On Wednesday, April 18th, at 1 p.m.

The ceremony was performed by Rev. H. A. Macpherson,

The party adjourned to the dining
room where a sumptuous and elegant wedding dinner was served by the genial hostess in her most pleasing manner.

Miss Elizabeth McDonald and Lizzie
Lefelman, of Acton, spent a day or so during the week at Mr. George Graham's.

Interceding Sermon at the
Inauguration of Rev. J. T. Hall—Lecture by Rev. A. I. Snyder.

Thursday last was a day of much
importance and of general rejoicing to the Presbyterian congregations of Rockwood and Eden Mills.

The Guelph Presbytery assembled
at two o'clock and Rev. Mr. Scott went to the pulpit, and after devotion, a session of prayer, praise, and singing of the Word, presided from Matthew 6, 13-14, dwelling principally upon the clause, "Ye are the salt of the earth."

Mr. J. A. Macpherson, who had acted
as Moderator of Session during the vacancy, gave a brief narrative of the steps in the call of Mr. Hall, after which the Moderator of Presbytery and the Moderator of Session during the vacancy, gave a brief narrative of the steps in the call of Mr. Hall.

Immediately after the proceedings
of the induction the Presbytery and the Moderator of Session during the vacancy, and others, were entertained at a sumptuous repast in the town hall.

Mr. and Mrs. Hall were present
and received a very cordial reception. So the evening church service was crowded, many not being able to gain admission.

Mr. H. A. Macpherson occupied
the chair. Addresses were made by Rev. J. W. Mann, Erasmus, Rev. J. McLeod, Everton, and Messrs. H. J. Milne and Wm. Harris, all welcoming Mr. and Mrs. Hall to Rockwood.

Music was rendered by the
choir and solo by Miss K. Ingle, of Eden Mills, and Mr. John Strachan, of Guelph. At the close of the meeting Mr. Macpherson called Rev. Mr. Hall to the chair.

He made an able and able
address, thanking all for their kindly welcome. Messrs. John Burns and Wm. Argo then, in the name of the congregations of Rockwood and Eden Mills, presented Mr. Macpherson who was being Moderator during the vacancy, with a check for a handsome sum, to which Mr. Macpherson replied, thanking the congregations for their kind remembrance, but more for their kindly spirit and good will which were always exhibited towards him.

All the services were interesting
in every part. A large congregation was in attendance, showing the interest that was taken in Mr. Hall's coming among them. After a complimentary short vacancy a very handsome settlement was taken place.

Rev. J. M. Hagar, M. A., of Acton,
will occupy the pulpit of the Methodist Church next Sunday.

Rev. A. I. Snyder, of A. A., will
give his popular lecture, "Woman's Tongue" in the Methodist Church next Wednesday evening.

At the annual meeting of South
Wellington Conservative Association held last week Mr. Wm. Boston, of Eden Mills, was re-elected President.

A TALK WITH GIRLS
HOW TO OBTAIN BRIGHT EYES AND ROBY CHECKS.

Paris, Annamite and Exotic Tired Girls
Often Gaily Prey to Consumption.

In young girls we look for abundant
health and strength, rosy cheeks, bright eyes, firm, plump flesh and constant cheerfulness. How often, however, we meet young girls who seem prematurely old, feeble, pale, listless, thin and irritable. These abnormal and dangerous conditions are the result of general weakness of the blood, and should be cured just as promptly as possible or the whole life of the patient will be ruined. If, indeed, decline and consumption do not speedily follow. Dr. Williams' Pink Pills for Pale People are the natural, logical and safe cure for weak girls. These pills make rich, red blood with every dose. They strengthen the nerves, act upon the whole system and bring health, strength and happiness to those who use them.

Miss Helen Rinker, South Polham
township, Welland county, Ont., says: "It is with pleasure that I give this tribute to the health-giving virtues of Dr. Williams' Pink Pills. When my daughter, Lena, began the use of your medicine she was in the most wretched condition. In fact, we were seriously alarmed lest she might not recover. The symptoms were a feeling of languor and weakness, gradually growing worse. She became pale, lost flesh, had little or no appetite and was apparently going into a decline. Finally the trouble became complicated with a persistent sore throat, which gave her great difficulty in swallowing. She was placed under the care of a doctor who said her blood was poor and watery, and her whole system badly run down. The doctor's treatment did not help her much, and then acting upon the advice of a neighbor, I began giving her Dr. Williams' Pink Pills. The confidence with which this medicine was urged upon us was not misplaced, as I soon noticed a distinct improvement in my daughter's condition. The use of the pills for some weeks completely restored her, and from that time she has been a cheerful, light-hearted girl, the very picture of health."

These pills never fail to restore
health and strength in cases like the above. Through their action on the blood and nerves they also cure such diseases as rheumatism, scalding, H. Vitium, dizziness, indigestion, kidney trouble, neuralgia, etc. There are many so-called tonic pills, but they are mere imitations of this great medicine. Be sure that you get the genuine with the full name "Dr. Williams' Pink Pills for Pale People" on every box. If your doctor does not keep them they will be sent postpaid at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.
