MANAGER J. B. WALLACE PARE WELLS.

Last Saturday to Assume the Management of the New Merchants Bank at Oak Lake, Man.

TENDERED A BANQUET ON MONDAY EVENING.

On the 25th January, last, when the Merchants' Bank opened a branch in Action, Mr. J. B. Wallace was selected as its first manager. Having had a lengthened experience in banking in city and in country, as well as in the head office of the Merchants' Bank of Canada, Mr. Wallace was possessed of qualifications eminently fitted for establishing a new banking business. From the outset successfully attended his efforts and each succeeding visit of the bank's inspection proved more conclusively the wisdom of the executive board in choosing Action as the location for one of its branches and Mr. Wallace as the manager.

The business having "been" firmly established here and put on a permanent and profitable basis, the authorities naturally turned again to Mr. Wallace when opening another new branch. Last week he was transferred to Oak Lake, Man., where a branch has just been opened. Oak Lake is a prairie town in southern Manitoba, south-west from Brandon, and is one of the rich wheat sections of that district of the great west.

During his residence of nearly three years in Action Mr. Wallace proved himself very useful citizen, a favorite in social and musical circles, and especially with those who enjoy healthful outdoor sports. An unusual ability characterized him for he was equally at home in conducting the Sunday services of St. Albans' Church, as a lay reader during the services of the pastor, as in captaining a cricket match or a football game.

The annual meeting of the Board of Directors was held on Tuesday evening of this week when he had charge of the combined choir at the annual meeting of Action Branch Bible Society, whose efforts contributed so much to the interest of the service.

All matters of interest to the town had his consideration and support. Business men and citizens generally regret his departure from our midst.

In connection with Mr. Wallace's removal a most enjoyable event was consummated on Monday evening when a complimentary banquet was tendered at the Dominion Hotel. The affair was given under the auspices of the local Masonic brethren and the members of the Golf Club, and was served in the well known exclusive style for which the Dominion Hotel is celebrated.

Mr. A. J. MacKinnon made an excellent chairman and some thirty-six of the leading men of the town were seated around the festive board.

After the toast of the King was duly proposed the toast to the health and future prosperity of the guests of the evening was proposed in a few well-known words by Mr. W. Stark and was honored with great enthusiasm.

Nearly every one present spoke to the toast and expressed his universal regard for all at Mr. Wallace's departure, and paid tribute to his sterling worth and integrity and to the respect in which he is held by all who know him.

The withdrawal of the election presented the cross petition in connection with the recent election in this City to the Local Legislature is favorably regarded by electors generally.

Mr. Dalton has had a host of protests in his constituency and they have seldom resulted other than the satisfaction of the politicians responsible for them, or to any advantage to the County. Dalton is well rid of the protest and cross petition at the present time. Citizens generally of the county will be the better friends and neighbors because of the withdrawal.

The ladies of Action Branch of the W. C. T. U. have good reason to feel that their influence and labor has been of value to the community in many ways at least. The systematic and active manner in which they conducted the campaign against the proposed licensing of a billiard room in town, was most worthy the cause they espouse. Their services will again be in requisition during the referendum campaign and it is sincerely believed that similarly satisfactory results will crown their efforts in connection with this wider and even more important question.

The aggregate of Canada's foreign trade is several million dollars in advance of last year. For the three months of the present fiscal year ending September 30th, the aggregate trade of Canada with all countries for export and imports of all kinds amounted to \$112,491,556, an increase of 75,750,000 over the same period of last year. The imports for consumption totalled \$20,011,340, being an increase of \$3,887,227. Dutiable goods show a gain of \$10,011,147, while imports of free goods slightly declined. Exports of domestic produce reached a total of 57,463,855, being an increase of \$7,350,588, over the corresponding period of 1901.

NASSAGAWEYA. Miss Annie McMillen has been very ill the past week with appendicitis at the home of her sister, Mrs. Scott, Milton.

The Kelkay—Kelman—gave one of their popular concerts in Elginian church on the evening of the 8th inst. It was much enjoyed by a fair sized audience.

The friends there will regret to learn that Mrs. Dr. Scanlan, of Jarvis, has been seriously ill for several weeks in the General Hospital, Hamilton. Two serious operations have been performed to give her relief.

The anniversary services of St. David's Church, Campbellville, were held last Sunday. A few special services were presented by Rev. Mr. McVicar, of Peterborough. A concert and entertainment was held on the following evening, when addresses were given, and music was furnished by the Carey Family, of Carlisle, with Miss Pitt Green, accompanist.

ACTION BRANCH BIBLE SOCIETY.

