Our Cricketers Win from Brampton Acton played a friendly game with the Brampton Oricket Club in the nark here on Saturday, when the local cricket team completely outclassed the visitors. Acton has a good cricket team, and, no doubt would have given a good account of themselves had they iolned the Western Ontarlo Lengue, which they, unfortunately heard of too late to send in their application. Boardmore, Windmill, Wood, Garrett, and Potts did the scoring for the locals, O. A. T. Beardmore hitting no on than seven fours. Hix of Acton's team did not bat, the lanings being doclared closed. Hrampton could not hit Acton's bowlers, Hoardmore and Windmill, who took their ten wickets for a total of 21 rune: The crowd who attended was not very large, helng composed chiefly of Acton's old orioketets. No doubt there would have been a much larger attendance to witness this manly and scientific game had it been properly advertised. The public was not made aware of the match or they would no doubt have given the players a good gallery. The score was as follows:

R. Windmill, o Tippet, b Ingram .. 2 J. Wood, o Burnie, h Tippet..... Garrett, b Tippet...... 1: O. T. Beardmure, o Burnio b....
