A special meeting of the executive of Hamilton Sunday School Association will be held in Milton on Friday, 8th of May, to arrange for the annual convention.

News was received here yesterday of the death at Dracabridge of Mrs. W. G. Andrews, nee Miss Mary A. Dunn, who formerly resided with Mr. and Mrs. Johna Northwick here.

Directions for Making Tea.

Warm the teapot (crucible is best). Put in a teaspoonful of "Salada" tea for every two cups. Pour on freshly boiled water and allow it to steep (not boil) from five to eight minutes. Pour the liquor off the leaves into another teapot and serve. When made in this way, "Salada" tea will retain its delicious flavor for hours. On account of its "delicious" strength a pound of "Salada" will go as far as a pound and a quarter of other teas.

NEWS OF LOCAL IMPORT.

The animals became paralyzed in the fore legs, after which the hind legs became affected. The Government Inspector is now enquiring into the matter. Up to date Mr. Boulton has received no word as to the cause of the disease.

Improvement in Progress Every Day.

Evidently our citizens are determined this spring to do their utmost to make Acton a place of beauty and attractiveness to all who come to town.

Lawns are being graded and added; flower beds formed and planted; new fences are being constructed; hedges put in; houses and outbuildings painted; shade trees and ornamental shrubs planted; and attention generally being given to making homes and their surroundings most homelike and beautiful.

Pasty Thieving by Local Burglars.

Last Thursday night the bar at the Dominion Hotel was broken into and a quantity of cigars, cigarettes and flasks of liquor stolen. A dollar or two of loss change in the till was also taken.

A few nights previously an intrusion was effected in Statham's Grocery by a rear door and some 20 or 25 pounds of chewing and smoking tobacco, a box of cigars and about four dollars in coppers, taken. The indications point to the perpetrators being local inhabitants and well acquainted with the premises of both places visited.

Fire in Bark Stack.

Last Thursday morning when the dead grass was being burned off in the yards of the Acton Tanning Co. the fire ran under a stack of lumber bark and ignited it. The workmen did their utmost to quench it but were unable to do so, and a silent alarm was sent in to the Fire Brigade.

The steam fire engine was promptly on the scene and proceeded to attack the burning bark. The fire was extinguished and a large portion of the stack had to be torn out, but only twenty or thirty cords of the bark was destroyed. There are about three cords of bark in this section of the yard and it is worth between \$2,000 and \$10,000.

Meeting of Business Men.

Messrs. Boardman & Co. have elected the chopping mill on Mill Street and the farmers who naturally trade in Acton are obliged to go elsewhere for their chopping. This is a great detriment to the town and steps must be taken to have the mill put in operation again at the earliest possible date.

To this end a meeting under the auspices of the Board of Trade will be held in the Town Hall to-morrow (Friday) evening, at 8.30 o'clock to consider the matter and take action to secure the end desired. All business men and citizens interested are requested to be present. Other matters of vital interest to the town may also come up for discussion.

Malleable Injury to Property.

Last Monday evening between nine and ten o'clock some evil disposed persons or persons all the supports of the awning at H. H. Unsworth's store front. The ropes were taken out and some four or five boys proceeded to the residence of William Amson and tied them to his house door. Information was laid against two boys on suspicion and the case was heard by H. P. Moore, J. P., on Tuesday afternoon. The evidence did not substantiate the charge, however, and the case was dismissed. Business men and citizens interested are requested to be present. Other matters of vital interest to the town may also come up for discussion.

At the annual meeting of the Law Bowling Club the following officers were elected: Hon. Pres.—John R. Barber and Major Grant. Pres.—H. W. Kennedy. Vice-Pres.—N. A. McCallum. Sec.—Treas.—H. W. Holt. Dinning Committee.—McDermott, McEwen, Fraser and Scott. Executive and Match Committee.—The President, Vice-President and Secretary. Amongst the duties of this committee will be the selecting of skips and players for all matches. It was resolved that the Executive Committee divide the players as even as possible into rinks of four and that a competition be engaged in, each of the four players taking turns in position as a rink, and at close of competition total number of skips won to decide the winners. Membership fee to be \$1.00, and no one allowed to play on the green until membership fee is paid. It was also resolved to have a gala opening day to which the lady friends of the members are to be invited and are to have the privilege of the grounds and the game.

Sermons by Rev. Mayor Urquhart.

Rev. Mayor Urquhart, of Toronto, was the preacher of the day at the Baptist Church last Sunday afternoon and he was greeted by a large congregation. He took for his topic the Layman's forward movement for Mission and delivered a masterly and convincing discourse showing the obligation of the church in the evangelization of the world. The aims of the present movement to accomplish this in the present generation, and the ability of the Christian world to do it, were forcefully emphasized. In summing up his arguments, which were presented in the logical order inherent to the cultured legal mind, Mr. Urquhart advanced the following reasons why the present movement should be successful: 1. The present intelligent knowledge of the need of Missions, and our personal obligations; 2. The business principles of business men are now being applied to the missionary efforts of the churches; 3. National safety largely depends upon christianizing the heathen nations; 4. Our privileges in this Christian land, with its happy homes and free bible; 5. The millions in heathen lands who have never heard the gospel; 6. It is our duty to God's commands. God's thought was missionary when He sent His Son to earth. Money and men and women are needed to do this work. Both must be given. It is easy to give money but hard to give life. Jesus largely depends upon christianizing the heathen nations; 4. Our privileges in this Christian land, with its happy homes and free bible; 5. The millions in heathen lands who have never heard the gospel; 6. It is our duty to God's commands.
