That's so," he said smilingly.

"And often leads you to do things you are sorry for."

"Yes, every word."

"His influence over you is bad."

"Right again."

"But you will have a serious quarrel, when you will become estranged."

"I'm glad of that. Now spill out the whole name."

The fortune-teller opened one eye, and carefully studied the face of the visitor, and handed it to him in exchange for her fee.

"Do not read it until you are alone," she said solemnly. "It is your friend's whole name."

When he reached home he read the name and gravely examined the paper. There it read, in picked fine characters, the name of his friend!

"Dem-John!"

There are two kinds of shoes, Goodyear Welt, and all other varieties.

In a Goodyear Welt there are two kinds of insoles: one is a leather and the other is a bleeder Patent Flexible Insole.
