

Gray?

"My hair was falling out and turning gray very fast. But your Hair Vigor stopped the falling and restored the natural color."—Mrs. E. Z. Henonnie, Cohoes, N. Y.

It's impossible for you not to look old, with the color of seventy years in your hair! Perhaps you are seventy, and you like your gray hair! If not, use Ayer's Hair Vigor. In less than a month your gray hair will have all the dark, rich color of youth.

The Young Folks.

A HERO.
Napoleon Wellington Roberts Malone was the greatest young hero that ever was known. He was a hero in his own eyes and declared he would not be afraid of a battle, a skirmish, or a raid. He repeatedly stated he thought it would be a pleasure to fight for his country. He killed all his friends and his neighbors to know. That bravely and calmly he'd meet any foe. Now, Napoleon Wellington, forsook his heroism and lived on a farm. And out in the barnyard he had such a shock. There came rushing toward him a great turkey cock! With wings flapping and tail spread like a fan. He turned round and round and ran. —Caroline Wells, in League Journal.

Tired Mothers.
It's hard work to take care of children and to cook, sweep, wash, and mend besides. It makes a shop of the home—a shop, too, where sixteen hours makes a day and yet there is much working overtime.

Headache Sufferers.
Headache Sufferers help tired mothers in many ways—it refreshes the blood, improves the appetite, and restores restful sleep.

Your Nerves Are Weak.
You sleep badly, appetite variable. You eat but gain no strength. Morning tiredness makes you wish it were night. When night comes refreshing sleep is hard to obtain. You're run down, your blood is thin and watery, your nerves have grown weak, the thought of effort wears you out. You need Forcezine; it makes blood—red, strong blood—'An appetite? You'll eat everything and digest it, too. Strength? That's what plenty of food gives. Forcezine gives hope, vigor, vim, endurance. Use Forcezine and get strong. Sold by all druggists.

What law is most suggestive of kissing? Yaw.

Children Cry for CASTORIA.

People are always talking of perseverance, courage, fortitude; but patience is the finest and worthiest part of fortitude, and the rarest, too. —Ruskin.

E. W. Brown

"I suffered in an acute form of the gonitis. I have bought many quinine tablets and found that they did not do me any good. What is that which will give a cold, cure a cold, and pay the doctor's bill? A draught (that). He kept—keeps from anger who remembers that God is always looking upon him.—Plato.

A Purely Vegetable Corn Cure.
Putnam's Corn Extractor contains no acids, but is entirely vegetable in composition. Putnam's never stings or causes discomfort. It cures quickly, painlessly, and permanently.

The source of pure happiness is in ourselves, and it is beyond the power of man to render those truly miserable who determine to be otherwise.—Lousenat.

TWO KINDS OF CHILDREN

Children that grow too fast and those that seem hardly to grow at all, both need Scott's Emulsion.

It gives that rich vital nourishment which is the secret of all healthy growth. It rounds out the long limbs, and helps children to grow without using up all their strength in growing.

Mothers ought to know more about the wonderful help which Scott's Emulsion would give their children.

CHANGE OF LIFE.

Little boy: "Father, may I have that big one-eyed dollie a little while?" Proud Father: "Of course you can, my son. Your thoughts are turning to higher things, I see." Little boy: "Yes, father." Boy's Mother: "You'll have two hours afterwards! Thought! Most of that time gone. I can't understand how that boy can teach it."

Some sensible advice to women passing through this trying period.

The painful and annoying symptoms experienced by many women at this period of life are easily overcome by Lydia E. Pinkham's Vegetable Compound. It is especially designed to meet the needs of woman's system at the trying time of change of life.

It is an exaggeration to state that Mrs. Pinkham has over 6000 letters like the following proving the great value of her medicine at such times. "I wish to thank Mrs. Pinkham for what her medicine has done for me. My trouble was change of life. Four years ago my health began to fail, my head began to grow dizzy, my eyes pained me, and at times it seemed as if my back would fall me, had terrible pains across the kidneys. Hot flashes were very frequent and trying. A friend advised me to try Lydia E. Pinkham's Vegetable Compound. I have taken six bottles of it and am today free from those troubles. I cannot speak in high enough terms of the medicine. I recommend it to all and wish every suffering woman would give it a trial."—The House, 84 Middle Church Ave., Southfield, Mass.—\$2.00 per bottle. Full list of agents on letter printing machine.

Don't Look Tired.

True and Unfailing Help for Suffering Women.

PAIN'S CELERY COMPOUND

The World's Medicine for the Cure of Female Troubles.

A large share of the evils and sufferings which women are liable to, result from special female weaknesses and diseases. From the girl entering womanhood to the woman who arrives at the Grand Old Age, the "Change of Life," there are troubles, ailments and irregularities of one form or another—which undermine the health and result in disease. Where such conditions exist, however, help the poor sufferers to fully realize their possible dangers!

It is well known that ordinary medical treatment too often fails to build up the delicate nervous system of woman, and give necessary tone and strength to the female organs. The experience of years, medical testimony and letters from tens of thousands of cured women, point to Paine's Celery Compound as woman's friend and life-giver. Josiah M. Ross, Quyon, P. O., says:—

"It affords me much pleasure to testify to the great good that Paine's Celery Compound has done for me. I was completely run down in health and a victim of female weakness, and after using three bottles of Paine's Celery Compound I was completely cured. It is the best blood purifier I know of, and I recommend it to all who are troubled in any way."

The Best Lintiment.
"I have derived great benefit from the use of Chamberlain's Pain Balm for rheumatism and headache," says Mrs. Anna Hangelman, of Tuckaloee, N. J. "My husband used it for a sprained back and was also quickly relieved. In fact, it is the best family Lintiment I have ever used. I would not think of being without it. I have recommended it to many and they always speak very highly of it and declare its merits are wonderful." For sale by A. T. Brown.

Nothing Like Experience.
"One great truth learned by actual experience does more good than ten experiences one hears about." Tell a man that Chamberlain's Colic, Cholera and Diarrhoea Remedy will cure cholera morbus, and he will most likely forget about it before the end of the day. Let him have a severe attack of that disease, feel that he is about to die, use this remedy, and learn from his own experience how quickly it gives relief, and he will remember it all his life. For sale by A. T. Brown.

Strength and vigor come of good food, daily digested. "Force," a ready-to-serve wheat and barley food adds no burden, but sustains nourishes, invigorates.

Why don't you remove that weight at the pit of the Stomach?

Why don't you regulate the digestive organs so that it will not be necessary to starve the stomach to avoid distress after eating?

The first step is to regulate the bowels.

Too Great a Risk.
In almost every neighborhood someone has died from an attack of cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for those ailments should be kept at hand. The risk is too great for anyone to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon.
