THE PRICE OF EVERY MAN'S, YOUTH'S AND BOY'S SUIT IN THE STORE.

NOT ONE SUIT RESERVED.

IT'S OUR ANNUAL PROINVONTORY SALO

"Sell all you can between now and February 1st," that's the order that has gone out from the head of the clothing department. Money is . easier to count than merchandise, and the splendid values now awaiting you are the result of this sweeping mandate.

One-Fourth off the Price of any Sult in this Store is a mighty big Reduction. For instance, a man's \$12 Suit would cost \$9 -A youth's \$8 Suit for \$6, or a boy's \$5 Suit for \$3.75.

Our advertising is kept singularly tree from high-flown adjectives, but on occasions like this even conversation must countenance the strongest emphasis of such a remarkable under-pricing of good clothing.

These Reduced Prices Will Not Continue After February Ist.
