Itching Skin.
Itches by day and night—That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and such, and applications do not cure—They can't.
The source of the trouble is in the blood—make that pure and the itching, burning, itching skin disease will disappear.
It was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum and bought a bottle of Hood's Sarsaparilla. In two days after I began taking it I felt better and it was long before I was cured. Have never had any skin disease since. Miss Tom E. Wann, Care Point, Ont.
