BRIEF LOCAL TEMS.

The Lenten season begins on February 21.

Have you forgotten your good resolutions yet?

Hanckock back is now coming in rapidly for the coal strike.

The price of coal still stands \$12 and we are paying it by the dollar this week.

Action Jockey had a race from a match on at Georgetown this evening.

The twelve dollar coal burns just as quickly as the old-fashioned \$3.50 brand.

The weather moderated yesterday from the zero variety of Monday and Tuesday.

Mr. Bell is now getting in a stock of logs for his saw mill here for next season's cutting.

The Brodie Woolen Mill, at St. Jacobs have closed down 'towing to want of capital.'

You are invited to spend this evening at Churchill's at the Congressional tea-meeting.

The Board of Education will meet for organizational purposes on Wednesday evening at 8 o'clock.

Some people are keeping hot, but whether by coal, and others by way they don't get it.

Mondays big blow after Sunday's inch fall of snow drifted the roads very badly in many places.

Rev. A. E. Smith, B. D., will preach a special sermon next Sunday morning on "Christian Giving."

The snow was removed from the sidewalks on Monday after the big storm with very general satisfaction.

The banana peel is supposed to be slippery but it takes second place when compared to the gravelly pavements in winter time.

Thomas Dawson, a Scotch toller, hailing from Dundas, was sent to the county goal last Friday by H. P. Moore, J. P., charged with vagrancy.

Mr. Ed. Cook entertained the members of the Royal Yacht Club of Toronto at his home on Monday evening.

A veritable old style snowstorm, such as our grandfathers talk about, visited Ontario Sunday and Monday on its way northward. Seven or eight inches of snow fell.

Frozen steam pipes at the Public School caused the closing of the High School Dept. Monday forenoon. A half hour's supervision of the steam fittings sufficed to right matters.

An afternoon Homecraft by will sell public auction in the store opposite Knox Church on Friday, 2nd January, a quantity of furniture, carpenter tools, etc. Sale at 8 p.m.

WINTER ORDERS FOR SPRING DELIVERY.

J. H. Hamilton's Electrical Manufacturing Works at Guelph are now taking orders for Granite and Marsh Monuments to be set up this spring, at reduced prices. With the splendid new electric and pneumatic machinery this establishment is able to execute far more and better work than have hitherto, and in order to keep the machinery running steadily—very low prices are being given for work ordered now. Call at the works or drop a card to J. H. Hamilton Guelph.

STOP THE COUGH AND WORKS OFF THE COLD.

Positive Remedy Quinine Tablets cure a cold one day. No nausea nor per. Price 25c.

NEWS OF LOCAL IMPORT.

Coal as a Medicine. Mr. Agnew's certificate is now required by the local coal dealers of Toledo, Ohio. Before they will sell even a ton of coal, it must show illness in the home of the would-be purchaser, and that coal is necessary as a safeguard for the patient.

Mr. Dayhoff's School Remembered.

Mr. Percy Seely, of Buffalo, N. Y., has kindly forwarded to the Board of Education a fac simile copy of the Magna Charta. The Board has instructed the Secretary to acknowledge Mr. Seely's timely and much appreciated gift. This magnificent historical document will be suitably framed and will occupy a place of honor on the wall of the school where thirty years ago Mr. Seely spent many glorious days of his boyhood.

Small Post Explains Its Gait.

Reliable information from Galt is to the effect that the smallpox is making such headway as to cause the citizens much alarm. In many cases parties from houses infected, were out and about until yesterday, when thirty-two special constables were appointed to guard each house known to contain victims. In some of these houses there are as many as five cases, so that it is thought there will be from 80 to 100 cases in the town—Guelph Herald.

No Mention of Rioting.

In an unaccountable manner, the report has evolved evidence that Rev. Mr. McAlpin was about to resign the pastorate of the Baptist church. Upon inquiry, we find that the report has no foundation in fact, as whatever inducements may have been offered by other churches, Mr. McAlpin has no present intention of accepting them, a statement which will be received with much satisfaction by his congregation here at Acton.—George, town Herald.

Farmers' Buy From Local Drapers.

A couple of slick fellows have been swindling the farmers in Huron County. By paying a few dollars down for live stock at a good price, they get the unsuspecting farmer to sign agreement to deliver the said article and receive the balance of the big pay. A note is placed surreptitiously underneath the innocent looking paper and the signature appears on both paper and note. They call themselves The Indian Cattle Co. Upward of a thousand dollars worth of notes thus secured from farmers are due on the 10th Inst., at a Kitchard bank. Sell your stock to local drapers. They will give you the highest market price and you run no risks.

Baptist S. S. Entertainment.

