BRIEF LOCAL ITEMS.

—Holiday visitors were numerous.

—Tuesday was a very quiet day for a holiday.

—How did you like the weather of the past week?

—Milton won the cup in the baseball tournment in that town on Tuesday.

—Canada has celebrated her 35th Birthday as a Dominion. May she have many of them. Bless her.

—The item regarding the death of Mrs. Jas Shaw in last issue erred in stating that Mrs. Shaw had been a member of the Presbyterian Church here for many years.

—The service in Knox Church was withdrawn on Sunday evening and the congregation attended the Methodist Church to hear the farewell sermon of Rev. J. M. Hagar.

—The brighter weather of Tuesday—Dominion Day—was indeed welcome. We would not have liked to have seen the anniversary of our country's birthday fall on a dreary day.

—Our pretty little town seems to have a decided attraction for holiday visitors. Friends and old-time residents who reside in other towns are always present in numbers on a holiday.

—Weddings seems to be exceedingly popular in town at present and the FREE PRESS reporter is almost kept busy interviewing prospective brides. They furnish good news however and are always welcome.

—Mrs. Thos. Perryman, Toronto, has invented a new fuel grate which is being put on the market under the name of "Perryman's Ideal Grate." Mrs Perryman has applied for a patent on her idea and hopes to make successful sales.

—Many of our citizens attended the celebration in Milton on Tuesday and rigs were at a premium in town. Unfortunately the baseball team were prevented from taking part in the baseball contest there and could not add to their laurels.

—Cabbage plants for sale.—20 cent per hundred. Thos. Brunt, Lake View Ave, Acton.

—Dr. J. M. Bell's dental office, will be closed for two weeks, he being out of town. They will be reopened on his return on the 28th.

MILTON.

Last Friday a mare belonging to Geo. Joyce, of the Scotch Block, was let out of the barn, became frightened and tried to jump a wire fence. Her hind feet caught in the wire. She fell and broke her neck and back. The mare was a fine one and Mr. Joyce had refused an offer of $170 for her within a week of the day on which she was killed.—Champion.

The Town Council will submit a by-law to the property owners, asking for $7,000 for furnishing a steam heating plant for the Town Hall and for power to operate said Electric Light plant.

He who knows but little quickly tells it.

NEWS OF LOCAL IMPORT.

An Enjoyable Evening Promised.

The Epworth League are preparing an interesting evening for next Tuesday, 8th inst. A lawn social will be held that evening on the grounds next the church, for which an enjoyable programme is being prepared. The band will be present to enliven proceedings. The Sunday School orchestra will play a number of selections and a further programme of quartettes, solos, etc., will be given by other local talent. Tea will be supplied to all and further refreshments sold on the grounds.

Rev. J. M. Hagar's Farewell Sermon.

On Sunday evening Rev. J. M. Hagar, M. A., preached his farewell sermon to the congregation of the Methodist Church. Knox Church withdrew their service for the evening and Rev. H. A. Macpherson and the congregation attended the Methodist service. Mr. Hagar took for his text Matt. 17: 8 "Jesus Only," and from it preached an earnest and inspiring sermon. He said that this had been his motto when he came to Acton, he had endeavored to hold to it during his pastorate here and he was departing from town under its guidance. He exhorted the congregation to live by the text. He asked for a hearty welcome for the new pastor and that the congregation support him in every way possible. Rev. H. A. Macpherson and Rev. Mr. Gordon, of Brooklyn, N. Y., assisted in the service. The new pastor, Rev. A. E. Smith, of Port Dover, is expected to arrive in town today.

Another Happy Event.

A pretty wedding was celebrated in town yesterday when two of our young people were united by the sacred bonds. Dr. J. M. Bell and Miss Ada Hynds, second daughter of Councillor Geo. Hynds were married by Rev. H. A. Macpherson at 2:30 o'clock yesterday afternoon at the home of the bride's parents, Mill St. The parlor had been prettily decorated with palms and flowers and the knot was tied beneath a bridal arch. Miss Jean Smith, organist of Knox Church, played Mendelssohn's Wedding March. The bride who was becomingly dressed in white silk organdie trimmed with silk applique, was supported by her sister Miss Nellie, who wore lemon silk organdie with silk insertion, and two little flower girls, Misses Jennie Hynds and Maude Agnew were dressed in Persian lawn with lace and insertion and carried bouquets of roses. The bride and bride's maid carried bouquets of bridal roses and lillies of the valley. Mr. Will Swackhammer, of London, supported the groom. A pleasant company of friends were present during the ceremony and afterward partook of a wedding dinner. Mrs. Bell is an active worker in the Knox Church Sunday School and a member of the church choir and her many friends showed their appreciation by numerous bridal gifts. The groom's gift to the bride was a handsome watch and chain, to the bridesmaid a pearl crescent set pin and to the flower girls turquois and pearl set brooches. The happy couple, accompanied by a number of friends, drove to Georgetown and there took the evening train for Toronto. They will remain there a day or so, then go to New York, and will return home by way of Montreal, making in all about a two weeks trip. Mr. and Mrs. Bell will reside in Acton

Coronation Day Proceedings.

