J. C. Williams, Acton, N. Y.

Paine's Celery Compound.

Brought Back To Perfect Health From What Promised to Be a Fatal Termination.

Thousands of childlike and prominent people unimpaired by nature, have been brought back to perfect health from what promised to be a fatal termination. I have suffered from nervousness, run-down system and hoarse weakness for a long time. Very often, spells of unconsciousness would come over me, and I was unable to do any work. When consciousness returned, I would find myself quite exhausted and quite sick at the stomach. I doctored long without any good results. I then happily commenced with Paine's Celery Compound, and soon became a new man. I am feeling splendid just now and as strong as ever before in my life, thanks to your great medicine. I advise all sick people to use the great compound that did such a grand work for me. If you need free medical advice, write to Consulting Physician, Paine's Celery Compound, The Wells & Richardson Co., Limited, Montreal, Que. All correspondence is answered confidentially.

Take courage, afflicted one; though physicians have pronounced you incurable, let us assure you of positive relief. The virtues of Paine's Celery Compound will give you, in as large a measure, the same blessed results that were experienced by Mr. T. Shinnis, of Everton, Ont., who gratefully writes as follows:

Children Cry for CASTORIA.

A man is but what he knoweth—Lord Bacon.

Deafness is Curable?—Sufferers from impaired hearing will be glad to know that their affliction is probably not due to any organic defect in the ear, but results probably from an ear caused by catarrhal inflammation. Hundreds of perfect recoveries as a result of the inhalation of Catarrhones are reported, and on the highest authority we recommend this treatment to our readers. Catarrhones quickly restores lost hearing, and its efficiency is placed beyond dispute by the case of Mr. Warren of Toronto, who recovered perfect hearing by using Catarrhones, after years of deafness. Price \$1. All druggists or by mail, from Pulson & Co., Kingston, Ont.

The comforting people are those who look on the bright side of life, gathering its roses and sunshine.

Burdock Blood Bitters

It acts promptly and effectively and permanently cures all derangements of digestion. It cures Dyspepsia and the primary causes leading to it.

Lord Burleigh never lived to swallow curdlone with his tongue between his teeth.

Help your children to grow strong and robust by counteracting anything that causes ill-health. One great cause of disease in children is worms. Remove these with Mother Gray's Worm Expeller. It never fails.

Sir Walter Raleigh had a marked objection to prison life.

It's not the wealthier that fault it's your stomach, clogged with poison, one material, that makes you feel dull, drowsy, weak and miserable. Let Burdock Blood Bitters clear away all the poisons, purify and enrich your blood, make you feel bright and vigorous.

Dr. Johnson hated to have anyone run and beat him in the water.

Liver Pills

That's what you need; something to cure your biliousness and give you a good digestion. Ayer's Pills are liver pills. They cure constipation and biliousness. Gently laxative.

Gratitude is the fairest blossom which springs from the soul.

Wherever there are sickly people with weak hearts and deranged nerves, Milburn's Heart and Nerve Pills will be found an effective medicine. They restore enfeebled, exhausted, nervous and over-worked men and women to vigorous health.

LAST RESORT.

We know some things sometimes even from people who do not know them, but there is not much hope for the public if a possible teacher who, perhaps, never existed outside the columns of the Atlantic Constitution, which tells the story?

Chad, an old negro farmer, has a son who lately tried the civil service examination.

"Well, Chad," said a friendly gentleman after the trial, "did your boy pass the examination?"

"No, sah," replied Chad; "they turned him down."

"What was the trouble?"

"Short on 'rithmetic, sah."

"Anything else?"

"Yes, 'rithmetic."

"An' speller?"

"Nothing more?"

"Nothin' no, sah, 'rithmetic' grammar an' 'rithmetic' an' 'rithmetic' things."

"Well, Chad, what will he do now?"

"Well, sah, he do 'ont decided to 'rithmetic school."
