New Station for Guelph.

tired of the Grand Trunk's dilatoriness

In reference to a new passenger station

and stops are now to be taken to force

the railway company to end the pres-

ent undesirable state of affairs.—Her-

ald.

Milton to have a Park again.

Mr. T. C. Livingston, of this town,

has decided what has hitherto been

known as the pleasure grounds, or park,

at the head of the pond, near the

diamond. It is his intention to

have it fixed up and have the two

railways run excursions here during

they can to make it attractive to

visitors and excursionists.—Reformer.

vested for Linchfield Presbyterian

Church, the income to be used in

paying for the inferior seats, and \$300

for repairing the cemetery at

Linchfield. Mr. N. R. Lindsay, To-

ronto, and three daughters are the

principal beneficiaries.

THE STRENGTHEN LIFE.

Pulls no Hard on the Stomach It

Must Have Help.

The stress and strain of the stren-

uous life in both city and country makes

stomach trouble. Five people suffer

today when one did ten years ago

with sick headache, giddiness, flat-

ulence, distress after eating, specks be-

hind the eyes, bloating, nervousness, sleep-

lessness and the many other sym-

ptoms of indigestion.

All who are suffering with stomach

trouble, and those most at loss, two

out of three, take McNaught's

McNaught's stomach tablet.

Nothing else is as safe, yet effective.

Nothing else can be so thoroughly re-

lied upon to relieve all troubles from

indigestion as McNaught's.

So reliable is McNaught's that A. T.

Brown with every 50 cent box he sells

gives a guarantee to refund

money unless the remedy cures.
