## NEWS OF LOCAL IMPORT.

Not contented to Acton.  
Mr. A. C. Watson, who was recently tendered a unanimous call to Acton and Georgetown Baptist Churches, has accepted a call to Victoria, Ont., and will settle there at once.  
—Trustee Francis visited each of the departments and delivered addresses on patriotism to the scholars.  
—The Citizens' Band serenades.  
—As has been customary for a number of years Acton Citizens' Band, under the leadership of Mr. C. W. Mason, ushered in the Victoria Day holiday with a general serenade. Early in the morning they assembled at the Post Office and played at various prominent points between the G. T. R. station and the "Bliss" Hotel. The citizens and visitors always appreciate this loyal serenade.  
—Took a Toronto Man to do it.  
—The members of the flag staff at the Public School were last Friday afternoon by Mr. Alex. S. Watson, of Toronto, who was visiting his brother-in-law, Mr. Henry Grindell. It was a difficult piece of business and required the skill and nerve of a Steeple Jack to accomplish it. The former rope had only been in a few months. It was cut down by a pair of "Smart Axes" last Haloween. The plank cost the town \$2.00.  
—The Leap Year Club "At Home."  
—The "At Home" given by the Young Ladies Leap Year Club in the Town Hall last Thursday evening was well attended and is reported to have been very enjoyable. A preliminary programme of six or eight numbers was rendered by Miss Gertrude Johnston, Miss Towan and Miss Touss, of Guelp, and Messrs. Harry Jeans and W. Stark. Mrs. Ed. Hyder, Mrs. John McEachern and Mrs. Herbert Pickard were the patronesses of the affair.  
—Improving the Council Chamber.  
—The embossed metal for the ceiling and walls of the Council Chamber arrived last week and Contractor White is now putting it on. Repairs to ceiling and walls were found to be necessary and Chairman Williams decided that this important room of the hall was worthy of being well done. The plaster was therefore all removed and metallic material of elaborate designs are replacing it. When this and the woodwork of the chamber are painted the room will be very handsome and befitting the august assemblages so frequently held there.  
—The Tisnet Bible Pictures.  
—Mr. W. E. Dyer, of Toronto, the General Manager for Canada of the American Bible Society, exhibited with splendid effect 120 lantern views of old and new Testament subjects, in the Methodist Church last Wednesday evening, under the auspices of the Ladies' Aid Society. This collection is a reproduction of the magnificent illustrations by J. James Tissot, the world's greatest Bible artist. This is the largest and most complete collection of Tissot colored plates owned in Canada and they are the most excellent obtainable. Mr. Dyer's lecture was very bold and interesting. The Tisnet Bible Pictures.  
—One of the three persons who lost their lives in the disastrous fire which destroyed the Queen's Hotel, at Niagara Falls last Wednesday, was Miss Lillian Gray, milliner, of Stuyvesant, who had many friends in Acton. Miss Gray was for several seasons head milliner of Messrs. Henderson & Co., and during her stay in Acton formed many warm friendships. Miss Gray was instantly killed. She was forced by the flames to jump from the third story of the hotel, and in falling her skull was fractured. Miss Gray narrowly escaped drowning in Hamilton Bay a couple weeks ago when the boat in which she and her companion were sailing was capsized. The young man was drowned but Miss Gray was rescued. Much sympathy is felt here for the bereaved parents.  
—Victoria Day and Queen's Weather.  
—For more than half a century the 31st of May has been the favorite summer-time holiday of the year. It comes at a time when all nature is stirring and showing forth spring-time beauty and loveliness. Outdoor sports are at their height and outdoor pleasures are thoroughly enjoyable. Monday was an ideal day, "Queen's weather" prevailed in very truth. As a result a large number of all-limed outdoors during the day. Family parties picniced in the woods; lovers strolled through the glens and sought forest flowers and shady places; some went fishing; many went driving and outdoor amusements were everywhere popular. There was no public demonstration in Acton, but a quiet loyal spirit prevailed. Many homes were decorated with the flag we love so well. Visitors were here in large numbers and bundles of our citizens took in the attractions at outside points. The day was a delight, because of its vernal freshness; the fragrance of blossoms and flowers and the joyous sunshine which prevailed from early morning till late in the evening.  
—Young People's Forward Movement.  
—Revs. F. H. Langford and George H. purchase, students from Victoria University, Toronto, visited the Epworth League on Tuesday evening and gave the young people quite an inspiration in the matter of intelligent supporting missions. A series of very interesting slide light views were exhibited showing the numerous educational institutions of the Methodist Church, which occupy positions at strategic points from the Atlantic to the Pacific, every one of which is educating young men and women for the service of the Church in all lands, home and foreign land. Pictures were shown of the life, character, and customs of the great variety of peoples coming to our shores from east and west, and the opportunities given for bringing them to Christ. The concluding address showing Canada's growth, the great ratio of increase of population and the multiplied opportunities now open for the spread of gospel truth were given. The young men also had an exhibition a great variety of missionary literature. The splendid work which is now being accomplished by the Sunday School and Epworth League of the Church in Acton was highly commended.

## FIRECRACKERS' DANEFUL WORK

The Blacksmith Shop at Everton Destroyed by Fire.  
—Last Wednesday evening a number of boys were letting off firecrackers near William Smith's blacksmith shop at Everton. During the night the premises was completely destroyed by fire. It is supposed the origin of the fire was a small firecracker.  
—The villagers worked hard to save the structure but their efforts were unavailing.  
—The loss will be a severe one to Mr. Smith, especially at this time of the year.  
**EAT WHAT YOU WANT**  
But Find the Way to Digest What You Do Eat.  
—The first thing to do in the case of indigestion or stomach weakness is to strengthen the muscular walls of the stomach and intestines, so that they will care for the food that is eaten. In no other way can this be done, as well as by taking a M-I-O-n-a tablet before each meal. This restores strength to the stomach muscles and stimulates the pouring out of gastric juices, then the food digests readily and you begin to get the full benefit from what you eat.  
—Use M-I-O-n-a whenever you have sick headache, heartburn, bad taste in the mouth, coated tongue, spots before the eyes, sleeplessness and the many other symptoms that are the direct result of indigestion.  
—A. T. Brown gives with every 50 cent box of M-I-O-n-a a guarantee to refund the money unless the remedy cures.  
**Fire-Crackers Caused Damage.**  
—The boys who were letting off the fire and firing of crackers has been fairly well observed. There were a few violations. Some were said without knowledge of the by-law prohibiting their sale here, and the police were evidently lenient. An illustration of the danger which is frequently the outcome of these fiery playthings was seen on Hill Street near J. C. Hill's store on Monday night. Some of the young fellows who had been spending the day at Georgetown brought a supply home with them. A large number of them were let off together and the incense threw them at the feet of a passing team, belonging to Mr. McLea, of Etors. The team was badly frightened and sprang away smashing the horses in the carriage. The perpetrators of the foolish act did not come back to ascertain and settle for the damage they incurred.  
**Publicity makes a product noted, quality brings fame. "Salada" Tea is both noted and famous.**

Another who writes in a letter to those who suffer from this distressing complaint but feel that their condition is incurable, and that they need relief, says: "I had been suffering with sick headache for some time, and it was very bad.
