The Young Folks.

BY THE BARS.

The following lines may be read either up or down without altering the sense:

The stars were all alight,
The moon was overhead;
I named her queen of night,
As she my footsteps led.
So wondrous fair was she,
I asked her to be mine;
As she glanced up at me
I thrilled with love divine.

Beside the meadow bars,
As we stood lingering there,
Her eyes were like the stars,
In radiance lovely fair.
"You're all the world to me,"
She murmured sweet and shy.
A thrill of ecstacy
I felt at her reply.

Love led us all the way,
As we turned home again;
Our hearts were light and gay,
The world was blissful then.
Though shadows crossed the sky,
No gloom our hearts could know,
True bliss is ever nigh
When hearts are blended so.

Humors

Come to the surface in the spring as in no other season. It's a pity they don't run themselves all off that way; but in spite of pimples and other eruptions, they mostly remain in the system. That's bad.

Hood's Sarsaparilla removes them and cures all the painful and disfiguring troubles they cause. Nothing else cleanses the system and clears the complexion like Hood's.

It's a wise minister who can keep the members of his choir from quarreling.

The essential lung-healing principle of the pine tree has finally been successfully separated and refined into a perfect cough medicine—Dr. Wood's Norway Pine Syrup. Sold by all dealers on a guarantee of satisfaction. Price 25c.

The man who eats poor meals in order to smoke good cigars after them isn't always a cheerful soul.

A Cure for Rheumatism.—The intrusion of uric acid into the blood vessels is a fruitful cause of rheumatic pains. This irregularity is owing to a deranged and unhealthy condition of the liver. Any one subject to this painful affection will find a remedy in Parmelee's Vegetable Pills. Their action upon the kidneys is pronounced and most beneficial, and by restoring healthy action, they correct impurities in the blood.

E. W. Grove

This signature is on every box of the genuine Laxative Bromo-Quinine Tablets the remedy that cures a cold in one day

Tyranny is always weakness.

Doan's Kidney Pills act on the kidneys, bladder and urinary organs only. They cure backaches, weak back, rheumatism, diabetes, congestion, inflammation, gravel, Bright's Disease and all other diseases arising from wrong action of the kidneys and bladder.

An abundant life does not show itself in abundant dreaming, but in abundant living.

A Restoration.

A restoration from the roots upwards must take place to cure an obstinate cough. Scott's emulsion begins away down at the bottom of an inflamed throat.

The rule of self-obedience to the right will bring all things into order.

Suddenly Attacked.

Children are often attacked suddenly by painful and dangerous colic, cramps, diarrhoea, dysentery, cholera morbus, cholera infantum, etc. Dr. Fowler's Extract of Wild Strawberry is a prompt and sure cure which should always be kept in the house.

Prosperity does best discover vice, but adversity does best discover virtue.

WHY MOTHERS WORRY

Did you ever hear a mother worry over a plump child? There is no better bank of health for a child to draw from than a good supply of healthy flesh.

Scott's Emulsion not only gives a child weight and plumpness, but it feeds the brain, bones and nerves with strength and active power.

Fewer mothers would worry if they knew more about Scott's Emulsion.

We'll send you a sample free upon request.

DAISY F. A. NICKLIN, Teacher.

Mrs. Anderson, a prominent society woman of Jacksonville, Fla., daughter of Recorder of Deeds, West, says:

"There are but few wives and mothers who have not at times endured agonies and such pain as only women know of. I wish such women knew the value of Lydia E. Pinkham's Vegetable Compound. It is a remarkable medicine, different in action from any other I ever knew and thoroughly reliable.

"I have seen cases where women doctored for years without permanent benefit who were cured in less than three months after taking your Vegetable Compound, while others who were chronic and incurable came out cured, happy, and in perfect health after a thorough treatment with this medicine. I have never used it myself without gaining great benefit. A few doses restores my strength and appetite, and tones up the entire system. Your medicine has been tried and found true, hence I fully endorse it."—Mrs. R. A. Anderson, 225 Washington St., Jacksonville, Fla.—$5000 forfeit if original of above testimonial proving genuineness cannot be produced.

The experience and testimony of some of the most noted women of America go to prove, beyond a question, that Lydia E. Pinkham's Vegetable Compound will correct all such trouble at once by removing the cause, and restoring the organs to a healthy and normal condition.

Many people say they are "all nervous," easily startled or upset, easily worried and irritated. Milburn's Heart and Nerve Pills are just the remedy such people require. They restore perfect harmony to the nervous centres.

He that cannot forgive others breaks the bridge over which he must pass himself.

There is no form of kidney trouble from a backache down to Bright's disease, that Doan's Kidney Pills will not relieve or cure.

Children Cry for CASTORIA.

