The New York Sun a few days ago in an editorial headed "The Call of the Baskatchewan," wounds a warning regarding Canada's immigration inroads on the United States. It says: "We cannot close our syrs to the fact that Canada is attracting a large percentage of the best lumigrants who come to the United Statesthose who till the soil and help to develop the resources of the country. Upon landing in New York, they go west to Nebraska, Kansas, the Dakotas and Minnesota to take up land or buy it with their savings. In the Western States the new arrival learns that there are no public lands left, but he hears that in the Canadian Northwest there are fortile lands for a song and that if he is willing to live on the fringe of civilization he can have a homestead. He moves his belongings across the frontier, indifferent whether he is to become a Canadian or an American citizen, if he can have what his woul longs for, a plot of ground to call his own.

WELL AND STRONG.

FTER ELEVEN YEARS OF GREAT SUFFERING.

A Wonderful Tribute to the Power of Dr. Williams' Pink Pills to Cure Blubborn Diseases. Proof upon proof has accumulated that: Dr. Williams' Pink Pills will cure when doctors, hospital treatment and all other medicines fail. Paralyzed limbs have been restored to strength, rheumatic sufferers made notice of the authorities in Canada, well, weak, ahaemic girls and women exercise of his untiring energies. Millinery and Tress Goods Opening.

THURSDAY, FRIDAY AND SATURDAY, Oct. 1st, 2nd and 3rd.

Our semi-annual opening has come to be an important event with the ladies of Acton and vicinity, and in point of range and style of goods to be displayed this one bids fair to eclipse our former successes. Miss Watson, who is in charge this season, has made special visits to the American markets in order that our showing might be particularly smart and up-to-date, and we await with pleasure your verdict on the success of her efforts.

Opening-beginning Thursday, Oct. 1st.

is the sincerest form of flattery, but many of us and indeed We make a specialty of buying our best waistings and costume cloths in single waist and dress ends only, and purchasers here are thus perfected from that form of flattery, and assered that their purchase is one which is not easily duplicated. No time is wasted in placing before our customors all that is smart and offective in the season's new fabrics, and a spare half-hour spent in looking through our dress goods department will give you an idea of why this is the bullest department in the store. Our stock embraces new plain and ticke effects from 5% to \$1.50 per yard and as a criterion of what is shown and worn in larger places will amply repay your inspection whether you purchase or not.

In Spite of the Good Times

There are still a few of us who do not object to saving \$5.00 once in while and no surer or easier plan can be presented than our "Opening" Sale of Clothing. Our \$10,00 and \$1250 Suits have already made a reputation for themselves and coming as they do this season in the swell new gray designs and as well as in our guaranteed unfadable, unshrinkanle blue and black serges, their friends, already numerous, are in a fair way to be doubled. If ou are not already wearing one drop in and look them over and you'll join us in saying that your tailor down't put out better work at \$18.00 and \$20.00.