Although the announcement of the coronation postponement affected Thursday evening's programme, the afternoon's proceedings in the park went on as before announced. At one o'clock a base ball match was played between Acton and Milton for the championship of Halton, and for a cup donated by Mr. A. G. Laxton, Milton. The match was won by the Acton team in an easy game with a score of 11-4. The game was never in doubt and Acton had an innings to spare. Following is the score:

After the match an interesting series of races were run off. At first the heats were rather slow and trouble was experienced in starting, but the excitement gradually worked up and late in the afternoon several exciting contests were run. The races were not finished on Thursday though they were continued till late in the evening and a final heat had to be run off on Friday afternoon. Most of the horses were fast and among them may be noted Master Roy, owned by Mr. H. Peters, Dresden, Nellie Wilkes, by A. Goodale, Lancaster, and Annie D., by J. Black, Toronto. Of these Master Roy was perhaps one of the fastest horses that has ever trotted here. The first race, 2.47 trot or 250 pace for $125 was won by Josephine owned by E. M. Stewart, Guelph, with Lady Elgin 2nd, and Glen Fox 3rd. Time 2.41. In the 2.27 trot or pace Oakville Boy, owned by F. Hopkins, Toronto, got 1st; John A., 2nd and Roy 3rd. Time 2.36. The free-for-all, the final heat of which was run on Friday, was won by Master Roy, with Nellie Wilkes 2nd, and Annie D., 3rd. Time 2.24. The judges were S. H. McMillan, Georgetown, D. McKenzie, Grawilliams, and Mr. Goodfellow, Guelph. Starter, Thos. Brownridge, Brampton. Timekeepers, J. D. McGibbon, Milton and J. H. Matthews, Acton. There was a fair crowd present but the rain and cool day affected the attendance. The band concert to have been held in the park in the evening was withdrawn owing to the extreme coolness of the evening.

Who has no children does not know what love is.

Pre-Communion Services.

Pre-communion services will be held in Knox Church to-morrow. Rev. Mr. McKay, of Norval, will be the preacher and services will be held at 11 a.m. and 7.30 p.m. On Sunday communion will be administered at 11 a.m.

Garden Party This Evening.

A garden party under the auspices of St. Alban's Church will be held at the home of Miss Lizzie Moore this evening. An enjoyable musical programme will be provided by Acton Cornet Band and other local talent, and an entertaining evening is assured.

Another Cup For Acton.

The beautiful cup which has been on exhibition in A. T. Brown's window the last few days, was donated by Mr. A. G. Laxton, Milton, for the baseball match here last Thursday and was won by the Acton team, and with it the championship of Halton. This is the second cup which has been won by Acton teams this year, the other being captured by Storey's Hockey Team in March. The cup is a beauty. It is of an appropriate baseball design, stands about a foot and a half high and is valued at $30. The base ball boys are quite proud of their trophy and championship.

A Former Acton Boy Made Happy.

Mr. S. H. Moore, Toronto, has happy man at present. On Saturday he became the the father of triplets, a son and two daughters. The following item from a Toronto daily will be read with interest: "Life now holds no alloy for Mr. S. H. Moore, 52 Fern Avenue. He always had a high admiration for his wife, but when she presented him with three rosy, healthy babies, he felt that the English language was inadequate for the occasion, and he gave expression to his feeling in a prolonged warwhoop. Mr. Moore is the city traveller for Comfort Soap, and it is just possible that the firm may declare a holiday in honor of the event. Mrs. Moore and the triplets were getting along nicely when enquiry was made as to their condition. The lady has a host of friends in the city, and mothers' meetings were held on Sunday to discuss the situation. Mrs. Moore is young and pretty, and, in addition to Saturday's arrivals has already had two children. Saturday's trio weigh collectively 10½ pounds, and from present appearances bid fair to grow up into useful ornaments of society. The question had been raised as to whether Mr. and Mrs. Moore will be made recipients of the King's bounty of £3. The proud and happy couple are not worrying on this score however, and will be perfectly satisfied if the three little mites are spared to them.

An Ancient Foe

To health and happiness is Scrofula—as ugly as ever since time immemorial.

It causes bunches in the neck, disfigures the skin, inflames the mucous membrane, wastes the muscles, weakens the bones, reduces the power of resistance to disease and the capacity for recovery, and develops into consumption.

"Two of my children had scrofula sores which kept growing deeper and kept them from going to school for three months. Ointments and medicines did no good until I began giving them Hood's Sarsaparilla. This medicine caused the sores to heal, and the children have shown no signs of scrofula since." J. W. "BLACK CAT"
STOCKINGS
For Women and Children.

Our Best Grades 25c. to 35c. per pair.

The kind that wears three times longer than ordinary Stockings.

We are sole agents in Guelph for the famous Black Cat Stocking. These Stockings have triple knees and toes, wear longer, hold their color better, and need less mending than any other hosiery made. Now, the making and selling of stockings isn't such a hum-drum business as most folks imagine. The home of the Black Cats is in Cenosha, Wisconsin, and are made on a pretty big scale too. They've got a cracker-jack of a mill up there, and it turns out the best all 'round twenty five cent stocking for women and children on the continent. Black Cat Stockings are famous. Good yarn, good dye, good knitting and careful attention to detail made them so. Since we put in a stock of these here, many people have been coming into our store, saying:—

"Let's See Some of Those Black Cat Stockings,"

and the demand has grown and grown, until some days it keeps one saleslady busy selling nothing but Black Cat Hosiery. It's as clear as the nose on your face, if you can get good hose for about the cost of the ordinary kinds you'll take a good pair every time.

If you are interested and not satisfied with the Hose you've been getting, come in and let us talk it over with you.
