HE STRONG FEATURES OF OUR SPRING DRESS GOODS.

UR Dress Goods Department is our particular care and pride. Its standards of quality are so strict that just "goods" won't do. "BEST" is what's bought and sold there always. Experience has taught us that our customers prefer the fabrics ranging from 50c to \$1.50 per yard in price. The best spring patterns that the market produces for retailing at these prices are now on display in our Dress Goods Department-and they are better than those usually sold for such prices elsewhere. The new and popular, as well as much that is exclusive, is represented in our spring stocks, in a wide range of beautiful colorings and weaves, and nowhere can unre-excellence and style be had for lesser price.

When you come to make your selections, you will see that we haven't at all exaggerated the ad--- vantages of our Dress Goods Department.

Accept our invitation to come and inspect them. The window display will be worth seeing, too.
