PUBLIC WARNING.
The publishers of The Family Herald and Weekly Star, of Montreal, warn the public regarding an offer made by certain papers in which another Montreal paper, with a somewhat similar name to The Family Herald, is offered in a clubbing combination. It is reported to the publishers that in some cases the offer has been accepted under the impression it was The Family Herald and Weekly Star that would be necessary. The paper in question has no connection whatever with The Family Herald and Weekly Star. It is The Family Herald and Weekly Star that is offering the handsome premium pictures and large colored maps of the Dominion as mentioned. "Family" should be used when addressing that paper. This caution should have the effect of putting people in their guard.

NEWS OF LOCAL IMPORT.

New Block to be Built.
Mr. G. C. Clark has purchased from Mr. Robert Agnew the vacant lot between the Clark House and Dominion Hotel. Mr. Clark is asking for tenders for a new brick block of stores to be erected on this premises next spring.

Third Annual at Home.
The third annual at home of the employees of W. H. Stacey & Son, Limited, will be held next Wednesday evening, the night before Thanksgiving. Mrs. J. H. Stacey, of Toronto, will furnish, under a food supper will be served during the evening and a very enjoyable time is hoped for. The affair is as usual by invitation.

Wedded Miss Joseph's.
The marriage of Miss Annie O'Neill, of Lincoln, and Mr. Arthur Cooney, of Toronto, was celebrated at St. Joseph's Church on Wednesday morning of last week. Rev. Father Feeney officiated. The happy couple proceeded to Lincoln for the wedding breakfast and left for Toronto by the evening train and will make their home in that city.

Wesleyan 11-Centenary.
The special series of evangelistic meetings in connection with Wesley's 110th anniversary was commenced in the Methodist Church on Sunday, Rev. H. Sherlock, of Toronto, being the preacher. Mr. Sherlock is preaching each evening this week. He has a far-reaching appeal to the people of the Word of God and places the Christian's privilege and duties upon a high plane. The services will continue to-night and to-morrow evening.

A Broken Arm.
Last Wednesday Mr. Harry Gibson was doing some carpenter work at the dwelling on Mr. S. Z. Bennett's farm, Erin, a board fell from the corner and, striking him on the arm, fractured the bone. He was taken to the hospital and Dr. Gray reduced the fracture. It is rather a singular coincidence that two weeks ago William Gibson, also carpenter, had his arm similarly fractured.

Death of Rev. D. L. Brethour.
Rev. D. L. Brethour, Ph.D., died suddenly at Niagara Falls South on Saturday. He was one of the pioneers of Methodism in Ontario, entering the Wesleyan Conference in 1867. He was President of Niagara Conference in 1887, and occupied positions of responsibility in the Church. He was an ardent advocate of prohibition and during his pastorate at Milton was one of the most effective workers for the adoption and enforcement of the Scott Act in the province.

Reasonable Closing Hours.
Messrs. C. F. Grayson & Co. are setting an example in the matter of early closing which all merchants in town might follow with comfort to themselves and their salespeople, and will be inconsequential to the public. They close in compliance with the provisions of the early closing by-law on Monday, Tuesday and Thursday at 6 p. m. and now give notice to their customers that the store will be closed at 9 o'clock on Wednesday and Friday and at 10 o'clock on Saturdays.

Haggie, hamocks, oak cakes, short bread, and a that will form the appetizing menu for the Thanksgiving Night Supper in Knox Church, of which the pastor, Rev. J. H. Stacey, is the main attraction, but there will be interesting programme as well. The pastor, Rev. J. C. Wilson, B. A., will deliver an address; Prof. Johnston, Scotch Solist, of Hamilton; Miss Minnie Holmes; Piper Murray, of Toronto; and the choir of Milton will each give numbers sure to warm the hearts of Scotchmen. The supper will be served from 8 to 8 o'clock.

Domestic Hotel Changes Hands.
Messrs. Clancy and Hopkins, proprietors of the Dominion Hotel since January last, having decided to dissolve their partnership, have disposed of the hotel property and business to Mr. Albert Lehmann, late of the Brock Road Hotel, near Guelph. Mr. Lehmann takes possession in a couple of weeks. The Dominion is the well known Agency's Hotel and has done a thriving business with the travelling public for thirty years. Messrs. Clancy and Hopkins have done a good business and hand over the property to the new proprietor in splendid condition. Mr. Lehmann comes to Acton with recommendations from the License Inspector of Wellington, has had a long business experience, and if he keeps the Dominion up to the standard of the past years will no doubt continue to have a large patronage.

