Long Hair

"About a year ago my hair was coming out very fast, so I bought a bottle of Ayer's Hair Vigor. It stopped the falling and made my hair grow very rapidly, until now it is 45 inches in length."—Mrs. A. Boydston, Atchison, Kans.

There's another hunger than that of the stomach. Hair hunger, for instance. Hungry hair needs food, needs hair vigor—*Ayer's*. This is why we say that Ayer's Hair Vigor always restores color, and makes the hair grow long and heavy. $1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

HAIL THE DIVINE REDEEMER.

Awake, ye nations of the earth,
Hail the divine Redeemer;
Behold the herald of his birth,
Shines in the eastern sky.
Beautiful, beautiful, holy light,
Ever upon us shine,
Telling the advent of the Christ divine

Chant's—
His praise we sing
On this happy, holy morning.
Our hearts we bring
At the Saviour's feet to lay;
Our glad voices ring
Our off'rings we bring
To Jesus, our King,
This Christmas Day.

Awake, ye islands of the sea,
Hail the divine Redeemer;
He comes to set His people free,
Free from the pow'r of sin.
Wonderful, Counsellor, Prince of Peace,
Jesus, the King of kings;
Peace unto all mankind his coming brings.

Awake, O heart, and take him in,
Welcome the dear Redeemer;
O let his work of love begin
This happy Christmas Day.
He who was born in a manger low,
Leaving his heav'nly throne,
Claims ev'ry loving heart to be his own.

A RICH MAN.

One of Thoreau's quaint sayings was: "A man is rich in proportion to the number of things he can afford to let alone." On this basis there surely never were such opportunities for wealth as at the present time, when we are surrounded by beautiful, attractive and tempting objects which are freely bought and used by our neighbors and acquaintances. To be able to resist temptations to buy things which we are just as well off without, and to indulge in amusements and recreations which are not for our physical or moral well-being; to be able to limit ourselves in regard to creditable indulgences—these are evidences of a strong character. One of the first and most important lessons which the mother of to-day must teach her child is to let things alone. When the baby has learned to admire the pretty flowers without picking them, to see candy, fruit, or other things which he knows "taste good" without putting them in his mouth; when the child has learned not to do things simply because "the other boys and girls" do them—then he can be trusted to go out into the world alone, for he can resist temptation. When such a boy grows to manhood his wants will be so few, his desires will be so well under control, that he will indeed be what Thoreau would call "a very rich man."—The Congregationalist.

VALUABLE COLLECTIONS.

The daily Lancet tells the following story of unfailing remedies for colds all of them infallible:

"Uncle Allen," asked the caller, "do you know of anything that's good for a cold?"

Uncle Allen Sparks opened his desk took from one of the pigeonholes a large number of newspaper clippings tied with a string, and threw it into the caller's lap.

"Do I know of anything that is good for a cold?" he echoed. "My young friend, I know of six hundred and twenty-seven infallible ways of curing a cold. I've been collecting them for forty-nine years. You try these, one after the other, and if they don't do you any good, come back and I'll give you one hundred and sixteen more. Bless me," added Uncle Allen, with enthusiasm, "you can always cure a cold if you go at it right."

He dug up a bundle of yellow time-stained clippings out of another pigeonhole, and the visitor quickly coughed himself out.

Ha—Do you think my mustache becoming?

She (meditatively)—Well, it may be coming; but it hasn't come yet.

YOUR FOOTSTEPS

By the depth of his footstep in the earth the Indians tell the weight of a man. Do you tread shallow or deep? Perhaps you would like to weigh more? If you are below weight and find that ordinary food does not build you up try Scott's Emulsion.

It is not a drug but a food that time has shown to have a real value in such cases as yours.

We'll send you a little to try, if you like.

WHAT PUZZLED MARGERY.

This is Margery's first year in [illegible] greatly interested in [illegible] that occurs. One morning [illegible] came home at noon greatly excited. "O, mamma," she said, "what do you think? Our teacher stopped [illegible] in the middle of a sum to-day and asked me how many turnips there were in a bushel. We just didn't understand what that had to do with our music."

Mamma could not understand it either, and the more positive Margery grew about the matter, the more her mamma felt she must be mistaken. Finally, to satisfy her own mind, one morning when she met the teacher, Margery's mamma asked her what she meant by asking the children how many turnips there were in a bushel during a music lesson.

The teacher, too, was just as puzzled as Margery had been. Why, surely I didn't ask such a question as that," she said. Then, after thinking a moment, she exclaimed, laughing—"Why, I asked how many beats there were in a measure!"

