

### My Hair

"I had a very severe sickness that took off all my hair. I purchased a bottle of Ayer's Hair Vigor and it brought all my hair back again."  
W. D. Quinn, Marquette, Ill.

One thing is certain—Ayer's Hair Vigor makes the hair grow. This is because it is a hair food. It feeds the hair, and the hair grows, that's all there is to it. It stops falling of the hair, too, and always restores color to gray hair.

### Why He Never Tired.

He had taken pains, when he applied for work, to assure the farmer that he never got tired. When his new employer went to the field, he had put the man at work, he found him looking on his back under a tree.

"What does this mean?" asked the farmer. "I thought you were a man who never got tired?"  
"I don't," said the hired man, calmly, "this don't tire me."

### THE MAID BUSHED.

When Mr. David Dear, winner of the queen's prize at Bileay, was a law student, he once attended an "at home." On the servant calling his name, he replied, "I don't know that name."

"What does this mean?" asked the farmer. "I thought you were a man who never got tired?"  
"I don't," said the hired man, calmly, "this don't tire me."

### Your Tongue

If it's coated, your stomach is bad, your liver is out of order. Ayer's Pills will clean your tongue, cure your dyspepsia, make your liver right. Easy to take, easy to operate.

### BUCKINGHAM'S DYE

The end of man is an action, and no thought, though it were the noblest.

Milburn's Staining Headache Powders give women prompt relief from monthly pains and leave no bad after effects whatsoever. It is a dye, not a medicine. Price 10 and 25 cents. All dealers.

### CASTORIA

For Infants and Children.

The twentieth century was getting along nicely until plug-nug developed.

We have no hesitation in saying that Dr. J. D. Kellogg's Dysentery Cordial is without doubt the best medicine ever introduced for dysentery, diarrhoea, cholera and all summer complaints, such as cholera, etc. It promptly gives relief and never fails to effect a positive cure. Mothers should never be without a bottle when their children are teething.

### TAKE A LAXA-LIVER PILL

BEFORE RETIRING IF YOU'RE TROUBLED WITH BILIOUSNESS, CONSTIPATION, SICK HEADACHE, OR DYSPEPSIA.

THEY'LL CURE WHILE YOU SLEEP

PRICE 25c A VIAL OR 50c FOR 6 VIALS AT ALL DRUG STORES.

### NEURALGIA

We suggest curing a pain in the face by taking Scott's Emulsion into the stomach. Usual way of treating neuralgia is to rub liniment on the outside. That's only a makeshift.

Scott's Emulsion is nerve food. Scott's Emulsion feeds and strengthens nerves.

For an obstinate neuralgia, for nervousness, for nerve weakness take Scott's Emulsion. It's nerve food and nerve strength.

### THE WAY TO DO BUSINESS.

"There are any one living here under twenty years of age?" inquired a young man who sat down at a social restaurant the other day.

"No, there is not," rather sharply replied a signifier of night and thirty-something who stood by.

"Why, is it possible?" was the reply of the apparently astonished man. "Don't you live here?"

It was a great hit, and after a little whispering and a brief chat about the weather, the man purchased two copies of a work entitled "Hints for the Young."

On The Night Road.

The Person—What do you suppose will become of you when you grow up if you never go to Sunday school?  
The Kid—Don't you worry, 'bout me, I'm going far to be a politician, 'Liz.

The great life-giving medicine has been sent to every quarter of the civilized world, and has cured the sick, restored the weak and depressed to health and strength, and caused tens of thousands to live, who fell to find health in worthless prescriptions, narcotics, medicines and pills. Paine's Celery Compound has cured what all other remedies failed.

Thousands of grateful letters have been sent testifying to wonderful and permanent cures.

It is foolish and criminal to delay those of such a disease banisher who offers what many of your friends and neighbors have known made well by his use. The health-giving virtues are so eminently great that the ablest physicians are prescribing Paine's Celery Compound daily for the sick.

If you are weak physically, in the grasp of disease, or simply feeling out-of-order, irritable, sleepless or despondent, try one bottle of Paine's Celery Compound, and you will tell the magical effects.

If you think you are a martyr, don't involve it on your door plate.

### THE COLONEL OUT-MANOEUVRED.

The Colonel, or Old Daddy, as he is usually called, had a habit of strolling round the camp as most commanders have. He had had to be continually on the alert, for nothing would have given "Old Daddy" greater satisfaction than to have pointed out some fault in the ranks which he might think the midnight hour suitable for a quiet notice.

Paddy Branigan made that mistake once. There in the quiet moonlight he saw the colonel of the 10th coming. He hid behind a tree, and waited for the colonel to pass. He saw the colonel's eyes fixed on him, and he saw the colonel's hand on his hip. He saw the colonel's hand on his hip, and he saw the colonel's hand on his hip.
