**BRIEF LOCAL ITEMS.**

—Spring's coming, cheer up!

—Get ready for the spring freshets.

—Next Tuesday will be St. Patrick's Day, in the morning.

—And still Officer Carnahan is minus his official cap.

—The rollers and crews are back with us again—Spring's coming!

—The sun's bright rays and the milder weather are reducing the snow banks.

—Rev. C. H. Emerson, of Burlington, preached in the Baptist Church last Sunday afternoon.

—Mr. Hugh McDougall and family will move into their new home on Frederick Street next week.

—The morning service of the electric lighting system will be discontinued after next Saturday, until next fall.

—The numbers of the Canadian Press Association and their wives had an enjoyable day at the O. A. C. Guelph, on Saturday.

—Mr. John Chavel has disposed of his laundry business to Mr. James Webster. Mr. Chavel will remove to Dunville next month.

—Officer Carnahan reports that there were fifty-two interments in Fairview Cemetery during the twelve months ending March 1st, next fall.

—The trees presented a Christmas-like appearance again on Tuesday morning after the falling of the gentle snow the night before.

—The man who does not advertise because he is afraid of being noticed is like the light that is hidden under a bushel.

—Walden's Stationer and Printer.

—The season at the skating rink was closed last Wednesday night. The closing was somewhat hasty, but everybody was evidently bent on fun.

—Owing to the illness in his home, Rev. J. M. Wright, of Ferguson, was unable to make the exchange with Rev. Mr. Barker, announced for last Sunday.

—Dr. Buck, of Palermo, is projecting an independent telephone system to connect Palermo, Bronte, Postville, Drumglen and Onnagh, says the Oakville Star.

—W. H. Hueston has negotiated the sale of J. R. Watson's house on Huron Avenue to Mrs. Taylor, of Crosswain Corner, for \$1100. Mrs. Taylor takes possession this week.

—Ex-Rover Williams is the first on deck with a new brood of spring chickens. They were hatched the first of the month. Mr. Williams is quite a successful poultry fancier.

—Few of the concession roads and side lines in this vicinity are open for continuous traffic along the highway. Farmers are traversed in all directions to avoid the drifts.

—A fine suite of commodious and well-appointed offices is being constructed at the Acton Tanning Co's works. A new house has been built and other improvements are being added.

—Rev. J. C. Wilson, D. A. in an able and highly interesting sermon to the young people, in Knox Church last Sunday morning, deprecated in very strong terms the use of profanity, especially on the public streets.

—It is recommended that dog tags be adopted by the Council this year. However, Assessor Harvey is preparing the biggest list the town has had for many a year. He seems to know where every dog is in "Housetown."

—The Acton Skaters went to Georgetown to play the seniors of that town on Tuesday night. The ice was too soft for good hockey and the game turned out rather rough. The game resulted in a score of 10 in favor of Georgetown.

—That was quite a war dance at the corner of Mill and Main streets last Friday night at half past ten. The whooping was quite Indian-like but the drumming and the dancing would have disgraced the reputation of any Indian.

—Principal MacCormick, of the Guelph Business College, President of the First Canadian Club, delivered a masterly address before the Club last Friday evening on the ideal, spirit and method of the Club. Among the new members admitted were: Mr. Worsfold, Mayor, Newmarket; of Guelph; Judge McMillan, of Lindsay; A. W. A. F. E. James, manager "Traders' Bank," Guelph; Hugh Roberts, M. D., T. J. Day, James Miller and others.

—The consumption of tea in England increased from 3 million pounds in 1740 to 11 million pounds in 1870 and to 240 million pounds in 1907. In Canada, since the introduction of "Salada" Tea, the consumption of tea is increasing in a like ratio.

—It is an open question whether a big dam ought to be built or just a levee to support two wives.

**Master Concert Arranged.**  
Miss Amy Dwyer, the experienced and successful director of Sunday School entertainments, will commence her rehearsals on the 11th inst., for the Master Concert to be given by the Methodist School.

**"Bunny Acton"—Nothing More.**  
Why will people persist in calling this little town "Acton West"? Acton is our registered name. The G. T. H. for their shipping convenience have appended west. All true Actonians will disown and refuse to use the railway's nickname.

