A Freight Car Capsized.
There was another Sunday mishap on the G. T. R. While shunting on one of the sidings a runaway car ran through an open switch and capsized. It was fortunate the switch was open for those who saw the accident as if the switch had been closed the car would have run on the main line and shown the goods to the "Dolly" where it would have been on an approaching freight.

The Stratford Auxiliary cleared away the debris in a few hours.

A New G. T. R. Station for Acton.

It is reported that the citizens of Acton are anxious for a new station for the G. T. R. The authorities are likely to hear from them in the near future. A rumor has reached the P. N. C. that plans are on foot for a new station to be built here. That the building will be creditable to the town, and that it will be in all respects modern and up to date, with convenient offices for the agent and staff and commodious waiting rooms and ladies' waiting rooms. Our citizens generally will hope the rumor is authentic and will watch approvingly the progress of the work.

A Delightful Sunday School Banquet.
The annual banquet of the Methodist Sunday School was held on Monday evening and proved thoroughly enjoyable. The scholars and their parents were the guests of the affair and teachers of the school, the female programme being provided for to all.

The School was converted into a banquet hall, and tables laid with all the delicacies the ladies know as well how to provide. The tables accommodated 100 at each sitting and were three filled. During the banquet the Sunday School Orchestra played a generous number of selections which were much appreciated. The programme proceeded to the auditorium for the choruses, solos, recitations, readings and instrumental selections by the scholars and soloists by Mr. A. C. Chapman, Rev. A. J. Snyder, and Mr. W. H. Stewart, in a brief address, encouraging ways.

The Superintendent of the school presented his annual report and Mr. W. H. Stewart, secretary-treasurer, gave interesting reports of the school's progress. The school presented their Christmas Offering. A Missions amounting to about \$250, which added to their monthly gifts to missions gives an aggregate of nearly \$100 for the year. The usual Christmas treat of sweetmeats was distributed at the close of the programme. Mr. H. P. Moore, the Superintendent, who is just completing his thirtieth year of continuous official relationship with the school, presided.

Methodist S. S. Entertainment.
An previous Sunday the Methodist Sunday School had arranged for an unique entertainment for their Christmas night concert. This year Frank Yeigh, the well-known travel lecturer, will give his latest and best "Picture Travel Talk," entitled "The Grand Tour Through Home and Foreign Lands." Mr. Yeigh is widely known as a lecturer, particularly on topics of travel, and his reputation in capacity is so distinct that it need not be mentioned. The lecturer, with the aid of the latest stereoscopic views carries his listeners with him through Canada's Silver Belt from Toronto to Halifax, then an Atlantic trip is taken and a tour made through Old England and Scotland, from Edinburgh to London.

Next the Continent is visited and the scenes and experiences in Modern Paris and rural France are vividly brought forth. The trip is continued to Switzerland among its mountains and valleys and then down the Rhine from Heidelberg to Cologne, next Norway with all its wonders is visited and finally the travellers are landed again in Canada. Besides being highly instructive Mr. Yeigh's travel talks are decidedly entertaining and will give all present an opportunity which ought not to be missed, not only to spend a very pleasant evening, but also to gain a great deal of information in regard to our great country and the lands across the sea. The Sunday School Orchestra will add interests to the programme.

'HAD BEEN THERE HIMSELF.
"Christmas Eve" has made so much pleasure for the stern parent will only let his min' wander back to the time when he made a dash for the ol' chimney-piece himself," says Dr. Nutting.

NASSAGAWEVA.
The township loses this week one of its most highly esteemed pioneers. Death came to this aged resident on Sunday after an illness of two months. The remains were interred in Glenora Cemetery on Tuesday afternoon, Rev. E. L. Plang, R.D., officiating at the funeral. Mr. Easterbrook settled in Nassagaweyan back in the forties. He was a man who enjoyed the confidence and respect of all. He was for many years an official member of the Methodist church, a Justice of the Peace, and was for some time a member of the township council. Fragrant memories of his life and character will ever remain.

The Sunday School anniversary services last Sunday were a pronounced success. Rev. A. J. Snyder, Georgetown, preached very interesting sermons. Instead of the tea-meeting announced a free will offering was taken and was very generous.
