**HENDERSON VS. SWACKHAMER**  
For the Township and Five Candidates for Council.

**TRUSTEES ELECTED BY ACCLAMATION**  
The interest of the voters in the election of trustees for the township was very high on Monday night. The number of voters who attended the annual meeting, it is estimated, was about 100. The election was held at the town hall at 8 o'clock.

**EDITORIAL NOTES**  
Mr. A. H. FOSTER, of the Oakville Star, is a candidate for County Councillor. Mr. Foster has had considerable experience in municipal matters and was for a number of years a member of Oakville Town Council.

Georgetown is likely to have a real live up-to-date editor for its Review next year. Mr. R. D. Warren, at the solicitation of a large number of leading citizens, has offered to be put in nomination, and there is every reason to believe he will be elected. Mr. Warren has attended the meetings of the Council for many years in his capacity as journalist, and he has qualified himself to be put in nomination for the position to which he aspires.

The municipal contest this year will center about the Reveship. There are, it is true, five candidates for four seats at the Council, but the interest will be focused upon the chair of the Chief Magistrate. Councillors Henderson and Swackhamer are the contestants. Both are worthy citizens and have already given willing and valued services to the Municipality. Councillor Henderson has, however, considerable experience over his opponent in longer term service; more intimate acquaintance with details of municipal business, and being his own master his time is his own to spend as he pleases. It is generally believed that the contest will be a close one.

As announced last week this division County Council District No. 4 has a triangular contest at present in progress. It is alleged that two years ago County Councillor Hutchison agreed if Nissagaweya would work to insure his election, then he would resign at the end of the term, but he allowed himself to be again re-elected last week, and his old time friend, Mr. A. McMillan is out as an opponent. It is believed that Nissagaweya is making an effort to elect both the candidate resident in that township. Acton has always had the very kindest relations with Nissagaweya, but one citizen feels that there is a possibility of having too much township representation in the County Council. It would indeed be rather anomalous to have two County Councillors from Nissagaweya for this district and none from either the county town or the county's chief manufacturing town. Councillor Peacock, of Milton, has rendered excellent service the past two years. His knowledge of municipal matters in the County Council as they affect the township is of much value and because of this it will be to Acton's best interest to put forth strong efforts to re-elect him next Monday.

**FRIGHTFUL RAILWAY ACCIDENT.**  
At Wandsworth, New London, the Night After Christmas.

**25 PASSENGERS KILLED; 25 WOUNDED.**

LONDON, Dec. 27.—An appalling wreck occurred at 10.10 last night at Wandsworth, a station on the South London line of the G. T. Y. 29 miles west of London. It was a head-on collision between the Pacific express, No. 20, and an east-bound freight. The express was proceeding west at its usual high rate of speed; the freight was under slow headway, and was to have taken the switch at Wandsworth pass. Apparently neither engineer saw the danger ahead in time to avert the accident, for the two engines came together near the west switch with a frightful crash, overturning into the ditch. The baggage and express cars dived into the water, with appalling results. The wreck was complete and it is thought that hardly a passenger in the mangled express survived on the track.

As a result the accident occurred, word was sent to London, and several were seen on the scene. The work of removing the dead and injured was soon proceeded with. Twenty-eight were dead and thirty-two wounded were taken out of the wreckage. An apparent error is supposed to have been the cause of the terrible disaster, which brought desolation and sorrow to many homes after a very merry Christmas.

**LITHEHOUSE**  
Mr. Bert Moore, of Toronto, was known to spend Xmas with his parents. Dr. Lindsay, Miss T. Lindsay and Miss E. Lindsay, of Guelph, spent Xmas with their brother, Mr. J. Lindsay. Dr. and Mrs. Sutherland and son, of St. Catharines, are visiting at Mr. J. Lindsay's. Mrs. Archie Hearty, of Heathcote, is home to spend a few months with her mother after an absence of three years. Mr. Douglas Kennedy, of Dryden, is visiting at Mrs. Alex. Kennedy's. Miss Ethel Lewis, of Toronto, is home for her holidays. Mr. and Mrs. Arthur, of Toronto, spent Xmas at Mrs. J. Sharp's. Mr. and Mrs. Gray and children, of Hamilton, are visiting at Mr. J. W. Whalley's.

**BREWERS' CORNER**  
The members of the Methodist Sunday School presented each of their pupils with a Christmas gift on Sunday after the close of the school. This has been the most successful year that the school has ever known.

**A DELIGHTFUL ENTERTAINMENT**  
Given on Christmas Night by the Methodist Sunday School.  
THEIR WAS AN IMMENSE AUDIENCE.  
For many years the Methodist Sunday School has provided special entertainment for its friends and citizens and has had generally no Christmas night. The programme, including the cantata, "The Holy Nativity" and the fancy flag drill, last Thursday evening was in every respect enjoyable and well worthy of the undiminished applause which continued throughout the evening.
