BRIEF LOCAL ITEMS.

Delightful summer weather.
Some fine haymaking this week.

These are glorious stary nights for a ramble.
The garden party fever has not nearly run its course yet.

Remember the Spycide Garden Party tomorrow evening.
The meeting of the Lord's Day Alliance in the Baptist Church this evening should be largely attended.

Geo. Berry, Hamilton, was fined \$20.00 and costs on Thursday for selling a package of cigarettes to a minor.

The result of the promotion examinations in Acton Public School will be given in next issue of the Free Press.

The town baseballists defeated Hovey's factory team in a match at the park on Saturday afternoon. Score 2 to 1.

Coal was again advanced in price at the mines on July 1st. The prospects are that high prices will rule again the coming winter.

Mr. D. Henderson is appealing to the Postmaster General to increase the pay of the rural postmen. His effort is a worthy one and just.

Mr. Kirk Cameron has been appointed principal of the Central school, Galt, at a salary of \$2800 in succession to Mr. H. Alexander, who recently resigned.

Mr. John Ritchie, has sold his farm, lot 20, Con. 1, Esplanade, to Mr. J. Franks, and is removing to Acton. He recently purchased the dwelling on Lake Ave., occupied by Mr. Henry Best.

The strawberry crop has been especially beautiful this year, and thousands of tons have been shipped from Hamilton and adjoining counties to gladden the hearts of the less favored localities.

Times are good, prospects for a prosperous season are most promising, no family should be without their local paper; it is really not worth while going without it. Sent to any address for \$1.00 a year or 25c for three months.

Mr. J. J. Holland, of the Commercial Hotel, recently lost the sight of his left eye; the result of an accident several years ago when engaged at his trade as a steel worker. A slab of steel struck him in the eye, and the injury left a permanent defect.

"Curticle Home Needlework," is the name of a magazine published at St. John's, Que., at 25c a year. The July number just received is a beauty. These being no other similar publication in Canada makes it invaluable to needle workers. Send for a copy and you will not be disappointed.

Due to a misunderstanding, a misstatement was made in last issue, in reference to the young ladies, pupils of Mr. E. W. Lee, who tried the musical exam at the Metropolitan School, Toronto. Miss Adah Eyle and Miss Edith Nicklin tried the Junior exam, not the Primary, and were successful, passing with honours.

Servant to the Organism.
The members of Acton Lodge L. O. L. marched to St. Alban's Church last Sunday evening and occupied the front pews. Rev. J. G. Browne, the pastor, preached an appropriate sermon from Rom. 12: 1: "So we, being many, are one body in Christ, and every one members one of another."

If the brethren of the order follow the principles enunciated throughout the discourse their lives will be most exemplary and beneficial to their fellowmen.

NEWS OF LOCAL IMPORT.

Mr. Macpherson Will Wear a Crown.
At the preparatory service in St. Andrew's Presbyterian Church, Toronto, last Thursday night, Mrs. Gardner and Mrs. C. G. Macpherson, of the ladies of the congregation, presented the Rev. H. A. Macpherson, the new pastor, with a Geneva pulpit gown of silk.

Domination Day at Dublin.
The spirit of Domination Day attracted a large number from Acton, and those who were in declaring they had a good time. The weather was ideal and the managers, Messrs. D. McDonnell, H. J. Waddle and J. Thompson, executed themselves to the very best advantage in selecting and serving the most perfect grub available. The music was enjoyed; the company was orderly and good-natured, and the evening ended in Dublin pie-eating as usual. The cost of the very best ever had there.

Ontario News for July 9th.
The town of Oakville leaving George Andrew, another, for \$8,875 taxes collected by Andrew's late partner, Howard, who killed himself. The two conducted a private battle at Oakville, Howard managing it. This money, which was deposited in the Ontario Bank, went to pay the firm's liabilities. The defendant claims that it should not be so treated, as it was collected by Howard as a trustee of the firm, and as a member of the firm. The trial of the action has been transferred from Oakville to Milton.

