

Hair Splits

"I have used Ayer's Hair Vigor for thirty years. It is elegant for a hair dressing and for keeping the hair from splitting at the ends."
—J. A. Greenfield, Granfork, Ill.

Hair-splitting splits friendships. If the hair-splitting is done on your own head, it loses friends for you, for every hair of your head is a friend.

Ayer's Hair Vigor in advance will prevent the splitting. If the splitting has begun, it will stop it.

It is a fact. All druggists have it. If your druggist cannot supply you, send us one dollar and we will return you a bottle. The name and price of your hair dressing is on the wrapper.

FOLLOW ME.

My darling lay in my arms at rest
When she opened her eyes of blue
And said, "Mamma, I'm going far away."
And I do wish you going far away.
I'm going to see the angels bright
In that land so far away
Where Jesus, Himself, dwells ever
And where it is always day.
Tell father, and sister, and brother
To come to that beautiful land
And I will meet them at the gate
And take them by the hand.
And show them all the angels bright
And all the streets of gold
And all the strange and wonderful things
That in the Bible are told.
I'll show them all the friends I make
And Christ, God's only son
Oh! we shall have a lovely time
We'll sing around the throne.
"Now do not cry dear mother," she said,
"Because I'm going from you
It will not be so very long
Before I see you too."
And then she closed her eyes of blue
And then I knew my darling had gone.
And she reached the haven at last.
—MARI GOODWIN.

SPECIAL EXCURSION RATES.

Via the Chicago and North Western Railway to Denver, Colorado Springs, Pueblo, Salt Lake, Hot Springs and Deadwood, South Dakota, during June and August. A splendid opportunity is offered for an enjoyable vacation trip. Several fine trains via the North-Western line daily. Full information and illustrated pamphlets can be obtained from H. H. Bennett, General Agent, 2 King St., East, Toronto, Ont.

A NEW DEPARTURE.

The Chicago, Milwaukee & St. Paul Railway has recently put in service on the Pioneer Limited train the largest and handiest dining car ever built. It is 82 feet in length from tip to tip, and its body is 4 inches wider and higher than the usual dining car. It seats 30 people comfortably in movable chairs, and has a kitchen large enough to permit the working of six cooks with six waiters and a conductor make up the crew. The dining-car heater in service did not provide sufficient space to properly care for the large number of patrons of the Pioneer, so that it became necessary to have a larger car.

The scripture teaches that it is not good for a man to live alone, but evidently there are a few old bachelors in this town who don't believe the scripture.

One Laxa-Liver Pill every night for thirty days makes a complete cure of biliousness and constipation. That is just 25 cents to be cured.

A BUBBLE PLOTTED.

Deacon De Good—"Here, waiter, I'm afraid to drink city water; I'll have to take beer."
Waiter—"That isn't city water, sir. It's pure spring water, bottled in the mountains especially for the establishment. Several distinguished chemists and physicians have pronounced it the finest water ever served."
Deacon De Good—"Um—bring some beer, please."

Some girls get up very ill-tempered in the morning. Probably the cause of it is sitting up very late the night before making themselves unusually agreeable.

SOUND AS A DOLLAR

That is the result of a course of treatment with Scott's Emulsion. We have special reference to persons with weak lungs and sensitive throats. Scott's Emulsion does some things better than others. This is one of them. It has a peculiar action on the throat and lungs which gives them strength and makes them tough. That's how Scott's Emulsion drives out coughs, colds and bronchitis. It keeps them out, too.

W. H. Jones & Co., Ltd., Toronto.

COMES THAT WAY.

A young Anglican minister, who was naturally of a shy disposition, was rather embarrassed at his first marriage ceremony, and unwittingly reversed the usual order of the service, thus making the bridegroom promise to love and obey his blushing bride. The error of his mode of life, however, but shortly after it dawned upon the father of the bride that a mistake had occurred, and he said to the minister: "I believe, Mr. Jones, you have made John promise to love and obey my daughter. Ah, well," he added after a pause, and with a sly look at his bride, "I suppose it won't matter much if it generally comes to that, anyway."

NOT APPRECIATED.

The minister was a great hand-shaker, putting down like a vice. One day he shook a little boy's hand, and about involuntarily gave it an awful squeeze as he said: "My little fellow, I hope you are really well today?"
With tears in his eyes the little boy answered: "I wish you shook hands with me."

PAINE'S CELERY COMPOUND.

Nature's Summer Health Giver.
It Purifies the Blood and Multiplies the Number of Vital Red Corpuscles, Feeds the Nerves and Transmits the Physical Strength.

Weak nerves, exhausted brain, poor, thin blood, impaired digestion and sleepless nights, account for much of the present existing summer misery and suffering.
Dear reader, if you're unfortunately numbered amongst the sickly, and weak mortals of today, it is now time to awake to a true realization of your danger. The weakening and depressing hot weather will only add to your misery if you are careless and indifferent.

