Thy sons and thou shall stand."

HARUM-SCARUM By Julius Symington Fletcher.

Chambra and a superior of the same of the OR almost five minutes the house had been so quiet that Mrs. Gower was breathing a sigh of thankegiving for the unusual peace, when, alast a strong smell of larning, the backing of an excited dog, a clamor from the chicken-house, and the chorus of approaching children brought her to her foot.

"There's a cake in the oven burned to a cinder !" "Hetty's dog is chasing the chickens !" "The cat was in the safe, with her head in a milkpan!" As the children came running, like Job's messengers, each with a tale of woe, Mrs. Gower gronned :

"It's that harms-scarum Hetty! What will she do next?" Her question was answered by a crash and a scream that made every one rush to the dinlog-room. There the unfortunate Hetty stood, silent and dis- it is true that Mrs. Gower felt it necmayed, before a deluge of china chips, dragged down.

"The best set!" gasped Lola. "Everything's going, I guess," said "And just as the blshop is condag!"

"Bishop's coming, china going, Hety breaking t" chanted Forgue, adding quickly, "Here's mamma!" "What are you doing?" cried poor Mrs. Gower. "What! All the best chinal Forgue, stop that noise, and get a basket or something. How did

this happen, Hotty? The set is quite "Why," stammered Hetty, staring miserably at the wreckage, "you all say I never do anything but what I ought not, so I thought that while the birthday cake was baking I'd just rinse these off for to-morrow, and save you the trouble. I guess the tray must I've picked five this morning, -that's have been sticking out over the edge of the table, because when I heard Paycho barking, I remembered that I'd sheets, a dollar for copying papa's to their annoyance. forgotten to shut the chicken-house sermon's, bouldes my allowance for "You didn't find him, did you, door when I went after the eggs. And this month and the birthday money Forgus?" she asked, tearfully, when a thing, anyhow!" so I started after Psyche, and I must from Aunt Jule." have hit the tray, for it tipped up, and

the things fell off and broke." "No! Did they?" asked Forgus, innocently. "How mean of them! Even Payche grits his tooth in despair -don't you, Hykes, my beauty ?" The dog, crouching at Hetty's feet, thumped the floor with his tall and

looked from one face to another for some explanation of his mistress's ellence, but not one relenting eye did "Go to your room, Henrietta, until I can think of some punishment for you," said Mrs. Gower, stornly.

Hitting on the edge of the bed in her room, Hetty bowailed her lot, while Sykes ant on the floor in front of her, a wistful dismay in his homely face hat made Hetty lough in spite of her-

"It's all your fault, you old rareal, for planing chickens when you know you shouldn't, and now I've got to pay Hykos orawled nearer, and hung bis head dejectedly against Hotty's feet. These two friends shared all their Joys

and sorrows-principally the latter, for one or the other of them was goncrally in disgraco. Hykos, the ugly and pure bred bulldog,-called "Psycho" in affectionate derision-had come to be looked upon with the good-natured contempt bestowed on his owner, who was blamed,

as a matter of course, for all the mischief which could not be traced-and not unreasonably blamed; for, in spite of the lest intentions, Henrietta managed to do more damage than all the rest of the family.

What more natural than to say, "If Hotty did not do it, Psyche must have done it? Harum-scarum Hotty can't see where she's going, even with her goggles on, and that pet of hers can't walk straight on his bow-legs." Yet we bright and energetic was the

"harum-scarum," so conscious of her faults, so anxious to make reparation by willingly doing all the disagreeable things which must be done by somebody, that somehow no one remembered her faults when her services were

When the cook left auddonly, Hotty came down first in the marning and got the breakfast, smilling blissfully in spite of sporohed cheeks and burned fingers when the family profeed her egge and muttine. Or when the obliwas discovered that the best-house . "Don't forget, Miss Hetty, any time your friend for a set of chica!" - key had been left at home, every one you want to sell him, that I've spoken . Everybody seemed to be oppressed ing ever 2.600 years.
