I Coughed

"I had a most stubborn cough for many years. It deprived me of sleep and I grew very thin. I then tried Ayer's Cherry Pectoral, and was quickly cured."
R. R. Hale, Fall Bills, Tenn.

Sixty years of cures and such testimony as the above have taught us what Ayer's Cherry Pectoral will do.

We know it's the greatest cough remedy ever made. And you will say so, too, after you try it. There's cure in every drop.

These sizes: 25c. enough for an ordinary cold; 50c., just right for bronchitis, hoarseness, hard colds, etc.; $1, most economical cure in severe, lingering cases. Sold by druggists.

SUCCESS.

Success is counted sweetest
By those who ne'er succeed.
To comprehend a nectar,
Requires sorest need.

Not one of all the purple,
Who took the flag today,
Can tell the definition,
So clear of victory.

As he, defeated, dying,
On whose forbidden ear
The distant strains of triumph
Break, agonizing and clear.
—EMILY DICKINSON.

Assist Nature.

You have been told to "hitch your waggon to a star"—that Nature will assist you. That's all right. There are times, however, when you should assist Nature, and the spring is one of these times.

Nature is now undertaking to cleanse your system—if you take Hood's Sarsaparilla the undertaking will be successful, and your complexion bright and clear.

A tart temper never mellows with age; and a sharp tongue is the only edged tool that grows keener with constant use.—Washington Irving.

Liver troubles, biliousness, sallow complexion, yellow eyes, jaundice, yield to the curative powers of Laxa-Liver Pills. They are sure to cure.

We should make the same use of a book that the bee does of a flower—she steals sweets from it, but does not injure it.—Colton.

Where can I get some of Holloway's Corn Cure? I was entirely cured of my corns by this remedy and I wish some more of it for my friends. So writes Mr. J. W. Brown, Chicago.

It is a great gift to be born with a hatred and contempt of all injustice and meanness.—George Eliot.

Lightning Remedy for Cramps.

Some people have cramps pretty often, others now and again. But when you do have them, it's a mighty quick relief you want. Polson's Nerviline is as sure as death to relieve cramps in five seconds—it's instantaneous, just a few drops in sweetened water and the pain is gone. Buy a bottle of Nerviline today, and keep it handy. Nerviline is a common household necessity and only costs 25c. Sold by A. T. Brown.

True happiness consists, not in the multitude of friends, but in worth and choice.—Ben Jonson.

Children Cry for CASTORIA.

Are you a sufferer from corns? If you are get a bottle of Holloway's Corn Cure. It has never been known to fail.

They are ill discoverers that think there is no land, when they can see nothing but sea.—Bacon.

How To Beautify the Complexion.

To have a soft, smooth skin, free from eruptions and pimples, the blood must be healthy and pure. Ferrozone invigorates enfeebled blood, and cleanses it of all impurities and poisons; it brings color to the lips and cheeks, brilliancy to the eyes, whitens the teeth and sweetens the breath. No tonic compares with Ferrozone in rapid action and permanent results. Try it. Price 50c. at druggists, or Polson & Co., Kingston Ont. Sold by A. T. Brown.

Fine clothes may not make the wife, but they often unmake the husband.

Sick With Worms.

Mrs. J. D. Mayo, South Stukely, P. Q., wrote the following: "One of my children took sick with worms and after trying everything without getting relief we procured Dr. Low's Worm Syrup which acted promptly and effectually."

A thing is worth precisely what it can do for you, not what you choose to pay for it.—Emerson.

BOTTLE BABIES

Bottle babies are so likely to get thin. What can be done? More milk, condensed milk, watered milk, household mixtures—try them all. Then try a little Scott's Emulsion in the bottle.

It does for babies what it does for old folks—gives new, firm flesh and strong life. You'll be pleased with the result. It takes only a little in milk to make baby fat.

We'll send you a little to try, if you like.
SCOTT & BOWNE, Chemists, Toronto.

AT SEA ON LAND.

A clergyman who had neglected all knowledge of nautical affairs was asked to deliver an address before an audience of sailors.

He was discoursing on the stormy passages of life. Thinking he could make his remarks more pertinent to his hearers by metaphorically using sea expressions, he said:

"Now, friends, you know that when you are at sea in a storm the first thing you do is anchor."

A half-concealed snicker spread over the room, and the clergyman knew that he had made a mistake.

After the service one of his listeners came to him and said, "Mr.——, have you ever been at sea?"

The minister replied:

"No, unless it was while I was delivering that address."

Another club woman, Mrs. Haule, of Edgerton, Wis., tells how she was cured of irregularities and uterine trouble, terrible pains and backache by Lydia E. Pinkham's Vegetable Compound.

"A while ago my health began to fail because of female troubles. The doctor did not help me. I remembered that my mother had used Lydia E. Pinkham's Vegetable Compound on many occasions for irregularities and uterine troubles, and I felt sure that it could not harm me at any rate to give it a trial.