The Annual Meeting on Tuesday Evening Both Intermissions and Successive.

The annual meeting of the Action Branch Bible Society was held in the Presbyterian church on Tuesday evening. The exercises were opened by the singing of the hymn, "All Hall the Power of Jesus Name", the reading of Psalm XIX; and prayer.

The President, Mr. A. T. Mann, having briefly addressed the meeting, called upon Mr. A. T. Brown, Rev. Treves, of the branch, who gave a very succinct account of the work accomplished during the past year.

The financial showing was gratifying, the amount raised by subscriptions and collections being \$60,002.

Mr. Brown then gave a report of the annual meeting which nominated the officers following:

President—Almon Warden.
Vice-Pres.—Wm. Brown.
Secy-Treas.—A. T. Brown.

Executive—A. T. Mann, Jim Warren, Mr. John Cameron, H. P. Moore, H. B. Warden, James McIntosh, J. L. Warren, John Robertson, J. S. Colgate, Jim A. Henderson, W. J. Humphries, Wm. Colman, Fred Eastwood, Gen. Soper, J. B. Wallace, H. Gibbons, Robert Wallace, Robert Kildair, Alex' McDonald, and the resident and local pastors of the district.

A list of names of collectors for the annual year was embraced in Mr. Brown's report, and upon motion the whole was adopted.

Interesting address upon various phases of the Bible and the Biblical word were then given by Revs. W. S. McAlpin, H. A. J. Godden, Mr. Smith, H. D., and H. A. Macpherson.

The special club under the capable leadership of Mr. J. B. Wallace, contributed greatly to the interest of the occasion. The attendance was fair and the hope is entertained that when the collectors shall have supplied their very important part there will be a financial showing which will fully sustain the very good reputation already earned by the Action Branch.

Attention was called by the secretary to the fact that the meeting was arranged earlier this year than usual as the central society desire to close their books at the end of the civil year, instead of March 31st, as heretofore. Collectors and the public generally are requested to keep in mind this change and govern themselves accordingly.

The President-elect was introduced and gave a brief address. After the unanimous thanks of thanks to speakers and singers the meeting closed with the doxology and benediction.

CREWSONS CORNERS.

A number from here intend taking in Erin fair on Friday.

About 5:30 on Tuesday afternoon the house of Mr. W. Lamb, Int. 21, con. 7, Nassagaweya was burned to the ground. Mr. Denney, who has the place rented, had occasion to be away from home, and it was during his absence the fire occurred. When he arrived home the straw stack was afire and in an incredibly short time the barn was consumed. With the help of his neighbors Mr. Denney succeeded in saving the most of his implements and stock. A new self-binder and some small pigs and hens, with between 300 and 700 bushels of grain, were burned. It was with great difficulty the house was saved as it caught fire several times. The barn was insured in the Halton Mutual for \$1000 and the insurance paid off, but the contractor, Mr. Denney, was the only one left in his loss. The cause of the fire is a mystery as no one was supposed to be about the premises at the time. The circumstances point strongly to incendiarism.

The Board then adjourned.

END OF COAL STRIKE IN VIEW.

Proposal that Miners Return to Work and Differences Be Settled by Board of Arbitrators.

PRESIDENT MITCHELL'S ANSWER AWAITED.

On Tuesday the reports indicated that the strike was virtually over and that the men would return to work once. At present the indications are not hopeful for an immediate ending of the great strike, but it is generally believed that the end is in sight.

The latest proposition that President Roosevelt appoint a board of arbitration to settle the differences between the strikers and the operators, has been accepted by the latter, but President Mitchell of the United Mine Workers is yet reticent about acceptance.

READY FOR THE REFERENDUM.

The temperance and liquor forces preparing for the Referendum.

The temperance and liquor forces of Ontario are getting in readiness for the great struggle which will come to an end on Dec. 4th. The Prohibitionists have now over two-thirds of the province organized, while the liquor men have raised large sums to prevent the Prohibitory Liquor Bill from going into effect. What the outcome of the struggle will be no one can predict with certainty, but both sides are anxious to the result.

If a man be true, his friends and lovers will see to his dignity.

That character is power is true in a much higher sense than that knowledge is power.

SONGS BY DR. D. M. HENDERSON.

A prohibition meeting is to be held in the Methodist church here next Monday evening when several prominent prohibition workers are expected to address the meeting.

Mr. Wallace was successful in capturing first prize at Rockwood above last week.

Rev. Mr. Smith, H. D., of Action, delivered an excellent sermon to a large congregation here on Sunday. The duty of Mr. Smith and Mr. J. T. Cameron was much enjoyed by all.