Margery's bright mind had done the rest.

Unimpeachable.

If you were to see the unequalled volume of unimpeachable testimony in favor of Hood's Sarsaparilla, you would uphold yourself for so long delaying to take this effective alterative and tonic medicine for that blood disease from which you are suffering.

It eradicates scrofula and all other humors and cures all their inward and outward effects.

Take Hood's.

One should seek for others the happiness one desires for oneself.—Buddhist.

Corns, Warts, Bunions

Removed for all time and without pain, by applying Putnam's Corn and Wart Extractor. Contains no acids, never burns, always cures promptly and effectually. Use only Putnam's.

Some fine examples of still life are said to exist in the mountains of Kentucky, but they are hard to find.

Destroys Worms.

Mrs. John Lowe, New Germany, N. S., writes: "I have given Dr. Low's Worm Syrup to my children with excellent results. They are fond of taking it and it acts perfectly, requiring no cathartic afterwards."

The man who pays his rent must hustle, and the man who doesn't pay is obliged to keep moving.

A Surprising Discovery.

You will be surprised in trying Catarrhozone to find how quickly it cures cold in the head. The agreeable, penetrating vapor traverses every air cell and passage of the nose, throat and lungs. In one breath it carries instant death to the millions of germs infesting the respiratory organs and breaks up a cold in ten minutes.

A trial will convince you that Catarrhozone is the most potent, satisfactory and pleasant cure for colds, catarrh, deafness, bronchitis, asthma and lung trouble. Complete outfit $1.00; small size 25c. Sold by A. T. Brown.

Some men are pleasant to talk to, but disagreeable to listen to.

Nerve Wrecked and Insomnious.

Everything goes wrong, head feels heavy and dull, mind is filled with strange forebodings, stomach is out of kilter. You need a good tonic like Ferrozone to bring your lost appetite and digestion, and cleanse the blood of all impurities. Ferrozone is a wonderful invigorant and strengthener that will banish gloomy depression and quickly restore you to a healthy, vigorous condition of mind and body. Nothing is so good for the sick, weary and debilitated as Ferrozone. Price 50 cents per box. Sold by A. T. Brown.

It takes pluck to acquire fruit from your neighbor's tree.

Chilblains.

Mrs. J. B. Rusk, Ruskview, Ont., says: "I have used Hagyard's Yellow Oil for chilblains and found it most effectual. It relieved the irritation almost immediately and a few applications made a complete cure."

That is the happiest conversation where there is no competition, no vanity, but only a calm, quiet interchange of sentiment.

Agitation in the world of homeopathic medicine has been its very soul of progress as in politics and religion—the difficulties of opinion and of men—have been present to the disagreements of which the standard of these bodies have been elevated. So with some of our famous preparations—foremost stands the world famous remedy to general debility and languor, "Quinine Wine"—and, which, when obtained in its genuine strength is a miraculous creation of appetite, vitality and stimulant to the natural fertility of the system. Quinine Wine and its improvement have been from the first discovery of the great virtues of Quinine as a medicinal agent been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and natural life-giving stimulants which the medical profession have been compelled to recognize and prescribe. Messrs. Northrup & Lyman, of *Toronto*, have given the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all defects which skilful observation and scientific opinion has pointed out in the past.

To Those of Sedentary Occupation.—Men who follow sedentary occupations, which deprive them of fresh air and exercise, are more prone to disorders of the liver and kidneys than those who lead active, outdoor lives. The former will find in Parmelee's Vegetable Pills a restorative without question the most efficacious on the market. They are easily procurable, easily taken, act expeditiously, and they are surprisingly cheap considering their excellence.

REJOICE

Silent was the starry night,
All nature lay at rest,
Hushed were all the sounds of strife,
And peaceful, on the plain,
Shepherds watched their sleeping flocks,
And heard the Angels sing,
"Christ is born, Christ is born,
Jesus has come to reign."

Chorus.

Rejoice! The wonderful story tell;
Rejoice! He comes, Immanuel
Rejoice! O sing the glad song again,
Christ is born, Christ is born,
Jesus has come to reign.

Glory be to God on high,
And peace on earth to men;
Thus the holy angels sang,
And earth took up the strain,
O'er the hills and vales it rolled,
Led by celestial choirs,
"Christ is born, Christ is born,
Jesus has come to reign."

"Unto you a Child is born,
To you a son is giv'n;"
Onward rolled the wondrous news
And, calming grief and pain,
Filled with joy the hearts of all
Who heard the joyful sound,
"Christ is born, Christ is born,
Jesus has come to reign."