**The Ideal should be High.**  
In one of the most helpful and interesting sermons he has preached during his pastorate here, on the topic "Ideals," Rev. G. W. Barker scored very strongly in his address on the subject of the ideal which should be the aim of the church, and the ideal which should be the aim of the citizen.

**A Profitable Institute Meeting.**  
Twenty-five of the ladies in town met in the parlors of Mrs. George Havill, Agass Street, last Friday to enjoy the proceedings of the afternoon provided by the Women's Institute. Spring sewing was discussed by the ladies in a practical manner. An enjoyable program was presented by Mrs. Gray and Mrs. Matthew Wilson, readings by Mrs. Chapman and Mrs. Havill. Dainty refreshments were served by Mrs. Havill.

**To the Quebec Ter-Centenary.**

Despatches have been received from Ottawa which indicate that there will be a military parade at Niagara-on-the-Lake, London, Hamilton, or any point east of Winnipeg this year. It is proposed to have 20,000 troops assemble on the Plains of Abraham to take part in the 300th anniversary of the founding of Quebec, and a similar part of the Plains of Abraham as a historical park for all time. There will be no difficulty in securing full participation in all companies this year in view of this attractive outing.

**No Place Like Home.**

Mrs. Sarah Little, in writing the *Frank Puzos* from Portland, Oregon, on the 1st inst., says: "I trust I shall soon be in Canada again. I expect to return in May. There is too much rain and mud in this country to suit me. It is very dreary and depressing to see rain falling almost every day in the winter season, but of course there is no extreme cold. I have quite a homelike longing to see trees, buildings, fences, etc., all covered with leafy crops and the blossoms in the sun, giving an appearance of fairland to everything around. It seems ages since I last saw that view so familiar to Canadians. If I were to visit Acton again it will seem very different to me, with all the things I have seen in the past. I much enjoy the notes by "Observer," in the *Frank Puzos*. I firmly believe I know the gentleman, and I wish he would look around again, and give the *Frank Puzos* readers, some more of his interesting and useful observations."

**Notes From The West.**

The following interesting paragraphs are from the pen of Rev. T. Albert Moore, General Secretary of the Lord's Day Alliance, a former Editor of the *Frank Puzos*. Writing from Indian Head, Saskatchewan, he says: "The weather is delightful—sunshine, warmth and pleasant—my fur coat has been a burden. There has been practically no snow here all winter. There are wonderful improvements all over the west. It is a very happy and contented land, growing in population, while the houses have improved far more than you would imagine. Evidently there has been great prosperity. The fruit last August was of course, bad for them, and has rather stayed the developments, but this must only be temporary. The people are the kind that keep moving. Everybody is looking forward to a splendid year. The country will certainly yield great crops. I have just been writing from Fern, B.C., he says: 'I am having a very good trip. The development in these mining towns is wonderful. Coleman was a spot at the foot of Crow's Nest Mountain with a few shacks when I was here two years ago, and now it is a town of 2000 people. The Coal and Coke Co. pay roll is about \$75,000 a month and the place has an air of prosperity and permanence. A new town is being built some seven miles east of here. It is called Hoamer. It is a coal mining town being opened by the V.P.R. The prospect is that it will very soon be equal to, if not surpass Fern.'"

**Another Fine New Residence.**

Another fine new residence and attractive home, and another well completed week. Mr. D. M. Henderson will move into his new residence at the corner of Huron Avenue and Elgin Street. It is of colonial style, has two stories of woodwork, with cut stone foundation and trimmings of freestone, and with its wide verandas and balcony presents a handsome exterior. The interior is conveniently arranged and has all modern conveniences. A wide hall leads from the front to the kitchen. On the right is the drawing room, with the dining room behind. Both are large rooms well lighted and are connected with sliding doors. On the left of the hall is a dainty sitting room or den, and beyond this the stairway. The kitchen and pantry are in the rear of this. The pantry is fitted throughout with drawers shelving, dumb waiter, etc., and is very convenient. The second floor has three bedrooms and a sewing room opening from a central hall. There are also a bath room and closet and a convenient stairway to a large well-lighted attic. The premises are heated with hot water, lighted with electricity, and are tastefully painted and decorated throughout. Mr. J. B. Mackenzie was the general contractor, and the premises reflect much credit upon him. Mr. D. M. Henderson built the foundation; W. D. Anderson, the plastering; W. H. Walker, the painting and decorating; P. Glas, Berlin, the heating system, and Higgins & Large, Brantford, the plumbing. Mr. and Mrs. Henderson and family will be very comfortable in this beautiful new home.

