

**DEED**

HALL—At his late residence, Kingston, on Sunday, Feb. 10, 1903, he died at the age of 78 years.

**EDITORIAL NOTES.**

The public accounts for Ontario are now being printed, and report the amount of the province of 1902 as \$20,000,000. The amount of \$15,000,000 was appropriated for the purpose, but the expenses did not exceed \$20,000.

Mr. Macpherson, the Liberal Candidate for the House of Commons in the by-election in Toronto, B. C., was elected by a majority of upwards of 300. Mr. Macpherson is a brother of Rev. H. A. Macpherson, Acton.

Pemler Bolin in an interview in Montreal recently said: "As far as the Manitoba question is concerned, neither at the present nor at any future date will it be reopened."

There are some of the assets of the Dominion Government buildings at Ottawa, \$3,500,000; St. Lawrence canal, \$20,257,500; Wheatland canal, \$25,000,000; International railway, \$28,000,000; Ottawa river works, \$4,833,000.

"Never before in the history of Empire has there been such a large and continuous attack on the Empire itself at the present time. New methods are constantly being brought into play, and the discussion of the best system of fighting the nation has assumed a wide scope."

**Wine and Spirit News.**

Mr. Wilfred Laurier has notified the secretary of the Canadian Manufacturers' Association, at Toronto, last week that the government would receive a delegation from the manufacturers on February the 12th in regard to the tariff. A delegation of over 1,000 persons visited Ottawa on Tuesday in response and made demands for higher protection.

At the meeting of the General Ministerial Association yesterday, Rev. Dr. Clowen gave an address on the corruption in the recent referendum vote. He said that Attorney-General Gillson had refused to take the responsibility for a committee to investigate the charges. He suggested two or three years of open voting as an effort to overcome corruption. He urged the necessity for the appointment of a commission, a view which was endorsed in strong terms by several other speakers.

**GEORGETOWN.**

The Mission "At Home" on Tuesday evening was highly enjoyable affair. Many visitors were present from outside points.

At the meeting of the Official Board of the Methodist Church last week Rev. A. Porter was officially invited to remain a third year.

**MILTON.**

Mr. Sumner-Webb has been appointed assessor, and W. J. Armstrong collector for Milton, J. M. Beattie, and J. W. Bawa have been appointed to the board of health.

A number of the local Musicians attended a concert in Acton on Monday evening and declared they had a delightful time.

The Council is at last waking up to the fact that if Milton is to keep abreast of the times permanent walks must be laid.

Rev. D. W. Snider, a former pastor, will preach anniversary sermons in the Methodist Church here Sunday, Feb. 22, morning and evening. On the following Monday evening Mr. Snider will deliver one of his popular lectures.

**CREWSON'S CORNERS.**

The revival services are well continued this week and are being attended. Mr. D. Dunlop's little daughter Ethel had one of her fingers cut off on Friday afternoon by her hand coming in contact with a stick of wood her mother George was cutting. Dr. McKegon of Acton, dressed the wound and the little girl is now progressing favorably.

I am always pleased to receive news but perhaps sending news to be published must give their name, otherwise they will be confined to the waste-basket. I have during the past week been the recipient of such a letter. I may also say that while news is acceptable it should be pertinent to the community.

Miss A. C. Clement, who has been spending the past month or so at her home here, returned to Galt on Friday.

**NOTHING FOR THE DEPOSITORS.**

The Anderson Bank at Oakville has Absolutely No Assets.

The conclusion of the examination in connection with the failure of the Anderson private bank at Oakville has brought with it the knowledge that there will not be any return to the depositors of the bank. Mr. E. R. C. Clarkson, the liquidator, said yesterday that they would receive nothing of their claims, as there was little hope of assailing the position of the bank. The liquidator, which was expected to be perfectly sound. The statement which will be forwarded to the creditors will show that about \$25,000 was lost in total investment. The meeting on Friday night of the creditors was very quiet and the news was not very startling.

It is about time for some one to be appointed to the necessary for the completion of railway works. The horrible details published about one week, we will be told, to these.

**A MOST SUCCESSFUL EVENT.**

The Fifty-ninth Anniversary of the Methodist Church on Sunday and Monday.

**WAS VERY PROFITABLE AND ENJOYABLE.**

The anniversary services of the Methodist Church last Sunday and Monday were most successful and enjoyable. The services were held in the long history of this church. Sunday was a very busy day, but the course was a grand success. Monday was an ideal winter night and the attendance at the old-fashioned tea-meeting was very large.

Eloquent and helpful sermons were preached morning and evening by Rev. T. Dimpsey, the pastor of North Park Methodist Church, Toronto, which were appreciated by the congregation. The morning sermon was based upon Mark 12: 11, "And Jesus sat over against the treasury, and he and his disciples were casting money into the treasury." An earnest and scriptural presentation of the claims of the treasury to the church, and Christ's attitude toward it, was made. This was a very interesting and profitable presentation of the following reasons for Christ's sitting over against the treasury: 1. His importance; 2. It was the measure of the worshipper's love for God and interest in his cause; 3. He beheld the multitude; 4. He observed how much they cast into the treasury; 5. How they did it. The treasury's great importance to the church was emphasized, and it was shown that it is an indispensable agent for the advancement of God's cause which no church could do without. Not only the work of the church but the sitting over against the treasury: 1. His importance; 2. It was the measure of the worshipper's love for God and interest in his cause; 3. He beheld the multitude; 4. He observed how much they cast into the treasury; 5. How they did it. The treasury's great importance to the church was emphasized, and it was shown that it is an indispensable agent for the advancement of God's cause which no church could do without.

