BRIEF LOCAL ITEMS.

The fragrant apple blossoms are in bloom.
Sunday School Convention at Norval tomorrow.
Nature now rejoices in her beautiful summer dress.
Work has commenced on the addition to the Dominion Hotel.
Saturday workers in the month of June—the month of brides and roses.
The meadows were given a new lease of life by Sunday's copious showers.
The splendid warm showers on Sunday gave vegetation a noticeable impetus.
The trees are in full leaf again. All signs of the long winter have disappeared.
The Fire Brigade is making arrangements for their big demonstration on Dominion Day.
John Bonerville has sold out his ash and door factory to Mr. Jones, of Ottawa—Milton Champion.
Mr. Jas. Deane has purchased from Dr. Lowry the lot opposite Mr. Wm. Kenny's residence.
The law against the setting off of fire-crackers in the municipality was well observed on the 21st.
It is rumored that a new glove factory is to be established in Arnold Brothers' former stand on Mill street.
Guelph had two fires resulting from fireworks on the 21st. The losses amounted to several hundred dollars.
A Toronto boy, who was caught shooting robins with an air gun the other day was fined \$1 or 10 days in jail.
Owing to the June meeting at Guelph next Sunday the services in the Episcopal Church have been withdrawn.
The heavy shower at the hour of evening services perceptibly thinned the congregations of the churches on Sunday.
The annual excursion to Guelph Model Farm, by the Halton Farmers Institute, will take place this year on Saturday, June 15th.
Miss Manie Manville has had the barn on the Fifth Street side of her property removed, and a neat coal and wood house erected.
Mr. A. O. Boardman is foreman of the coroner's jury investigating the Hay Street crossing fatality in Toronto on the night of the 21st.
Mr. John Shanks, of Patebridge, Man., has favored the Free Press with the copy of the special collection of the Marquette Reporter.
The grandchildren for a half century hence will be told with serious reminiscence of the many steam which fell here on the 27th May 1907.
The Young People's Society of Knox Church will enjoy a social evening together to-night at the home of Mr. H. L. Ross, Fairview Ave.
The first league game of the C.L.A. series will be played in Flora next Wednesday. Acton expects to commence the season's victory with the game.

NEWS OF LOCAL IMPORT.

Change in Old Country Postage.
The post office authorities have given official notification of the change in newspaper postage between Canada and the United Kingdom, which came into effect on May 1. The change is a reduction from one cent for two ounces, to two cents per pound.
Acton Bowling Green in Commission.
Squaro, was opened for the season on Victoria Day, and the bowling enthusiasts who participated in the day's play enjoyed the return to this splendid pastime very much after their half year's rest. Caretaker Hayes has the green in splendid shape this spring, and few greens in the country will be found in better condition. President Second and the Green Committees have been getting off the appointments of the premises in an attractive shape and players will enjoy the surroundings. The lawn is growing well on the new lawn added last fall, and in two or three months it will be fit for use. It will add some four dollars to the capacity of the green. New players are being inducted to membership and the season promises to be the best since organization.

Victoria Day Enjoyably Spent.

This historic holiday was very joyfully and enjoyably spent by citizens generally, by numerous visitors who came to town for the day. There were no special attractions, but the day was delightfully spring-like and various methods of securing pleasure were adopted. Family gatherings were numerous. There were picnics, and fishing excursions, and driving parties, and games of tennis and bowls, and there was considerable out of town visiting. The town presented an unusually gay appearance with an abundance of flags and bunting displayed on public buildings, business places and private residences and homes. Acton Citizen's Band accompanied numbers of our citizens during the forenoon. Their playing was appreciated and their exchequer was somewhat enhanced as a result. The 21st of May will always have a warm place in the hearts of Canadians.
Foreign Missions the More Important.
The weekly meeting of the Young People's Guild of the Presbyterian Church, last Thursday evening had a special attraction, somewhat out of the usual order—a debate "Resolved that Home Missions are of more importance than Foreign Missions." Dr. Auld presided. The first defender for Home Missions, he was followed by Mr. W. J. L. Humphreys, superintendent of the Episcopalian Sunday School, who took just as firmly the side of Foreign Missions. Mr. Jno. Cameron, supported Mr. Auld, and Mr. W. S. Galbraith backed up Mr. Humphreys. The brief five-minute summaries given by the debaters at the closing of the contest added warmth and life to the proceedings. The judges, Rev. Mr. Wilson and Messrs. H. Henderson, M.P., and J. H. Reed decided that the Foreign Mission side had won in the debate, although the affirmative debaters deserved much credit for their patrician stand.
Equipping S. S. Convention.
The solemn convention of Equipping Sunday School workers will be held at Norval tomorrow afternoon and evening. A very interesting programme has been arranged. It includes addresses by Mr. E. A. Hardy, of Toronto, formerly Teacher and Secretary of the Provincial Association; Rev. H. A. Macpherson and Rev. Dr. Gandler, Toronto; Rev. J. C. Wilson, B. A., Acton; Mrs. H. W. Connors, Georgetown, and Mr. W. J. L. Humphreys, the indefatigable Secretary. Opportunity will be given for free discussion during the afternoon session. The Norval friends extend a cordial welcome and will serve tea to all who attend at 5.30 o'clock. Acton schools should send a large delegation. The programme is quite unique in that it gives a full statistical report from nineteen different schools of the townships, showing membership, attendance, number of scholars who united with the church during the year, amount given for missions, etc. A copy will be found very interesting.
A Fine Exhibition Game.
The Lacrosse Club did much to popularize the game this season here by engaging the Royal Canadian Club, of Donalton, for an exhibition game last Saturday. The Indians were a lanky looking lot of athletes and at the outset it looked as if the local players would have their hands more than full to win the game. The lanky visitors excelled in combative and field work, but when it came to shooting at the goal they were very deficient, and the result showed that Acton could freely outplay them. In the first quarter Acton scored the first goal and were followed by the Indians who also scored. In the second quarter they each scored again. The third quarter was all for Acton three goals being won in succession in short order. This ended the game as the Indians were anxious to catch the 2.30 train for the west. Acton club certainly played well and won golden opinions from the 200 or 300 spectators present. Mr. Lorne Irwin refereed the game. Another match will be played next Saturday with the Escholton club of Hamilton, one of the strongest teams of the province.
An Enjoyable Letter From Home.
"We do not receive letters any more," says a former resident. "Our friends have no time to write them. There are old friends by the hundred who write me like in hours, but correspondence out of the question. We are not denied communication with them, however. The local paper keeps us informed of what is happening in communities to which memory is always more or less attached. They have a value and an interest which even the editor does not feel. There may not be a fire, a fight, nor a clerk in town every week, but all the news there is news of interest to those who are a hundred or a thousand miles away. Next to going back and shaking hands again, next to walking the old streets and visiting the old scenes, is reading the local paper." You can have the Free Press sent you to your friends anywhere in Canada or Great Britain for only 35c per annum in advance by mail from the Williams Medicine Co., Brockville, Ont.

