**EDITORIAL NOTES**  
Since 1862 the increase in the ex-  
penditure of Ontario has been about  
50 per cent., while in the same period  
the Dominion expenditures have in-  
creased only 28 per cent. No one will  
venture the assertion that the ex-  
penditure in Ontario has been anything like  
that in the Dominion as a whole.

Hon. Dr. W. A. Willoughby, M. P.,  
of Ontario, passed quietly away  
at his residence in Hamilton on Tuesday.  
The doctor had been ill for some time,  
and his death was not unexpected. He  
was a man of high standing in the  
community. The doctor had represented  
Eram Northumberland in the Local  
Legislature for many years, and for  
the last four years had had a position  
in Mr. Whitney's Cabinet. Dr. Willoughby  
was a man of high standing in the  
community, and his death was not  
unexpected. He was a man of high  
standing in the community, and his  
death was not unexpected.

Government agents throughout the  
western provinces have sent to Ottawa  
their reports on spring conditions.  
They deal mostly with the increased  
acreage. These reports show that the  
total acreage put to seed will be about  
twenty per cent. greater than that of  
last year, which is attributed largely to  
the great influx of new settlers during  
1907. The flow of United States set-  
tlers to take up land in this country  
continues to break all records. The  
reports state that weather conditions  
have so far been most favorable to the  
growing crops.

The 1908 edition is out of that most  
useful and valuable booklet, "1000  
Facts about Canada," compiled by  
Frank Yelch, of Toronto, who is widely  
known through the Dominion as an  
authority on things Canadian. Nearly  
25,000 copies were sold of the 1907  
edition, the demand coming from every  
part of this continent and the British  
Empire. The idea worked out, that of  
a concrete fact in a sentence, is an  
excellent one, the data being arranged  
under such self-inducing titles as area,  
agriculture, commerce, finance,  
mining, railways, wheat fields, etc.

Hon. D. O. Howack, of Toronto, who  
scotched the Liberal Government and won  
the Ontario seat for the Conservative  
Party, four years ago, in a letter to  
the press on Monday, said: "When the  
Government passed the three-fifths  
clause of the local option act they were  
guilty of reactionary legislation. Ever  
since Ontario became a province the  
majority in a municipality has had the  
right to decide upon the granting of  
licenses. These rights were firmly  
established and founded upon a sense  
of British justice and equality. They  
have the Government tampered with  
them?"

**HEAVY PENALTIES FOR VIOLA-  
TION.**  
Readers will remember that about a  
year ago Judge Morson, the junior of  
the three County Judges of York, re-  
versed a conviction by Magistrate  
Kingford against John Devine, a  
restaurant keeper, for selling on Sun-  
days candies, peanuts, and other eat-  
able articles to be carried off the prem-  
ises.

It was pointed out to the public at  
the time that this judgment was go-  
ing to result in an immense increase in  
Sunday business, inasmuch as it im-  
plied, if it did not declare, that any one  
holding a restaurant license, and doing  
a restaurant business, might also carry  
on a confectionary business, a fruit  
business, a grocery business, and a  
business in all sorts of eatable articles,  
and could sell freely on any day of the  
week. The fact that the law was being  
enforced, to be carried away and used  
as the purchaser may desire. It was  
evident that large numbers of shop-  
keepers and their employees were go-  
ing to be deprived of the Sunday rest  
and other privileges if this interpreta-  
tion of the law were to remain unchal-  
lenged. The matter was therefore  
brought to the attention of the At-  
torney General of Ontario, the Honorable  
J. J. Ryan, who, recognizing the serious  
importance of the judgment, he requested  
Magistrate Kingford to grant a  
"Statute Case," and requested County  
Crown Attorney H. L. Drayton, K. C.,  
to take charge of the case in its pro-  
ceedings, and an arrangement before the  
High Court. The case was duly grant-  
ed, and came before Mr. Justice Clute  
of the High Court on Friday, 10th  
April. The case was known as "The  
King v. Weatherall." Weatherall held  
a restaurant license and did business  
at Toronto Island, selling refreshments  
of various kinds, and among other things  
sold on Sunday, 6th June, 1907, "Candies,  
popcorn, peanuts, and soft drinks."

The questions submitted to the court  
were as follows:  
1. "Does the mere fact that Weather-  
all holds a license as restaurant keep-  
er entitle the said Weatherall to sell on  
the Lord's Day, candies, popcorn, pea-  
nuts, and soft drinks, notwithstanding  
the Statute (Lord's Day Act)?"  
To this question Mr. Justice Clute  
replied "No." Unlike some judgments,  
this does not lack in clearness.  
2. "Can a bona fide restaurant keep-  
er, or soft candies, popcorn, peanuts, or  
other commodities not in connection  
with any meals served on the premises  
but done up so as to be taken away by  
the purchaser on the Lord's Day?"  
To this question Mr. Justice Clute  
replied "No." Taking this to mean that  
the articles there referred to are sold,  
not in connection with the giving of meals  
served on the premises, but in the  
ordinary way of business as a merchant,  
so as to be taken away by the pur-  
chaser. Taking this to mean that the  
articles there referred to are sold,

chaser. Taking this to mean that the

That in what Hyomel will do in all  
forms of Catarrh and Troubles  
of the Breathing Organs.  
It's not a question of Hyomel having  
cured some one else but will it cure  
your own particular case. If it cures  
the head, Catarrh, Bronchitis, Pneumonia,  
Croup, or any affection of the  
breathing organs A. T. Brown says  
yes, and will refund the money if it  
fails. No other preparation for this  
same purpose can successfully do this,  
because the Hyomel system of treat-  
ment is different from anything else.  
You simply breathe and inhale the  
medication in dry air form which de-  
stroys the germ life that causes op-  
pressed breathing. Nasal Catarrh,  
Throat Irritation and Lung Troubles.  
It brings to these suffering organs the  
balsam laden air they would get in  
the Pine and Eucalyptus forests. Tho  
at that stamps out Bronchial  
troubles.

The price of Hyomel is, Marshal  
P. Wilder says: Hyomel is easy to  
use, and swift to cure. It cures  
against cough and cold. It gives  
you pure air and kills the germ of  
disease. It helps the voice.

**RECIPE FOR RHEUMATISM.**  
Directions to Prepare Simple, Yet  
Remarkable Stone Healer.  
There is so much Rheumatism here  
in our neighborhood now that the fol-  
lowing advice by an eminent au-  
thority, who writes for readers of a  
large Eastern daily paper, will be  
highly appreciated by those who suf-  
fer:  
Get from any good pharmacy one-half  
ounce Fluid Extract Dandelion, three  
ounces Compound Syrup Sarsaparil,  
one ounce Shaker's well in a bottle and  
take in teaspoonful doses after each  
meal and at bedtime; also drink  
lots of good water.  
It is claimed that there are few relief  
in this simple home-made mixture,  
and in most cases a permanent cure is  
the result.  
This simple recipe is said to strengthen  
and cleanse the eliminative tissues  
of the kidneys, so that they can filter  
and strain from the blood and system  
the poison, acids and waste matter,  
which cause not only Rheumatism,  
but numerous other diseases. Every  
man or woman here who feels that  
their kidneys are not healthy and  
active, or who suffers from any urinary  
trouble whatever, should not  
hesitate to make up this mixture, as it  
is certain to do much good, and may  
save you from much misery and suffer-  
ing after while.  
Our home druggists say they will  
supply the ingredients or mix  
the prescription ready to take if you  
readers ask them.