Rev. W. S. McAlpine, B. A., then gave an address expressive of good will and pleasure with reference to the tea-meeting. He doubted the statement "old-fashioned" for, he said, among the multiplicity of toothsome viands on the tables, there were many things the old people never ate. He is a pleasure to look into a congregation of people of different denominations. There was a time long ago when you would see the lines drawn much more closely. While there are still differences, there is a largeness of spirit by which we have for some months. This is especially so in the case of those who, according to their consciences, are endeavoring to follow Christ. With numerous illustrations he emphasized this lesson: "If you do not wish to publish your own failings do not publish the failings of others."

The choir sang the anthem, "We are glad when they sing, Let us go into the house of the Lord," and the programme concluded with a quartette by Misses Nicklin and Laing and Revs. McAlpine and Smith.

Rev. D. Dick pronounced the benediction. The programme throughout was of an unusually high tone, and the audience was manifestly pleased with the entire proceedings.

**ONLY A SLIGHT COULD.**

Yet It May Lead to Consumption and an Early Grave.

If your blood is poor or watery, a touch of cold or influenza will weaken your lungs, and the slight cough to-day may turn to the racking consumption's cough of to-morrow.

Weak lungs are caused by weak blood. Weak blood is an open invitation for consumption to lay upon you the hand of death.

Stop that cough by enriching the blood and strengthening your lungs with Dr. Williams' Pink Pills. They make new, rich, red blood. They add essential power to the lungs. They send fresh blood to every part of the body. They are a positive proof, here is a positive proof, that Dr. Williams' Pink Pills cure where other medicines fail. E. L. Galt, Henry, Charlottetown, P. E. I., says: "Some months ago I got caught in a rain storm, and the setting was followed by a cold. At first I paid but little attention to it, but as the cold changed to a hacking cough, I became alarmed and consulted a doctor who gave me a bottle of medicine. Unfortunately, I had not had my meal, and I began to grow pale, I lost my weight, and my appetite completely left me. I was now regularly under the care of the doctor, who told me my lungs were affected, and that I was threatened with consumption. The doctor's treatment did not seem to benefit me in the least. I steadily grew weaker, and finally was compelled to remain in bed. At this time a friend urged me to try Dr. Williams' Pink Pills, and even bought me three boxes before I finally consented to take them. I have reason now to bless my friend's persistence, because I feel better than I have for some time, and I gladly continued the treatment, and was soon able to get out of bed and take a walk each day. I am now in the best of health, and my lungs are more than before I took sick. I feel that I owe my life to Dr. Williams' Pink Pills, and hope my experience will benefit some other sufferer."

All diseases which come from poor blood or weak nerves can be relieved from the supply by the use of Dr. Williams' Pink Pills, which may be had from any dealer in medicine, or sent post paid at 50¢ per box, or six boxes for \$2.50, by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont. Remember that this medicine will not harm the body, and it is a good "do not" cure.

**THE MUNICIPAL OFFICER STAYS.**

Reeve Swaghammer Opposed His Re-Engagement at \$500 Salary.

**THOM GAMBLE RE-APPOINTED CHIEF OF FIRE BRIGADE.**

Council met on Monday evening. Reeve Swaghammer in the chair. The members present except Councilmen Hobbes.

The session was brief but it saw some sharp interchanges about the re-appointment of Municipal officer Graham.

Councilman Hynds introduced the following motion: Moved, That the Council do pass a resolution in favor of the re-appointment of Municipal officer Graham.

Mr. Agnew, who had been nominated to introduce a by-law for the purpose of appointing a Municipal Officer for the year 1903, for the performance of the following duties: Assessor, Collector, Sanitary Inspector, Caretaker of Town Hall, Caretaker of Public School, Caretaker of Public Park, Caretaker of Cemetery, Collector of Electric Light Rates, Repairing and Building Sidewalks, Caring for the Streets, etc.

Mr. Gamble was then re-elected as Chief of the Fire Brigade. He was re-elected at a salary of \$200 which was a good deal more than he had received in the past. He was re-elected at a salary of \$200 which was a good deal more than he had received in the past.

Mr. Dick, of the Diocese of Huron, was the next speaker. His social life, a side very necessary to the development, was his topic. He hoped to live to see the day when in our social gatherings there will be more of fellowship one with the other.

Mr. Dick's congratulations and good wishes were very profuse and hearty. He hoped that the time would come when we would continue together. It would come when we were willing. We must ourselves be capable if we would see others capable. Mr. Dick's congratulations and good wishes were very profuse and hearty.

**Get the Most Out of Your Food**

You don't eat and can't get your stomach weak. A weak stomach does not digest what is ordinarily taken into it. It gets tired easily, and what it fails to digest is wasted.

Among the signs of a weak stomach are: uneasiness after eating, fits of nervous headache, and disagreeable belching.

I have been troubled with dyspepsia for years, and tried every remedy I heard of, but never got anything that gave me relief until I took Hood's Sarsaparilla. I cannot praise this medicine too highly for the relief it has done me. I always take it in the spring and fall and would not be without it. W. A. Knicker, Belleville, Ont.

**Hood's Sarsaparilla**

Strengthens and tones the stomach and the whole digestive system.