A Home Body Harass.
After but a brief illness, Mrs. John Dunn, Main Street, died of blood poisoning on Tuesday morning and a happy home left desolate because of the loss of a wife and mother. Fifteen years ago Mrs. Dunn, who was the daughter of the late Hugh A. Dunn, of Nassagaweya, came to Acton as a happy bride. Five children, three girls and two boys, the eldest 13 and the youngest 18 months, are bereft of a mother's tender care. General sympathy is felt for Mrs. Dunn in her sad affliction. The funeral will be held this morning. Services will take place at 10 o'clock in St. Joseph's Church, and interment will be made at Dublin Cemetery.

Baptist and Disciple Meetings.
People generally would have considered the Baptist and Disciple Sunday School very unfortunate in the day of their choice for a picnic, but rain in the morning and the threatening clouds in the afternoon of last Friday in no wise dented these schools. The Baptists held their picnic in Warren's grove and when the showers came they hid them to Mr. Warren's commodious barn. The Disciples' picnic was announced for Plank's grove, but when it was too wet to go to the grove Mr. Plank invited them all to his home instead of the change being a sore disappointment. It proved in both cases to be an enjoyable diversion, and the youngsters declare they had a July time.

The Fourth Ministerial Candidate.
The congregation of King's Church has been very fortunate in getting far in their pulpit supply. Every minister who has occupied the pulpit since it has been vacated has been a strong man. Especially was this the case with the minister who preached so acceptably last evening. Rev. W. Wilson, H. A. Stanfield, Mr. Wilson held the interest of two large congregations, preaching with great eloquence and power. His sermons were well thought out; his manner of delivery clear and convincing, and his words were in contact with a hearty Christian who is bent on uttering the truths of religion as to make no man listen. Mr. Wilson remained here until yesterday morning, conducting the weekly prayer meeting every on Tuesday evening. Next Sabbath, Rev. C. Harper, H. A. H. D., of Toronto, will occupy the pulpit.

A Pretty Margaret's Wedding.
On our country's birthday, and amid her natural beauties, a very pretty wedding indeed was celebrated at the home of ex-Councillor Robt. Wallace, last Wednesday afternoon at three o'clock. Miss Margaret, the second daughter of the home, was married to Mr. W. H. Guirney, foreman of the Arnold Glass Works, Georgetown. The bride was accompanied by her father, and a large wedding band of marguerites, and the home was also plentifully decorated with these flowers. The maid carried bouquets of roses. The groom was accompanied by his brother, Mr. E. Guirney, of Sarnia. The ceremony was performed by Revs. H. A. Macpherson and A. E. Smith, B.D., and a huge wedding bed of marguerites, and the home was also plentifully decorated with these flowers. The maid carried bouquets of roses. The groom was accompanied by his brother, Mr. E. Guirney, of Sarnia. The ceremony was performed by Revs. H. A. Macpherson and A. E. Smith, B.D., and a huge wedding bed of marguerites, and the home was also plentifully decorated with these flowers.

A New Steam Elevator for Acton.
Mr. Robert Noble, merchant miller, Noyah, whose business in Acton the past five years has been very satisfactory, and which has been under the management of Mr. J. W. Humphries, is contemplating the erection of a fine new steam grain elevator of ample capacity at the G. T. R. depot here. It is probable, if Mr. Noble's arrangements materialize as he desires, that operations on the new elevator will commence at once and that it will be completed in time to receive the present season's crop. The building under consideration is a modern up-to-date structure which will facilitate the handling of grain both in buying and shipping. The erection of a building would be much appreciated by this community. It is a well-known fact that Mr. Noble's prices are always as high as the market will afford, and with the proposed improved facilities and increased capacity, farmers would no doubt be attracted to Acton from much greater distances. The municipal authorities and the business men of the town should give Mr. Noble all possible encouragement in his important proposition.

WHAT A MOTHER DAY.
"It gives me great pleasure to say a good word for Baby's Own Tablets. At the age of two months my baby was dreadfully constipated. He could not digest his food and screamed incessantly. I was almost in despair, but since giving him the Tablets he has been well and is growing splendidly." This is the testimony of Mrs. S. Craig, 323 Bathurst Street, Toronto, and she is the mother of other children in a similar straits.

