NEWS OF LOCAL IMPORT.

Guelph's Smallpox Case Improving.

Mr. Kelly is progressing very favorably at the Isolation Hospital, and all the other inmates are quite well. There are no signs of any more infection. Wednesday at latest, will tell whether there has been any infection from the first case.—Guelph Mercury.

The Snow on the Walks.

Our citizens did nobly in clearing the walks of snow this week. Some of them shovelled the pavements half a dozen times before the storm had abated. A few delinquents, require attention from the Chairman of Streets and Walks or some other authority, however.

Successful Amateur Artists.

In competition in amateur photography just closed in the United States, three of our amateur photographers were singularly successful. Mr. Jake Bauer secured first, Mr. C. C. Speight second and Mr. W. Stark third prize. There were over 600 competitors in the class.

"Dear Old Acton."

A subscriber at Tacoma, Wash., writes: "Your beautiful souvenir calendar with view of dear old Acton, received. Accept hearty thanks for same. You could not have chosen a design which would please former residents more. Wishing the FREE PRESS continued success.—Mrs. H. W. E.

Special Services in Disciples' Church.

Evangelistic meetings will be commenced in the Disciples' Church next Sunday. The pastor, Rev. D. Dick, will be joined the following week by Rev. F. C. Lake, of Hillsburg, who will assist him for a couple of weeks. There will be special singing each evening and a welcome is extended to the public to attend.

Board of Health Chairman.

The Board of Health met on Monday evening for organization. All the members were present except Postmaster Matthews. Medical Health Officer Macdonald was also present. Upon motion W. D. Frick was elected chairman for the year. There being no further business the Board adjourned to meet at the call of the Chairman.

A Happy Home Stricken.

The dear little seven-year-old daughter of Mr. John Stewart, of the second line, Esquesing, died very suddenly on Monday, after but two or three days illness from scarlet fever. The little girl was at Dublin school on Thursday feeling quite well. The sympathy of their many friends goes out to Mr. and Mrs. Stewart in their sore bereavement.

A Prosperous Outlook.

Never before did the travellers of W. H. Storey & Son, glove manufacturers, find such a demand for their goods. In the six weeks of the present year orders have been received of such large volume that they aggregate over $15,000 more than at this date last year. This enterprising industry, which is now in its thirty-fifth year in Acton, has a most encouraging outlook for 1903. Storey's gloves are in demand from the Atlantic to the Pacific.

The Merry Coasters.

There have been more opportunities this winter than usual for coasting and the young people have taken much enjoyment out of it. Agnes Street hill has been a favorite coasting place, and last week in the afternoons and evenings it afforded exciting pleasures for crowds. Not only were the boys and girls there but the "grown ups" as well and even the usually dignified clergymen were not averse to an exhilarating trip down the icy 300 yard stretch from Frederick to Willow Street.

Removed to Guelph.

Acton lost an estimable family last week in the removal of Mr. John McQueen to Guelph. The family resided here some eight years, and leave many sincere friends. Mr. McQueen actively interested himself in numerous ways for the benefit of the community. His largest interest centred, however, in Esquesing Agricultural Society and it has largely been through his efforts the past four or five years that its success was secured. The best wishes of the FREE PRESS go with Mr. McQueen and family to their new home.

A Jolly Sleighing Party.

A sleighing party from Acton drove to the home of Mr. and Mrs. Stalker, third line, last Friday evening when a very sociable time was spent. The hospitality of the host and hostess and the comforts of their beautiful home added much to the pleasures of the evening. Tea being served in good style, oysters forming part of the repast. All present did ample justice. A toast was then proposed to Mr. and Mrs. Stalker and heartily drank by all present. The pleasure of the evening included vocal and instrumental music, dancing, etc. After singing "Auld Lang Syne" the party broke up all feeling well pleased with the evening's proceedings and the nearer friendship formed with the host and hostess.

Fuel Men of Integrity.

It has been fortunate indeed for the citizens of Acton that the fuel supply this winter has been largely in the hands of James Brown and J. C. Hill. Last fall when it became evident that the big coal strike would seriously effect the price of fuel, Mr. Brown continued to sell his wood at normal prices; much below what he might have received by shipping it out of town. When some of our farmer friends were asking $6 and $7 for dry hard wood, he supplied his customers as long as his stock lasted at $5 and $5.50. Mr. Hill has preserved a similar attitude in the coal business. He sold his stock which he had on hand at last year's prices, and all winter has supplied the high priced coal at the narrowest kind of a margin. He was very loath to place further orders at the high price prevailing a couple of weeks ago, but the needs and demands of citizens rendered it necessary that a further supply be secured, and the two cars secured during the week netted him $11 per ton—the price he is selling it for. Now that the general prices of coal have dropped Mr. Hill stands to lose heavily on his present stock. Our citizens will therefore have an opportunity of showing their appreciation by helping to reduce his stock at present prices.