Angel harps no longer ring
As on that Christmas morn,
Neither shall the ear of man
E'er hear the song again;
Still the truth shall live forever
In the hearts of all,
"Christ is born, Christ is born,
Jesus has come to reign.

WANTED.

We would like to ask, through the columns of your paper, if there is any person who has used Green's August Flower for the cure of indigestion, dyspepsia, and liver troubles that has not been cured—and we also mean their results, such as sour stomach, fermentation of food, habitual costiveness, nervous dyspepsia, headaches, despondent feelings, sleeplessness—in fact, any trouble connected with the tomach or liver? This medicine has been sold for many years in all civilized countries, and we wish to correspond with you and send you one of our books free of cost. If you never tried August Flower, try one bottle first. We have never known of its failing. If so, something more serious is the matter with you. Sold by Wm. Erskine.

The covetous person lives as if the world were made altogether for him, and not he for the world; to take in everything and part with nothing.

Since time is not a person we can overtake when he is gone, let us honor him with mirth and cheerfulness of heart while he is passing.

DR. WOOD'S

NORWAY PINE SYRUP

Stops the irritating cough, loosens the phlegm, soothes the inflamed tissues of the lungs and bronchial tubes, and produces a quick and permanent cure in all cases of Coughs, Colds, Bronchitis, Asthma, Hoarseness, Sore Throat and the first stages of Consumption.

Mrs. Norma Swanston, Cargill, Ont., writes: "I take great pleasure in recommending Dr. Wood's Norway Pine Syrup. I had a very bad cold, could not sleep at night for the coughing and had pains in my chest and lungs. I only used half a bottle of Dr. Wood's Norway Pine Syrup and was perfectly well again."

Price 25 cents a bottle.

An ostentatious man will rather relate a blunder or an absurdity he has committed, than be debarred from talking of his own dear person.

It is Known Everywhere. There is not a city, town or hamlet in Canada where Dr. Thomas' Eclectric Oil is not known—wherever introduced it made a foothold for itself and maintained it. Some merchants may suggest some other remedy as equally beneficial. Such recommendations should be received with doubt. There is only one Eclectric Oil and that is Dr. Thomas'. Take nothing else.

I am convinced that it is by his personal conduct that any man of ordinary power will do the greatest amount of good that is in him to do.

CHANGE OF LIFE.

Some sensible advice to women passing through this trying period.

The painful and annoying symptoms experienced by most women at this period of life are easily overcome by Lydia E. Pinkham's Vegetable Compound. It is especially designed to meet the needs of woman's system at the trying time of change of life.

It is no exaggeration to state that Mrs. Pinkham has over 5000 letters like the following proving the great value of her medicine at such times.

"I wish to thank Mrs. Pinkham for what her medicine has done for me. My trouble was change of life. Four years ago my health began to fail, my head began to grow dizzy, my eyes pained me, and at times it seemed as if my back would fall me, had terrible pains across the kidneys. Hot flashes were very frequent and trying. A friend advised me to try Lydia E. Pinkham's Vegetable Compound. I have taken six bottles of it and am to-day free from those troubles. I cannot speak in high enough terms of the medicine. I recommend it to all and wish every suffering woman would give it a trial."—BELLA ROSS, 88 Montclair Ave., Roxbindale, Mass.—*$5000 forfeit if original of above letter proving genuineness cannot be produced.*

Give me the liberty to know, to utter, and to argue freely according to conscience, above all liberties.

Severe colds are easily cured by the use of Bickle's Anti-Consumptive Syrup, a medicine of extraordinary penetrating and healing properties. It is acknowledged by those who have used it as being the best medicine sold for coughs, colds, inflammation of the lungs, and all affections of the throat and chest. Its agreeableness to the taste makes it a favorite with ladies and children.

Were we eloquent as angels, yet we should please some people more by listening than by talking.

AMERICAN MONTHLY REVIEW OF REVIEWS

How Can I Keep Up with the Times?

IT is pretty hard to keep well informed on the political news, the scientific news, the literary news, the educational movements, the great business developments, the hundreds of interesting and valuable articles in the hundreds of excellent magazines. About the only way it can be done by the average busy man and woman is to read a magazine like "The Review of Reviews," and, as it is the only magazine of the sort, it is a good thing to send $2.50 for a year's subscription.

PRESIDENT ROOSEVELT says:
"I know that through its columns views have been presented to me that I could not otherwise have had access to; because all earnest and thoughtful men, no matter how widely their ideas diverge, are given free utterance in its columns."