In This New Electric Railway?

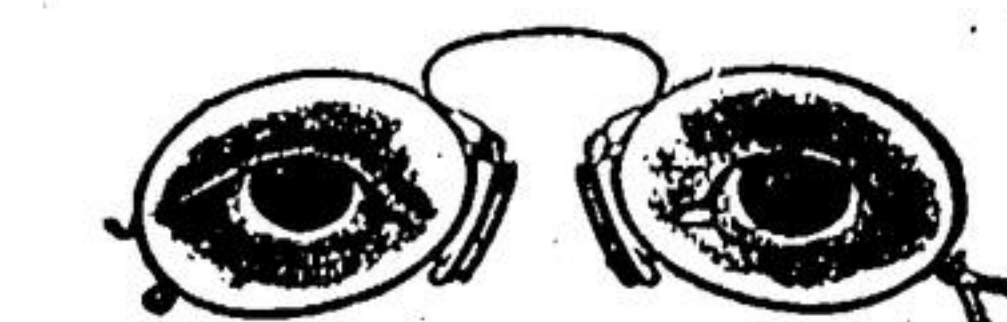

A company of surveyors have been taking levels through Acton and now working westward. The general opinion is that a new electric railway is being projected.
Generous to the Blind.
The members of Acton Citizen's Band desire to express their thanks for the generous support tendered by citizens on the occasion of Victoria Day. Owing to lack of time they were unable to play at as many residences as they desired, but they will favor others at an early date.
Open to Woodstock in August.
Rev. T. G. Wallace, rector of St. John's Church, Oakville, has been offered and has accepted the rectorship of St. Paul's Church, Woodstock. He will remove to his new charge some time in August. Mr. Wallace has been getting off the appointments of the premises in an attractive shape and players will enjoy the surroundings. The lawn is growing well on the new lawn added last fall, and in two or three months it will be fit for use. It will add some four dollars to the capacity of the green. New players are being inducted to membership and the season promises to be the best since organization.

Have You Defective Eyesight?

If all the eye troubles come from neglect. Thousands suffer from eye strains without knowing the fact. Most cases of headache and nervousness are due directly or indirectly to eye strain. Drugs afford only temporary relief. My scientifically adjusted glasses will positively remove eye strain with all its attending afflictions. My examinations are scientific and thorough and I never advise the use of glasses unless necessary. If your eyesight is defective or if the glasses you now wear are not comfortable, do not neglect the opportunity of having them properly attended to.

A Mixture of January and February Weather in the Month of May is the Cause of this

SALE
Of Women's Spring Suits and Jackets

Chicest Models at a third less than regular prices.

If we had the weather we should have had this month at least eight out of ten suits and jackets we now have in stock would have long since found purchasers. So we are "up against it" as it were and we have to adopt severe measures to bring our stock into proper dimensions for this time of the year—have to reduce our prices on these garments in order to promptly dispose of this surplus.

Ladies' jackets worth up to \$15.25 at \$1.05.
Ladies' Spring Suits in light tueses and tweedens 1-3 to 2-3 under prices.
Two-piece Ladies' Raincoats, prices \$6, \$7.25, \$10, \$12, \$13.50 and \$15, subject to a straight discount of 25 per cent.
Ladies' Blue Silk Skirts, worth \$15.00 at \$10.00.
Ladies' Black Silk and Gray Cashmere Skirt worth \$14 for \$9.
Children's Summer Dresses, \$1 for \$1.50 and \$2.50 for \$1.00.
