BABY CHILDS.

One mother happily expressed her opinion of Baby's Own Tablets when she said "there's a smile in every dose." In home where the Tablets are used there are no crows, fretful, sickly children. The Tablets keep the bowels well and keep them well. They cure indigestion, colic, constipation, diarrhoea, teething troubles and all the other minor ailments of childhood. They can be given with absolute safety to the new-born child, for the mother has the guarantee of a government analyst that the Tablets do not contain one particle of opiate or poisonous soothing stuff. Isn't such a guarantee worth something to you, mother? The Tablets are sold by all medicine dealers, may be had from The Dr. Williams' Medicine Co., Brockville, Ont., at 25 cents a box.

Climbing Toward the Top.
Mr. Francis Pranch, son of Mr. J. Francis, Willow Street, took a situation with Messrs. Elias Rogers & Co., coal dealers, Toronto, eight years ago. By careful attention to his duties Mr. Pranch has won the confidence of his employers, who have manifested this by frequent promotions to positions of greater responsibility and increased remuneration. In April last he was made manager of the company's yards at North Toronto. This he has filled with great satisfaction, and at the beginning of the present month, he was advanced to the position of manager of the main yards on the Esplanade, with fifty men under his control. The new situation commands a considerably advanced salary. Mr. Pranch's Acton friends congratulate him upon his success.

The interesting ceremony was performed at six o'clock by Rev. Matthew Wilson, M.A., Rector of St. Alban's Church, in the presence of about fifty guests. The bride wore a beautiful gown of white satin with a train of cream tulle, and carried a bouquet of pink carnations. The groomsmen were Mr. Harry Kimber, of Toronto. The bride was given away by her brother James, entered the aisle accompanied by a beautiful arch which was decorated with evergreens, carnations and roses, in the centre of which hung a beautiful white bell. After the ceremony the company sat down to a sumptuous wedding dinner at the conclusion of which congratulatory toasts were drunk to the bride and groom. Mr. and Mrs. Hilditch were seated in their new home on the sixth line where their honeymoon will be spent. A very pleasant and attractive array of wedding presents was received. The guests were from Toronto, Brampton and Nassagawaga.

Appointed to a Good Position.
The position of managing editor of the Canadian Grocer, published by the Maclean Publishing Co., at 10 Front St. East, Toronto, recently became vacant and the company advertised widely for applicants for the position. Applications were received from a wide area—from throughout Canada, the United States, and Great Britain. The appointment was made last week and Mr. Ed. J. Moore, son of the editor and publisher of the "Panic Press," has had the good fortune to be chosen for this important position. A very large number of the numerous applicants for the position were through the front window of the Grocer and the Busy Man's Magazine, both published by the Maclean Publishing Co., and his work has been widely regarded with satisfaction. No doubt the five years spent in practical training in this office, added to his collegiate advantages, has served to fit him for the position. The Canadian Grocer is a weekly trade newspaper of seventy-six pages, devoted to the grocery, fruit, provision and food-stuff trade of Canada. Its opinions on matters pertaining to these industries are regarded by the various business concerns as authoritative; its weekly wholesale market reports are reliable and useful. It is a wide influence, circulates everywhere in Canada, goes into many places in Great Britain, United States, West Indies, South Africa, and Australia, and enjoys the confidence of its clientele in a very marked degree. Mr. Moore will bring his characteristic energy and keen business insight into play in maintaining and enhancing the high standard to which the Canadian Grocer has attained.

PRESENTATION IN NASSAGAWAGA.

Mr. Robert Nellis Presented With a Bible and a Complimentary Address.
On the occasion of the departure in the near future of Mr. Robert Nellis to Cuba, a large gathering of the members of the Orewassa Corners Methodist Church Ladies Aid Society and adherents of the church met together last Friday evening at his home in Nassagawaga for the purpose of bidding him farewell.

Mr. Nellis intends spending the winter months in Cuba, and the friends of Orewassa Corners Church, of which Robert is a member, felt that they could not let the occasion pass without showing in some way the regard and the high estimation in which he is held amongst them.