**PRESENTATION AND ADDRESS.**

**Greenock Literary Society Kindly Remembers the Retiring President.**

Greenock Literary Society held their regular weekly meeting last Thursday evening. Mr. H. O. Currie presiding. There being some features of special interest. The attendance was unusually large.

The programme was as follows:—Opening chorus, President's address, instrumental by Mrs. J. K. Power and Miss Margaret H. Noyes, speech by Mr. G. Allan, reading by Miss A. Leslie, recitation by Mr. A. F. Allan, humorous stories by Mr. J. E. Power. Debate: "Resolved that a Limited Monarchy better secures the happiness of the people than a Republic." The affirmative was supported by Mr. J. H. Leslie and Miss Annetta White, and the negative by Miss Kattie Gray and Mr. Ball Johnston. Decision was given in favor of the affirmative. The judges were Miss Waters, and Messrs. J. G. Russell and J. K. Power.

At the close of the regular programme a short interlude was given in order to allow the Executive Committee to complete arrangements with the delegates from Woodville Society regarding the debating contest which is to take place here on Friday evening.

Mr. H. S. Near, 1st Vice-President, was asked to take the chair. Mr. Near invited Miss A. I. Currie and Messrs. H. O. Currie, W. Currie to take seats on the platform and in a neat speech set forth the purpose of the meeting. Mr. Roy Wansborough was then called upon and read the following address, and Miss M. McDonald presented the gift.

**New Methods**

DEAR FRIENDS—

On the first of March we purposed to close our books. We believe we can give you better service, bigger values and a larger stock to select from, save you money and to every way serve your interests better by concentrating our time, energies and capital to a Strictly Cash Business. Credit costs money in book-keeping, idle money, postage, stationery, loss, time on collections, etc. It divides up our capital, it divides up our time.

This time devoted to the study of value for you, this money applied to the buying of you of better values, will, we now appeal to you as a move in the right direction.

Our policy the "Right goods at the right prices" with liberal treatment to our customers, has for the past twenty-four years kept our business growing steadily year by year until now we find that to keep pace with our growing trade it is necessary to adopt new up-to-date methods. "To buy for cash, to sell for cash."

With our long experience in merchandising we feel confident that we can offer you the right goods at money saving prices. Quality, Style and Prices will be carefully considered. Our stock is now larger and better than ever before. Shipments of new spring goods are arriving daily, all of which have been bought in the best markets under the most favorable conditions at the best possible prices. Bring with you your city catalogue; if our prices are not as low or lower we will meet their price. All goods will be marked in plain figures.

We buy right, our expenses are less than the city stores. Why cannot we save you money? If you know that you could get better values right here at JACKSON'S, Guelph, for less money, would you say? Then let us prove that we can and we will make good. You will find a comfortable, roomy store to shop in, over 5000 square feet of floor space, a carefully selected and well assorted stock to select from. It is an invitation to see what you are buying, what you are paying, with your good money for. If goods are not satisfactory we will cheerfully exchange.

It will cost you nothing to investigate our goods and prices. We are welcome whether or not you wish to purchase. A visit to our store will not only interest you, but benefit you. If our goods, prices and service are not what you expect, tell us, this will help us and we will help you.

This is a fair proposition worth a trial. We trust that our past practical trading relations may be increased by the adoption of this "Twentieth Century Retailing System" which means buying goods at the lowest price.

Thanking all our friends and customers for their liberal patronage and in the anticipation of seeing you all more frequently than before, I remain

Yours for Mutual Benefit,

**J. H. JACKSON, Georgetown.**