New Books for the Public Library.
The Book Committee of the Free Library has selected a considerable number of new books for the library which have arrived and will in all probability be accessible to readers by Thanksgiving. The library will then have upon its catalogue 400 volumes of books of history and historical interest; 180 of biography; 200 of voyages, travels and adventures; 230 of science and art; 470 of general literature; 81 of poetry; 105 religious works; 212 of fiction; and 98 miscellaneous, in addition to which are a number of valuable books of reference. All these are loaned free to residents of the town, any of whom Miss Laird, the courteous Librarian, will be pleased to have call at the library any Monday, Wednesday or Saturday evening to make selections.

Last of the Year.
Next Thursday, 15th inst., having been proclaimed a day for general thanksgiving let us give thanks with becoming gratitude. The proclamation is in the name of King Edward VII. says: "We have been pleased Almighty God, in his great goodness, to vouchsafe this year unto our Dominion of Canada a bountiful harvest and other blessings; We, therefore, considering that these blessings enjoyed by the people throughout the world, in addition to all for a solemn and public acknowledgment, have thought fit by and with the advice of our Privy Council for Canada, to appoint, Thursday, the 15th day of October next, as the day for general thanksgiving to Almighty God for the bountiful harvest and other blessings with which Canada has been favored this year, and we do invite all our loving subjects throughout Canada to observe the said day as a day of general thanksgiving."

DEATH OF MRS. W. J. HAMMILL.

Mrs. W. J. Hammill, nee Miss Ethel Foster, well known and much beloved by many Acton friends, who but three short weeks before was married in Guelph, passed away on Tuesday of last week at the Alexandria Hospital, Guelph, where she had been a patient for two weeks. The deceased had gone to Guelph for her marriage to spend a week with the relatives of Mr. Hammill there, prior to leaving with her husband for their home in the North West. While there she was taken ill with appendicitis and though every possible effort was made to restore her, she passed away Tuesday evening. The deceased was a daughter of the late Mr. and Mrs. Thomas Foster, of Mill, and is survived by a brother and sister, the former living in Ingersoll, and the latter a nurse in the hospital at Flint, Mich.

H. H. Scott's Military Opening.
In spite of the very inclement weather a large and enthusiastic gathering of ladies assembled on Thursday evening on the occasion of the military opening at the "Hay Store." The whole store, both upstairs and down, was beautifully decorated and brilliantly lighted. Seasonable displays of dress goods, trimmings, etc., were made on the first floor, while above, Miss Park, in charge of the ladies' ready-to-wear department, had arranged a magnificent showing of all the fashionable and dainty things, which go to make up the wardrobe of the modern woman of distinction, of course, was the large military show room, which was most effectively and artistically draped. The spacious "ezy corner" was a favorite rendezvous during the evening, and was so filled to believe that if the "ezy corner" and music became permanent features of the "Hay Store" military opening the promise will have to be enlarged.

Miss Margaret Zuelner, of Berlin, was the pianist of the evening. The display itself was said by all present to be superior to any ever shown at any previous season by Mr. Scott, and to be a model of style and variety, equal to any displays made by military establishments in much larger places.

Miss Watson and Miss Wood, both newcomers in our midst, handled the large crowds during the evening and the two succeeding days with such tact and skill as to make many new friends for themselves and their department. The large number of ladies looked and talked and heard very pleasing token of the public appreciation of their efforts. The leading styles shown were the American Rembrandt, a large black hat with facing of folds of velvet, crown and brim of black tulle; large plumes in front, caught with steel quill stem, strapped in black Duchess ribbon. A Mink Topper with brim and underbrim of mink, crown prettily draped in silver and green velvet, while the underbrim lined the crown, caught with military cream Venetian applique, was a very taking style. The Baby Pote Hat, made in poke style of garnet silk velvet, silk brim, crown of springs, long black tulle, large plumes in front, caught with steel quill stem, strapped in black Duchess ribbon. October is the month for heavy wools in Ladies' and Children's Coats, jackets and heavy Wraps. We've got all the attraction for an enormous business. September nearly doubled our sales. October should be even more. We have everything in shape to do it. We never allowed such a variety of the best styles in Ladies' Tailoring. There's something so chic and stylish about our garments so different from the ordinary run of goods. There's a reason for all this. It's the history of months of labor, thought and care. Generally speaking, Paris supplied the styles and Berlin did the tailoring. Try as you will, no makers of the world have thus far been able to compete with the finish, modeling, style and moderation of price of L. J. Gorman Tailored Coats. You will readily see this in comparison of our stock with others.

Then the Variety.

Not many garments of any one style. No fear of having the town filled with the same design. Many kinds but not many of each kind. This Guarantee exclusiveness, besides every form and figure is sure to find what it wants in this immense variety.