Impurities in the Blood.—When the action of the kidneys becomes impaired, impurities in the blood are almost sure to follow, and general derangement of the system ensues. Parmelee's Vegetable Pills will regulate the kidneys, so that they will maintain healthy action and prevent the complications which certainly come when there is derangement of these delicate organs. As a restorative these pills are in first rank.

Often I would have to gasp for breath, and my nerves were in a terrible condition. I took MILBURN'S HEART AND NERVE PILLS, and they have proved a blessing to me. I cheerfully recommend them to all sufferers from heart and nerve trouble.

For cholera morbus, cholera infantum, cramps, colic, diarrhoea, Dysentery and summer complaint, Dr. Fowler's Extract of Wild Strawberry is a prompt, safe and sure cure that has been a popular favorite for nearly 60 years.

Genuine Castoria always bears the Signature of Chas. H. Fletcher.

When Baby was sick, we gave her Castoria
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

Very many persons die annually from cholera and kindred summer complaints, who might have been saved if proper remedies had been used. If attacked do not delay in getting a bottle of Dr. J. D. Kellogg's Dysentery Cordial, the medicine that never fails to effect a cure. Those who have used it say it acts promptly and thoroughly subdues the pain and disease.

We often do more good by our sympathy than by our labour.

There are so many cough medicines in the market, that it is sometimes difficult to tell which to buy; but if we had a cough, a cold, or any affliction of the throat and lungs, we would try Hickle's Anti-Consumptive Syrup. Those who have used it think it is far ahead of all other preparations recommended for such complaints. The little folks like it—as it is as pleasant as syrup.

The morning hour has gold in its mouth.

Burdock Blood Bitters.

Turns Bad Blood into Rich Red Blood.

This spring you will need something to take away that tired, listless feeling brought on by the system being clogged with impurities which have accumulated during the winter.

Burdock Blood Bitters is the remedy you require.

It has no equal as a spring medicine. It has been used by thousands for a quarter of a century with unequalled success.

HERE IS PROOF.

Mrs. J. T. Skine of Stagwale, Que., writes: "I have used Burdock Blood Bitters as a spring medicine for the past four years and don't think there is its equal. When I feel drowsy, tired and have no desire to eat I get a bottle of B.B.B. It purifies the blood and builds up the constitution better than any other remedy."

Germany, with 1,683 paper mills, makes only half as much paper as Great Britain with but 300.

Wood intended to be made into planos requires to be kept for years to be in perfect condition.

Pleasant as syrup; nothing equals it as a worm medicine; the name is Mother Graves' Worm Exterminator. The greatest worm destroyer of the age.

Criticism is like a tonic. It generally helps, but the taste is bitter.

Don't Look so Tired.

It's enough to make one tired just to look at you. Don't look so tired. You must suffer terribly. You know that Ayer's Sarsaparilla cures blood-poverty, nervous depression, and general debility? And it has been doing this for 60 years.

Some people think patriotism is merely being blind to their country's weaknesses.

Throughout the world about 3 per cent. of people gain their living directly from the sea.

A cheerful countenance betokens a good heart.

Cheerfulness is an excellent working quality, imparting great elasticity to the character.

Agitation in the world of homeopathic medicine has been its very soul of progress as in politics and religion—the difficulties of opinion and of men have been present to the disagreements of which the standard of these bodies have been elevated. So with some of our famous preparations—foremost stands the world famous remedy to general debility and languor, "Quinine Wine"—and, which, when obtained in its genuine strength is a miraculous creation of appetite, vitality and stimulant to the natural fertility of the system. Quinine Wine and its improvement have been from the first discovery of the great virtues of Quinine as a medicinal agent been one of the most thoroughly discussed remedies ever offered to the public. It is one of the great tonics and natural life-giving stimulants which the medical profession have been compelled to recognize and prescribe. Messrs. Northrup & Lyman, of Toronto, have given the preparation of their pure Quinine Wine the great care due to its importance, and the standard excellence of the article which they offer to the public comes into the market purged of all defects which skilful observation and scientific opinion has pointed out in the past.

CULINARY COURTSHIP.

Janet had molded the domestic affairs of a Boston family for so many years that the news of her intended marriage had much the effect of an earthquake. "Have you and David been engaged long?" ventured the mistress of the household.

"One week, when next Sabbath comes," stated Janet briefly.

"And had you any thought of marrying before that?" asked her mistress.

"Times I had, and times I had not," said the imperturbable Janet, as any person will. But a month ago, when I gave David a wee bit of the cake I'd been making, and he said to me 'Janet, have ye the recipe from in your mind, lass, so you could make it if Mrs. Mann's book would be far from your reach?' I knew the time was drawing short.

"And when," said Janet, closing her eyes at the recollection, "I said to him, David, lad, the recipe is copied in a little book of my own," and I saw the glint in his eye, I reckoned 'twould be within the month he'd ask me."—Youth's Companion.
