Easter Lillesand Others.

BY BYHEL BARRINGTON.

Menchenenchenenchenenchin florists' windows gave full florists' windows gave full assurance. Old Henshaw's place, just around the corner from a crowded thoroughfare, was a veritable onels of beauty in the noise and dirt of the

Here the mingling perfume of rich exotics, the exquisite foust of color, the choosing their confidents. daintiness of the green background against which the blossoms were massed, formed a never failing delight to the owner's granddaughter.

Perhaps in that riot of beauty the girl loved most the purity of the flower after which she had been called. she bent over an Easter lily, tying up the blossoms whose weight and fragrance seemed almost too heavy for its apport, she appeared well named. Her figure was as elender, the palogold head and paler cheek equally frait, while about her radiated that dainty femininity that is to womanhood what perfume is to the flower. . Completing her tank, she set the plant far back beblad numbers of a like species. Honshaw paused to remonstrate. "Set it further out, Lil. It's the

mounty of the lot.' "I know it, grandfather, but-that le. I'm keening it for one of our regu-

Noddlog, satisfied, the old man bustled away to some frush patrons. Lily, though constantly busy, kent watch on each newcomer. When at hat a tall youngman entered, the quick drooping of her long lashes showed him to be the one expected.

Box 430, Acton, Ont. "My buttonhole ready?" he asked addenly across the counter. For reply she handed him a white carnation, which he at once fastoned in his cost. "Protty busy, I guose," he continued, the change.

with me. Dont." ingering a moment after she had made The amazed light of happiness was atill upon her when the writer came. "Yes. Dont-any order for Easter? We're selling so fast it will be safest to udden hope. .. let me know now." Her eyes question-"Lily, le it possible ?" ed with an engorness she did not per-"Wait the girl spoke brouthlessly, mit in her tone.

freeling one hand to hold him at a dis-"No." An answoring encharragement tance. "You must be very sure. It will clouded for a moment the young felniean so much. There is Amy Strath. low's face. He seemed about to add You care for her. Well" -in deference more, but, changing his mind, turned to his sharp denial-"you have cared. abruptly on his heel. What if she should report her quarrel, Lily watched his departure abstractshould send for you?".

edly. In school days he had been her playmate and confident. That he had pushed on to success, both in business ship"and social relations, was to her a matter of sincare pride, openly expressed. If in secret who suffered at the knowledge of the widening gulf between them, who denied it stoutly even to her own heart, following his career with loving laterest from her humble vantage place.

That he never had quite forgotten the old bond he proved by dropping in accepting with equal friendliness her greeting and choice of boutonnieres. With a woman's intution and power of putting this and that together she ed a satisfactory answer. knew from the first of his courtable of the beautiful Amy Strath. Had not FOR WAGE EARNERS, NOT MIL-Lily, often with tremulous fingers, ar ranged Dent's bouquets for the debutanto's acceptance ?

Until lately was it not she who had made the real selection of his offerings and lilles always for Easter? She had les whose proprietors have not proheard of a misunderstanding with com- grossed. You could brush your skirt ?

Toward this end she had selected a because the clerk did the same thing; specially beautiful lily, but if he did but you could not count the fly specks not intend to send a peace offering to on the cheese box and coffee grinder, what and her care? THE INSPIRATION OF MASTER. He has rison, the grave clothes are laid selde, and the tomb acknowledges

He is risen, so let us rise, let there he a stir in our little graveyards, let Mr. Arch. Campbell has received us fold up the grave clothes, the from a member of the Archeologic traditions that bind us, and walk Society, New York, a couple of ancient out into the sunlight of glorious better

He rose, for He understood the law that overcame, and we may rise if we

What, rise from death? Well, is there not a living death? Let us lay solde the graveclothes, the traditions that enshroud us, and welk out into the glory of the New Thought. Have we been the slaves of our thoughts, and hold down by the bellef that we are the victime of circumstances, then untie the graveciath and throw it away. We are not worms of the dust, wretched and vile, although the hymn books have declared us so. We are sparks from the anvil of God. and we have within us the power to be

masters of our fate. A stir in the tomb! Light the lamp of reason and look in. l see another old graveciath binding there. Horodity! Rip it off-like father like son, no, not noccessarily. Father a drunkard and mother a moth. I may be what I will to be. Away with the tradition that points to the binding of heredity, the englaving of man. Tear

it off, and fling it out. He is risen. So may we rise above petty things. "But, wait; I want to tell you about that acquaintance of mine. Oh, she is a hackbiter." Oh, hang your friend! Rise above the wag

gle of tongues. He is rison. So may we riso. "Oh, but listen to the mean trick Bill Smith played on me." Forget that, and rise into an atmosphere that is too large to mind Bill and his meanness.

Emblematic He rose. Let us cast aside much that blads us and rise, too. Let us get above the netty things. Is there a mean streak in yourself, in your mate, in your fellow at the deak, in the shop, or in the bank? Look above It

Mever mind thathings easy of attainment. The view lan't much from the foothill, but it is grand and inspiring from the mountain peak .- Charles F.

TO MEND A TORN GARMENT. When a silk or cloth garment is first dry goods store which was owned torn, produre a few threads of the by Wheeler & Green. The next name | warp of the goods and darn as you it here was Adamsville, so called from would a stocking. If you have no a post office having been obtained the od, perhaps there is a straight edge on name was changed to Acton, on re- one of the seams from which a few quest of Mr. Robt. Swan, a native of threads may be taken. In this way Northumberland, England, and who | the repair is made of exactly the same shade as the cloth. -The Delineator.
