### FANCY WORK.

You're invited to see  
Linen, a very, laughing face  
comes up for me to kiss.  
There is a call to help to send  
A wayward bird adored,  
And here a jagged rock is made,  
To fit the hole.

My hand must give the ball a toss,  
The pointed top is white,  
Or straightens out the tangled toes  
Of little Doreen's nose.

The dogma dear and loyal still  
Is always true, and always still,  
... We heed their lighted call.

Every now and then dollars rare,  
Your embroidered towels rare;  
With these dear hearts of mine.

### They Take Weeks.

Ordinary remedies sometimes take weeks to even relieve cases that Calabarizone cures at once.

Inhale Calabarizone every five minutes and it cures a cold.

Inhale Calabarizone five minutes four times a day and it cures asthmatic cough.

Inhale Calabarizone five minutes every hour and we guarantee it will cure any cold or sore throat, headache, hoarseness, etc.

It is very pleasant and convenient to use, quick to relieve, and certain as the hereafter to cure.

Large size, complete, price \$1.00; small size, 25c. Druggists, or Palson Co., Kingston, Ont. Sold by A. T. Brown.

It is an old saying that flowers will soon wither in the hands of people who have wicked thoughts.

Wherever there are sickly people with weak hearts and deranged nerves, Milburn's Heart and Nerve Pills will be found an effectual medicine. They restore enfeebled, enervated, exhausted, derelictized over-worked worn-out women to vigorous health.

The population of Greece is increasing faster than that of any other country in Europe at present.

### Found at Last.

A liver pill that is small and sure, that acts quickly and thoroughly, that does not grip. Lax-Liver Pills possess these qualities and are a sure cure for liver complaints, constipation, sick headaches, etc.

Some authors tell us that "much is said about the tongue." True, the thing is in everybody's mouth.

They Cleanse the System Thoroughly.—Parsons' Vegetable Pills clean the system and remove all impurities from the body. They do this without pain or inconvenience to the patient, who speedily realizes their good offices as soon as they begin to take effect. They have strong recommendations from all kinds of people.

A town that has no natural advantages seems to get along better than the other kind.

Goodness Castor always bears the signature of Chas. H. Fletcher.

Where baby was sick, we gave her Castor. Where she was a child, she cried for Castor. Where she became ill, she clung to Castor. Where she's a girl, she loves them Castor.

Very few defects remain after a photograph has finished "remodeling" one's picture.

### Spring Maidens.

As a spring medicine Burdock Blood Bitters is most equal. It tones up the system and removes all impurities from the blood, and takes away that tired, weary feeling so prevalent in the spring.

## THE ESQUIMO

The Esquimo eats blubber. The lumbermen eat pork. These people are constantly exposed to cold and physical strain. Experience has taught them that fatty foods give warmth and nourishment.

For those who have cold and thin bodies, or are threatened with consumption or any wasting disease, there is no fat less digestible and palatable form as Scott's Emulsion. Physicians prescribe it.

### WHAT CAUSED THE INDIGESTION

"Mollie Brown has a good husband," "In what way?" "Whenever he doesn't eat anything she asks him if the cooking isn't as good as his mother's." "And what does he say?" "He says he has no doubt it is, but that his indigestion has quite unified him to be a competent judge."

### A MILLIONAIRES BOOKS.

A story which is perhaps not altogether new is told in quite a new way in connection with the supposed book by John Milton, now just appearing. The story is told about a millionaire who gives his booksellers to compile a fine library for his London house. He is not particular as to the books, but he insists upon those of Shakespeare and Milton. "And look here," he emphasizes, "if these fellows publish any more, be sure and let me have the volumes."

### A Warning.

To feel tired after exertion is one thing; to feel tired before is another. Don't say the latter is laziness—it isn't—but it's a sign that the system lacks vitality, is running down, and needs the tonic effect of Hood's Sarsaparilla.

It's a warning, too, and it should begin taking Hood's at once.

To forgive a fault in another is more sublime than to be faultless one's self.—George Sand.

### Don't Look so Thread.

It's enough to make one tired just to look at you. Don't look so tired. You must suffer terribly. You know that Ayer's Sarsaparilla cures blood-poverty, nervous depression, and general debility? And it has been doing this for 90 years.

Lauding cheerfulness throws sunlight on all the paths of life.—Richelieu.

Hayward's Yellow Oil is prompt to relieve and sure to cure coughs, colds, sore throat, pain in the chest, rheumatism, etc. Price 25c.

### A BAD CASE OF KIDNEY TROUBLE CURED BY DOAN'S KIDNEY PILLS.

A prominent club woman, Mrs. Danforth, of St. Joseph, Mich., tells how she was cured of falling of the womb and its accompanying pains.

Life looks dark indeed when a woman feels that her strength is failing away and she has no hopes of ever being restored. Such was my case when I first took Doan's Kidney Pills. I was troubled with dull headaches, had frightful dreams, terrible fits in my legs, and was unable to sleep at night. Taking DOAN'S KIDNEY PILLS recommended for just such annoyances as mine, it occurred to me to try them, so I went to a druggist, Mr. Lyall, E. Pickham's Vegetable Compound came to me as an elixir of life; it restored the lost energy and built me up until I had full health again. For four months I took the medicine daily and each day added health and strength, until I had overcome the fits. I then discontinued it, but the next day I had them again. I then took Doan's Kidney Pills again, and they were as effective as the first time. For four months I took the medicine daily and each day added health and strength, until I had overcome the fits.