The evening was spent very pleasantly by songs and instrumental music, interspersed by very impressive addresses from Rev. D. H. Taylor, Messrs. R. H. Wainwright and W. Y. Gray, in which were emphasized the noble traits of this young man and their confidence as to his conduct in the future. They felt assured that he would prove himself a true man in every respect under all circumstances.

All present joined heartily with the speakers in their good wishes for a successful and enjoyable trip, and hoped that he would return in the spring invited to visit in every way by this venture.

At the close of the speeches the following address was read by Mr. Roy Wainwright, on behalf of the Ladies Aid Society, and Mr. Wesley Gray presented Mr. Nellis with an Oxford Bible:

DEAR BROTHERS—We, the members of the Ladies Aid Society of Orewassa Corners Methodist Church, take this opportunity of meeting together here, at your home, this evening, on the occasion of your departure, in the near future, to sunny Cuba, of expressing in small way the regard and esteem you are held amongst us.

You have ever proved yourself to be a young man of true Christian integrity, and in all the duties pertaining to the interests of the Church and Sunday School.

We have found you to possess in a marked degree those magnetic qualities of mind and disposition that are essential to the making of a good and useful man.

As a small token of our respect we would ask you to accept this Bible, and we trust that it may prove a friend, a guide and a consolation to you on your journey towards which you will set your face in a few days, and in which you will make your home for a while, God permitting, also throughout your whole journey of life.

We trust and pray that you may have a safe and enjoyable voyage; and we hope that in God's providence you may long be spared to live on the Christian life to which you have laid such a good foundation, and that when you return here on earth it may be to enjoy blessed peace and happiness in the heavenly kingdom.

"Therefore my beloved brethren, be ye steadfast, unmovable, always abounding in the works of the Lord, for as much as ye know that your labor is not vain in the Lord."—1 Cor. 15, 58.

Signed on behalf of the Ladies' Aid Society by:

Mrs. W. Y. GRAY
Mrs. W. A. MURRAY
Mrs. R. H. WAINWRIGHT

Although taken by surprise Mr. Nellis made a very feeling and appropriate reply couched in the following words:

DEAR FRIENDS—I cannot find words to express to you my thanks for this valuable present and too flattering address you have thought fit to present me with. It is indeed a great surprise to me and I am cordially taken altogether unawares. I did not expect anything of this nature because I did not think myself deserving of such credit. I do not know of anything that I have done to claim such respect, and sympathy.

I have spent many a pleasant and happy time amongst you and will carry away with me many tender recollections. I consider this a gift from God, as well as from the Ladies' Aid Society, and it shall always be held by me, a cherished treasure.

What Dr. Williams' Pink Pills have done for Miss Clendenning they have done for thousands—they will do for you. But you must get the genuine with the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around every box. If your dealer has not got the genuine pills you can get them at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Already there are indications of more than ordinary interest in the municipal elections of January next. Reeve Wainwright, who has served the town during the past two years with judgment and ability expressed his intention to retire at the end of the year. There will probably be a contest between Mr. John Farley and Mr. Joe Moore for the position of Reeve. Both have served the municipality for a number of years and naturally aspire to the position of chief magistrate of Georgetown.

Special Evangelistic Services.
Special services are being held in the Methodist Church this week and will probably continue next week. The attendance is encouraging. Rev. W. J. Smith, of Guelph, Chairman of the District, will preach to-night and to-morrow night.

In a Critical Condition.
The friends here of Mr. Gordon Henderson, have been in daily communication with Winnipeg the past week. The latest message that he was very weak, but that there were still hopes for his recovery. The pneumonia is largely confined to one lung. I wish to stop the press to state that this message has just been received by friends here that Mr. Henderson has altered. The remains are being brought home by his father, Mr. D. Henderson, M.P., and the funeral will be held from his father's residence at three o'clock on Saturday afternoon.

Honey Windows smashed.
Last Friday night and on several nights last week stones were thrown through the front window of the Orange Hall, Hornby. Every pane was smashed. On Wednesday night a half brick was thrown through the window of the Methodist Church. It cost \$5.00 to replace it. The Trustees Board of the church talks of advertising a reward for the brick-thrower, but the Orangemen think they know the breaker of their windows.