There is absolute relief and a positive cure for you in Paine's Celery Compound. This wonder-working medicine is successfully combating such troubles as yours every day. It is a fact verified by able physicians and thousands of testimonials that Paine's Celery Compound makes new, pure blood, builds up the nervous system, regulates digestion, whets the appetite and gives vigor and strength to combat the discomforts of the heat of summer. Mrs. E. Wilcox, Crovono, Ont., says: "For years I have suffered from constant sick headache and nervousness; at times I have been so bad that I have been unable to sleep two hours a night for weeks. I have tried many medicines and doctors, but a great deal, but never received a great deal of relief from them. I obtained relief from Paine's Celery Compound. After taking these bottles, I can sleep well, my headache has ceased, and I feel healthier and fresher than I have done for years."

To love and be loved is impossible. Several colds are easily cured by using Paine's Anticongestive Syrup, a medicine of extraordinary penetrating and healing properties. It is acknowledged by those who have used it as being the best medicine for colds, coughs, inflammation of the throat, and all affections of the throat or chest. Its agreeable taste makes it a favorite with ladies and children.

When we are interested in it, it is a combination, when the other fellow is and we are not, it is a "trud."
Millburn's Sterling Headache Powder cures the worst headache in from five to twenty minutes, and leave no bad after-effects. One powder 5c, 3 powders 10c, 10 powders 25c.

It is better never to eat your wheat toast than to think you know any more when you have done it.
"Togay's" Yellow Oil cures sprains, bruises, sore throats, cuts, freshets, chilblains, stings of insects, burns, scalds, contusions, etc. Price 25c.

When a woman quits paying any attention to her hair, she is getting old. Backache, swelling of feet and ankles, puffing under eyes, frequent thirst, scanty, cloudy, highly colored urine and all urinary troubles lead to Bright's disease, kidney, diabetes, etc. Doan's Kidney Pills are a sure cure.

There never has been a perfect church in the world, and there is not much reason to be found for supposing that there soon will be.
Attention in the world of homoeopathic medicine has been its very source of progress, as in politics and religion—the difficulties of opinion and the individuality of men have been parent to the disagreement by which the standard of these bodies have been elevated. So with most of our preparations—foremost in illustration of which truth stands the world-famous remedy to general debility and languor, Quinine Wine—and when, when, although in its genuine strength, is a nutritious stimulant, to the general vitality and stimulant, to the general fertility of the system, Quinine Wine and its improvement, has, from the first discovery of the great virtues of Quinine as a medicinal agent, been one of the most thoroughly discussed remedies ever offered to the public.

Don't Let Corns Torment You.

The Putnam's Corn Extractor, which cures corns in an instant without pain. For thirty years Putnam's has been the standard cure of Great Britain and America. Try it.

Caution.

This is not a gentle word, but when you think how horrible you are not to purchase the only remedy for corns, you will be thankful we called your attention to Putnam's Corn Extractor. There are so many ordinary rough remedies made by druggists and others that are cheap and good for light cases, but for severe corns, blisters, cracks, and especially for corns on the feet, there is no other remedy so effective and so safe as Putnam's Corn Extractor. It is a fact that it is the only remedy for corns that will not hurt the surrounding tissue. It is a fact that it is the only remedy for corns that will not hurt the surrounding tissue. It is a fact that it is the only remedy for corns that will not hurt the surrounding tissue.

Parmelee's Vegetable Pills possess the power of acting speedily upon the diseased organs, stimulating to action the dormant energies of the system, thereby removing disease. In fact, as great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body. Mr. D. Carwell, Carwell P. O., Ont., writes: "I have tried Parmelee's Pills and find an excellent medicine, and one that will sell well."

A foul smelling nose gives good complexion.
A bad hot season.
During the hot season the blood gets overheated, the drain on the system is severe and the appetite is often lost. Burdock Blood Bitters purifies and invigorates the blood, tones up the system and restores the lost appetite.

Loss of Appetite

It is commonly gradual, one dish after another is set aside till few remain. These are not eaten with much relish, and are often so light as not to afford much nourishment.
Loss of appetite is one of the first indications that the system is coming down, and there is nothing else so good for it as Doan's Sassaaparilla. The best of all tonics.
Accept our cordials for Doan's.
There is a remedy for everything but death.

WHERE THE DAY CHANGES.

Longtime, you know, in the distance around the earth from east to west and by common consent the distance is reckoned from the Observatory of Greenwich, England. The whole circumference of the earth is reckoned as 360 degrees, the one hundred and eightieth degree, half way round, being exactly on the opposite side from Greenwich. So that when we speak of a place being 75 degrees west we mean 75 degrees from Greenwich, and 75 degrees west is 75 degrees west of Greenwich. The point exactly opposite Greenwich on the opposite side of the earth, therefore, is 180 degrees east and also 180 degrees west.

Now this point, or meridian, is where, by universal consent, the day changes, and it is called the International date line. Let us see how the change is made and note some of the curious conditions that this change gives rise to. Suppose two ships were sailing toward that line, one sailing eastward and the other westward. The ship sailing toward the west the day is Monday. Suppose, therefore, that if it were to check in the morning, and at that hour both ships stop, one east of the line, the other west of it, but within a short distance of each other. It is now Monday in the morning, remember, as indicated by the sun, but on one ship it is Sunday, on the other it is Monday, for the day of the week, and the day of the month both change at that line.

Then the ships sail on, and the instant they cross the line the one going east changes the day from Sunday to Monday, and the one going west changes the day from Monday to Sunday, so that the first ship gains a whole day and the last ship loses one.