A prohibition meeting is to be held in the Golf Club with the operators present, terminated with a large sum to prevent the Prohibitory Liquor Bill from going into effect. What the outcome of the struggle will be no one can predict with certainty, but both sides are anxious to the result.

If a man be true, his friends and lovers will see to his dignity.

That character is power is true in a much higher sense than that knowledge is power.

LIMELIGHT.

Miss John Moore and Mrs. Kanavikoff, friends in Berlin this week.

The well-known Homeless Home stand near here is offered for sale.

Mr. McCrory Somerville is the administrator.

The home of Mr. H. Derby was the scene of a happy event last Wednesday when their second daughter Maggie was married in marriage to Mr. Wm. Mino, oldest son of Mr. Geo. Mino, of the 6th floor. The many friends of the bride and groom unite in wishing them a long and prosperous life.

Miss H. Lindsay, of Guelph, has been spending a few days at Mr. John Lindsay's.

Mr. John Moore and Mrs. Kanavikoff have returned home from a two weeks trip to London, Ohio.

Mr. D. McDonald is doing a large trade in wall paper this fall.

He is giving 20 per cent. discount.

Washing and apple picking are the order of the day.

The only happiness a busy man ever troubled himself with picking much about was happiness enough to get his work done.

THE FREE LIBRARY BOARD.

Recommends a Public Meeting to Discuss the Providing of Literary and Other Privileges for Our Young People.

THE READING ROOM PROJECT INADEQUATE.

The Free Library Board met last Friday evening at the call of the Chairman.

Members present: John Cameron, Chairman; H. P. Moore, Secretary; A. J. MacKinnon and Rev. A. E. Smith, H. D.

The Librarian's report for the past two months were presented as follows:

	AVG. SAVG.
Books Issued.....	100 100
Binders.....	237 222

Prints, etc.....	15 10
	3 7 \$1.15

Moved by A. J. MacKinnon, seconded by A. E. Smith, that the report of the Librarian be accepted.

A communication was read from the Librarian requesting that the Book Committee make their annual selection of books for addition to the library as soon as possible.

The grain exhibits were not much changed from previous years, but the root classes there were some heavy weight classes—in one case, six of them weighed 120 lbs.; one Grey-tailor weighed 39 lbs.

In vegetables, carrots were a large show.

A splendid show was made in flowers, but in fine arts the show was fair.

In cattle there was a fine showing of Durham calves, three-in-hand, two-in-hand, and six-in-hand, all sizes, making 30 in all. All through the afternoon the horse ring was a cockpit of all its bearings.

It was felt that while a reading room would be appreciated by some of those whom it was desired to benefit, there would be large numbers of young people in town who would not be reached by this means.

It was decided that a public meeting of citizens be held to discuss the advisability of the Board of Trade to recommend the following resolution was therefore passed:

Moved by A. J. MacKinnon, seconded by A. E. Smith, that the Free Library Board, having given very careful consideration to the feasibility of opening and maintaining a reading room in the town, beg to report as follows:

There were no more pleased men to be found anywhere to Wednesday evening than President Gray and Secretary John Cameron.

A MOTHER'S PRAISE.

FOR THE MEDICINE THAT RESTORED HER DAUGHTER'S HEALTH.

She Had Suffered from Severe Headaches, Vomiting, and Extreme Nausea, and Fainted Frequently.

Would not Regain Her Strength.

Every prudent mother will watch carefully the health of her young daughter at the time when it is growing from a plump, robust, healthy infant to a young girl in her prime.

It is then that she becomes pale, easily tired and troubled with headaches, without apparent cause. The blood becomes thin and watery, and unless prompt steps are taken to restore it to its rich, red, health-giving condition, decline and perhaps consumption will follow. Dr. William's Pink Pills have cured more than a thousand cases of this disease.

Dr. William's Pink Pills make rich, red blood and give new strength to every tissue. They cure anaemia, headache, heart palpitation, dizziness and bring the glow of health to pale and sallow cheeks. These pills are also a certain cure for the ailments that make the lives of so many women a burden. Be sure you get the genuine with the full name "Dr. William's Pink Pill for Pale People," on the wrapper around every box. Sold by all medical dealers or sent post paid at 50c. per box or six boxes for \$2.50, by addressing the Dr. William's Medicine Co., Brockville, Ont.

A bachelor knows about three times as much as a spider thinks he does. A pink tea is one of the things that makes a married man paint things red.

If a man be true, his friends and lovers will see to his dignity.

That character is power is true in a much higher sense than that knowledge is power.