Another Drama in Preparation.
The Oddfellows are preparing to repeat the well-known drama: "The Social Glass" or "Victims of the Bottle," given by a local company in the town hall some twenty-one years ago. Thursday, 12th December, is the date of their presentation. The drama will be given by the following cast: Misses Beulah Johnston, Jean Hynds and Mary Robertson, and Messrs. Chas. H. Hilditch, Harry James, Geo. Hynds, R. H. Hornby, and Wm. Coleman. Mr. Harry James will take the same role as he had when the drama was previously given—John Farley, Lord of the Rising Sun Hotel. Mr. Eddie Pigott, the well-known humorist of Toronto, will sing between acts, and the Male Quartette will also assist in the programme.

MAKE NEW BLOOD.
This is What Dr. Williams' Pink Pills Do—That is Why They Cure So Many Diseases.

When persons have not enough blood, or when their blood is weak and watery, the doctors name the trouble anaemia. This is the direct cause of many common diseases, such as indigestion, palpitation of the heart, debility, decline, neuralgia, nervousness, rheumatism and consumption. The surest signs of poor blood are pale, general weakness, low spirits and headaches and backaches. If anaemia is not checked in time it will probably develop into consumption. There is one certain cure for anaemia—Dr. Williams' Pink Pills. These pills actually make new, rich, red blood, which fills the veins and brings new life, new energy and good health to bloodless people. In proof of this Miss Mabel Clendenning, Niagara—Fallers, Ont., says: "For two years I suffered from anaemia. I was weak, thin, had no appetite; I sometimes had distressing headaches and felt low spirited. My heart would palpitate violently; I could do no work and the house I held by me, a cherished treasure, and with such a friend as this I shall be able to surmount all difficulty and I shall in the future endeavor to follow my Saviour Jesus Christ more closely."

OUR GREAT November Sale

The fame of this extraordinary event is spreading in a lively fashion. From the adjacent country for miles around the crowds are coming. Saturday's trains brought us many shoppers from other towns, all of whom were delighted with the money saved on their purchases.

A sale of this kind planned for November is of exceptional importance. Just at the time when winter's wearables are most in demand. But we have before plainly told our reason for inaugurating this. Our enormous stock at this season are heavier than we care to carry, and so we take this means of cutting prices to unload.

Enormous choice and exceptional price reductions are prominent in the Men's Ready-to-Wear and Made-to-Measure Clothing sections and Furnishings; in Women's Coats, Skirts, Suits, Waists, Millinery, and Notions; in Furs and Fur Coats for Men and Women; Dress Goods and Silks, as well as Staples, offer most tempting bargains.

Next week's advertisement will contain details of this November Sale event of great interest. Study our columns carefully. The earnest activity of the opening days will increase as the month advances.

We Were Never So Busy In Our Garment Department

For the Past Two Weeks We Have Been Breaking All Selling Records In Our Suits, Skirts and Jackets

We don't often deal with past performances in our advertising—they may be gratifying to us, but they are usually uninteresting to our readers. However, this week we feel in duty bound to speak of past performances that date up to the present, and should interest you.

During the past two weeks we've sold nearly twice as many suits, skirts and jackets as ever before in an equal period. Here are three good reasons which account for this:

1. We, or any other store, never assembled any better styles, better workmanship, or any better all-round goodness.
2. Better assortments, a more diverse assemblage of styles or a greater stock was never displayed for sale in this store.
3. Last, but not least, Our Low Prices. Customers tell us that on comparison they invariably find our garments a dollar or so less on equal values.

If you will investigate these three reasons you will help us to swell our garment sales record.

Madam, you'd find a coat, one you'll enjoy every moment you wear it, for as little as \$8.00. And \$30.00, at the other extreme, a stunning coat. We offer other extra good coat values at \$10, \$12, \$13.50, \$15, \$18 and \$20. And the woman who wishes coats for the children can choose from an assemblage at \$2.50, \$4, \$5, \$6, \$8.50, \$10 and \$12. Special attention is called to the \$5 and \$6 values.

We will be glad to show them all to you.