Knox Church Choir Entertained.

The members of the Choir of Knox Church passed a highly enjoyable evening last Thursday. A cordial invitation was extended them by their leader, Mr. A. T. Mann, to spend the evening at his home and all accepted with pleasure. Those who have enjoyed the hospitality of Mr. and Mrs. Mann will readily understand what a delightful evening the choir put in. Profuse thanks were tendered the host and hostess for their kind act.

Date of Re-Opening Changed.

When the work of renovation and decoration of the ceilings of Knox Church were nearing completion last week it was found that the splendid work executed rendered the contrast of the bare walls rather striking. The committee with a commendable spirit of thoroughness determined to have the walls finished to harmonize with the ceiling, and all the woodwork varnished. This necessitated the postponement of the re-opening and anniversary services for a week. They will therefore be held on Sunday, 22nd February, and Rev. J. A. Rose, of Aylmer, will preach as previously announced.

Forty Years a Commissioner.

On Tuesday Mr. James Matthews celebrated his fortieth year as a commissioner for taking affidavits, his appointment being made on February 10th, 1863. The commission is signed by The Hon. Chief Justice McLean and Justices John Hagarty and Skeffington Connor. Mr. Matthews' appointment as postmaster of Acton dates back eight years before this. If he puts in two more years he will have served the public continuously in that capacity for half a century. The business to-day is more than ten times the volume of what it was at his appointment. He has been one of the country's most faithful servants.

Milton Boys Won.

Last Friday evening a second team of juniors went to Milton to play a game of hockey with the Boys Brigade team of that town. The game ended in a victory for the home team by a score of 4 to 2. The game was very fast and exciting, the boys of both teams playing a good game, but the Acton boys were outweighed. The score was 2 to 1 at half time in favor of Milton, they had a hard time however to get the other two. The Acton boys were game finishers and played well. The teams lined up as follows:

The D. D. G. M's Visit.

Walker Lodge A. F. and A. M., G. R. C., was favored at its regular meeting on Monday evening by a visit from R. W. Bro. Robinson, of Oakville, the D. D. G. M. for this district.

He was accompanied by Dist. Sec. A. S. Forster and P. M. Ford. Visitors were also present from Milton and Georgetown. After the regular business of the lodge had been completed the brethren adjourned to Clark's hotel, where a beautiful spread awaited them. Much praise is accorded Mr. and Mrs. Clark for the excellence of the menu provided. The chair was occupied by A. T. Brown, W. M., who performed the duties of the position with marked ability. The chairs of honor to the right and left were occupied by D. D. G. M. Robinson, Dist. Sec. Foster and P. M's. Panton, Coates, and Somerville, of Milton; Speight and Beaumont, Georgetown, and Ford, of Oakville. The toast "The King and The Craft" was loyally honored. That of "The Grand Lodge of Canada," brought forth a very interesting and instructive response from the D. D. G. M., whose references to the year's operations were highly appreciated by the brethren of the square. "The Visiting Brethren" was proposed by W. M., of Walker Lodge and ably responded to by P. M's Coates, Forster and Panton, the latter of whom remarked that he enjoyed the distinction of having been present at the organization of Walker Lodge twenty-nine years ago. The toast "Walker Lodge, 321," elicited brief and appreciative speeches from P. M's Lawson and Stark, Bro. H. A. Macpherson and others. The affair throughout was most enjoyable and both visiting brethren and the members of the local lodge declared it one of the most pleasant among their experiences.

CROSS BABIES.

How to Make Them Bright, Good-Natured and Well.

A crying baby is an unwell baby. The little chap is not cross for the fun of it. He cries because that is the only way he has of expressing the fact that he is either in pain or discomfort. Most of his little troubles are due to some disorder of the stomach or bowels, and if Baby's Own Tablets are given both the trouble and the resulting crossness will disappear. You can take a mother's word for it, and Mr. John T. Sutherland, of Illisfield, N. B., says: "I think Baby's Own Tablets the best medicine in the world for little ones. My baby was very cross and used to keep me awake half the night before I got the Tablets. Now she sleeps soundly, is good natured and is growing splendidly." You can give these Tablets with perfect safety to a new born babe. They are guaranteed to contain no opiate or poisonous sleepy stuff, and are a sure cure for all the minor ailments from which the little ones suffer. Sold by medicine dealers or sent post paid at 25c. a box by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.