Summer is here and mothers should take special pains to guard their little ones against illness. At this season infant mortality is at its greatest; colic, diarrhoea and summer complaints can be guarded against and prevented by the use of Baby's Own Tablets. Keep a box in the house. The more you give your little one's life, the more you save your own. Sold by druggists or may be had by mail at 25 cents a box by addressing The Dr. Williams' Medicine Co., Brockville, Ont.

SOCIAL AND PERSONAL.

Again Will Enjoy Togetherness.
King Sunday School and friends will picnic at Idylwild Park, near Portage La Prairie, on Tuesday, 21st July. Arrangements have been made for a year for one ticket to cover both the railway and electric car trip to the gates of the park. The rate is 50c for adults and 25c for children. Special rates will be attached to the 10-cent table.

Competition for Prize and Gravel.
The Fair Pines is offering a prize for the best sheaf of fifty heads of grain in the straw at Nassagaweya Exhibition this fall. This will give the boys and girls an opportunity for a good-natured rivalry in selecting fifty heads of the most perfect grain—wheat, barley, oats or rye. The variety must be named in each case and the length of straw will be considered as well as the perfect character of the heads. After the exhibition the collection of entries for this special will be placed in the Fair Pines office for a week on exhibition.

Hearty Joint in Holy Week.
On the 21st June Mr. John K. Pallone, one of Acton's popular young men, claimed for his bride, Miss Mary Fortune, of Inuffels, a former resident of Acton. The interesting ceremony was performed in St. Vincent's Church by Rev. Father Greff. After a very pleasant honeymoon trip, the happy couple arrived in Acton, where they took up their residence at the corner of Church and John Streets, where they will be pleased to receive their friends. The Fair Pines has pleasure in extending hearty congratulations.

Have Handled Night Hideout.
Citizens have entered a vigorous complaint against a number of young men who have made themselves candidates for the county jail by their very objectionable conduct at the corner of Mill and Main streets the past two Friday nights. Between eleven and one o'clock they have been wont usually. Not only have their actions been boisterous and disorderly, but the continuous string of foul and blasphemous has been such as to characterize them as irreparable hoodlums. A member of the Council in forming the Fair Pines that the constables have been instructed to immediately arrest any guilty of similar misconduct in the future.

Lord's Day Alliance Tonight.
At the request of Acton Branch of the Lord's Day Alliance, Rev. T. Albert Moore, of Toronto, Provincial Secretary, will address a public meeting in the Baptist Church at eight o'clock this evening. The importance of the work undertaken by the Lord's Day Alliance is not generally understood. Information of interest to all anxious to preserve the Lord's Day from the encroachments of steam and electric railways, manufacturing corporations, who unfairly require many employees to work on the Sabbath, and the Lord's Day Alliance being an Acton boy who has won distinction, Mr. Moore is thoroughly informed on the question at issue. A large audience should be present.

A Roused Garden Party.
The annual garden party under the auspices of St. Alban's Church on Miss Moore's lawn on Monday evening enjoyed most auspicious surroundings. The glorious summer night was ideal, the attendance was large and the host of helpers were most attentive to the wants of their hosts of guests. The programme had much of merit, but a garden party is not usually the place where greatest deference is paid to the protocol proceedings. The artists of the occasion were Mrs. Willocks and Mr. Jones, soloists, and thirteen members of St. George's Choir, Guelph, Revs. A. E. Smith and D. Dick, Messrs. McClure and Graham and Messrs. McClure and Smith, Ed. J. Moore, and J. B. Lake, all of whom ably sustained their reputation. Miss Jeanie Smith was accompanist. Acton Cornet Band furnished a liberal number of selections. The lawn and orchard presented a very attractive appearance with the myriads of pretty Chinese lanterns all aglow. The receipts were upwards of \$300.00.

Doubling Our Business
We are going to make a mighty effort to double our sales for July. Our June business was simply splendid; every long way ahead of any June in our history. But to double our sales is a big undertaking. We believe we'll succeed. We opine that the bulk of really warm weather goods is still to be sold. Our stock is double what it has ever been before. Our best efforts will be given to rush it out. It's only a matter of a few weeks. But if you'll follow our announcements from day to day, and compare price with prices anywhere you'll readily understand the soundness of our purpose. The store is bristling with bargains. After all, these are the convincing arguments.