The annual entertainment of the Baptist Sunday School will be held Sunday evening, Jan. 18th, and company of parents and friends came to hear the scholars give their songs and recitations. The programme was a gratifying success throughout, the children doing their parts well. A feature which was pleasing to all was the phonograph managed by Mr. Joe Harley, of Georgetown. The superintendent, Mr. A. A. Ward, presided. After the programme was finished the children received their accustomed treat of candies and oranges from the teachers and officers. Rev. Mr. McAlpin, the benedictor, said, "The proceeds of the evening amounted to about \$35.

IVANHOE CAMP MAKES MERRY.

A Banquet Tendered the Sons of Scotland by Mrs. and Mrs. Agnew.

On Friday evening last Ivanhoe Camp, Sons of Scotland, Arton, held their meeting for the installation of officers. After this had been done a surprise was in store, when the Camp was invited to attend the guest of honour, Robert Agnew, at the Diamond Hotel, and enjoy the hospitality. A splendid repast had been prepared with all the delicacies of the season, including the "Imperial Roast," so celebrated in Scottish song and story.

Mr. D. Henderson, M. P., occupied the chair and when full justice had been done to the excellent viands provided, took up a short toast list. The King was duly proposed and "Honoured Canada, Our Country responded by W. A. McLennan, of Guelph. Our Town by Rev. Swarckher. Ivanhoe Camp was suitably replied to by Rev. McNaught and Lasley. Among the band of friends were Mr. and Mrs. Agnew.

Mr. Agnew's name is well known.

He is a well-known, considerable

gentleman and learned speaker on the art of haggis making. One of the speakers declared that he had not fasted longer for fifty years, but doing justice to the one before him he would not do so again. This important toast was left in the hands of A. J. McMinn to respond to and received full posture.

The last toast was our Host and Husband, who was most cordially received. The merits of the gentle couple who have so long and successfully attended the wants of the travelling public were duly portrayed. Although Mrs. Agnew's knowledge of cooking was known to be unequalled in the community, her skill in the art of haggis making.

Rev. Hugh A. Macpherson recently elected to the position of Chief of Ivanhoe Camp, responded on behalf of the host and his wife.

Ivanhoe Camp has a large membership and has been a successful Camp, but under the present enthusiastic and popular chief it is expected will further increase its usefulness and prosperity.

ASHBROOK.

Messrs. Henry Leslie and E. F. Nixon are attending a course of lectures at the G. A. C.

Miss Ida Cantelon spent last week with friends in the Ovane.

A number from here are taking timber from Mr. Reid's on the bass line.

The Sunday School entertainment held on Wednesday evening, Jan. 7th, was a great success. An excellent programme was rendered by a quartet from Toronto. Miss Barnes gave two recitations in her usual manner. A number of pupils of the school rendered recitations and dialogues. During the evening Mr. Bamden gave several selections from his gramophone, which were much enjoyed.

After the programme for visitors served abundance of sandwiches and pies of all kinds. The proceeds of the evening amounted to about \$35.

NASSAGAWAYA.

A very enjoyable concert was given in the central hall of the G. A. C. on Saturday evening. Mrs. Agnew was for years an adopted resident of this locality. Mrs. John Bennett, nee Mrs. Bennett departed this life at the Bennett House, Georgetown, on New Year's Eve after a long illness. Mrs. Bennett was born in Sligo, Ireland, in the year 1825, and was therefore almost 70 years of age. When not more than six years old she came to Canada with her parents, Mr. and Mrs. Johnston, and settled on the farm now owned by Mr. John Barnes, fifth son. Her marriage to Mr. John Bennett took place about the year 1842. Their family consisted of Robert Bennett, Georgetown; John Bennett, Ormstown; Mrs. W. H. Shortell, Hallinfield, and Mrs. Clark, Guelph. Mrs. Agnew was the oldest, died in infancy. After the death of her husband in 1890 Mrs. Bennett lived alone in Hallinfield, and about 1892 her house was let to her son, Mr. John Bennett, Georgetown, where her weeds have been kindly looked after by those who have learnt to revere her as a kind mother and sincere friend. The funeral service was conducted by Rev. T. G. Wallace, rector of St. George's Church. The pall bearers were of her own choosing, her five grandsons, (the four sons of Mr. W. H. Shortell and Mr. Bennett, Jr.) and a nephew, Mr. John Bennett. The casket was covered with floral offerings, among them handsome designs from the children and grandchildren. A large number of old neighbors from the vicinity of Hallinfield attended the funeral.

A Mother's Care.

Every mother knows the constant care a little child requires, and to the young and inexperienced mother who is caring for her first baby there is no other period in her life more trying. In the little life that are certain to come to all infants and young children, the mother—especially the young and inexperienced mother—scarcely knows what to do. It is to meet emergencies, of this kind that Baby's Own Tablets are offered to mothers. These tablets are absolutely safe, having built the hotel and should constantly be kept in every home where there are young children.

Those persons who cut themselves off from the sun risk the risk of charity toward others which belongs to those who share in the common dangers of life.—Sir Walter Scott.