"I was certainly glad to find that within a week I felt much better, the terrible pains in my back and side were beginning to cease, and at the time of menstruation I did not have nearly as serious a time as heretofore, so I continued its use for two months, and at the end of that time I was like a new woman. I really have never felt better in my life, have not had a sick headache since, and weigh 20 pounds more than I ever did, so I unhesitatingly recommend Vegetable Compound."—MRS. MAY HAULE, Edgerton, Wis., President Household Economics Club. —$5000 forfeit if original of above letter proving genuineness cannot be produced.

Women should remember there is one tried and true remedy for all female ills, Lydia E. Pinkham's Vegetable Compound. Refuse to buy any other medicine, you need the best.

There is one thing that can never turn into suffering, and that is the good we have done.—Maurice Maeterlinck.

Grow Inside.

Little children should grow not only outwardly, but should develop big strong hearts and lungs and other vital organs to prepare for adult life. Scott's Emulsion is an excellent medicine for growth both outside and inside.

No one is born into the world whose work is not born with him; there is always work for those who will.—Lowell.

No person should go from home without a bottle of Dr. J. D. Kellogg's Dysentery Cordial in their possession, as change of water, cooking, climate, etc., frequently bring on summer complaint, and there is nothing like being ready with a sure remedy at hand, which oftentimes saves great suffering, and frequently valuable lives. This Cordial has gained for itself a wide spread reputation for affording prompt relief from all summer complaints.

A wise saw is presumably one that has cut its wisdom teeth.

Many people say they are "all nerv ous," easily startled or upset, easily worried and irritated. Milburn's Heart and Nerve Pills are just the remedy such people require. They restore perfect harmony of the nerve centres and give new nerve force to shattered nervous systems.

A man who advertised for a cook and a music teacher received nine answers to the former advertisement and 289 to the latter.

Children Cry for CASTORIA.

The editor of a weekly newspaper in Australia offers himself as a prize to the woman who writes the best essay on the duties of a wife.

It's not the weather that's at fault. Its your system, clogged with poisonous materials, that makes you feel dull, drowsy, weak and miserable. Let Burdock Blood Bitters clear away all the poisons, purify and enrich your blood, make you feel bright and vigorous.

Our grand business in life is not to see what lies dimly at a distance, but to do what lies clearly at hand.—Carlyle.

Free and easy expectoration immediately relieves and frees the throat and lungs of viscid phlegm, and a medicine that promotes this is the best medicine to use for coughs, colds, inflammation of the lungs and all affections of the throat and chest. This is precisely what Bickle's Anti-Consumptive Syrup is a specific for, and wherever used it has given unbounded satisfaction. Children like it because it is pleasant, adults like it because it relieves and cures the disease.

Every one must see and feel that bad thoughts quickly ripen into bad actions, and that if the latter only are forbidden, and the former left free, all morality will soon be at an end.—Porteous.

The Day of Miracles Not Past.

A Toronto "Star" reporter investigated the case of Mr. Geo. Warner, and found that after thirteen years of almost total deafness he had been cured by inhaling Catarrhozone.

This proves that where Catarrhozone treatment is employed, impaired hearing and deafness can be cured. Catarrhozone always brings quick relief, and is warranted to give lasting satisfaction. All sufferers from impaired hearing, deafness, head noises, and ringing in the ears, are advised to inhale Catarrhozone and derive the great benefit it is capable of affording. Agitation in the world of homœopathic medicine has been its very soul of progress as in politics and religion—the difficulties of opinion and of men have been present to the disagreements of which the standard of these bodies have been elevated. So with some of our famous preparations—foremost the world famous remedy for general debility and languor, "Quinine Wine"—and, which, when obtained in its genuine strength is a miraculous creation of appetite, vitality and stimulant to the natural fertility of the system. Quinine Wine and its improvement have been from the first discovery of the great virtues of Quinine as a medicinal agent been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and natural life-giving stimulants, which the medical profession have been compelled to recognize and prescribe. Messrs. Northrup & Lyman, of Toronto, have given the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public, comes into the market purged of all defects which skilful observation and scientific opinion has pointed out in the past.

Something More Than a Purgative.—To purge is the only effect of many pills now on the market. Parmelee's Vegetable Pills are more than a purgative. They strengthen the stomach, where other pills weaken it. They cleanse the blood by regulating the liver and kidneys, and they stimulate where other pill compounds depress. Nothing of an injurious nature, used for merely purgative powers, enters into their composition.

Things that formerly came to those who waited now go to those who hustle.

Experts are guided in their judgment of liquors by the smell: those who taste are more or less misguided.

For the Overworked.—What are the causes of despondency and melancholy? A disordered liver is one cause and a prime one. A disordered liver means a disordered stomach, and a disordered stomach means disturbances of the nervous system. This brings the whole system into subjection and the victim feels sick all over. Parmelee's Vegetable Pills are a recognized remedy in this state and relief will follow their use.
