EDITORIAL NOTES

Returns supplied by the provincial secretary shows that under the License Act the number of liquor licenses cut off in the province exceeded those cut off by local option by-laws in the last three years. Local option wiped out [illegible]. The license commissioners can- [illegible] 238.

[illegible] are talking about 115,000,000 [illegible] as the total Western wheat [illegible] harvest. It is too early to [illegible] but there is no doubt that [illegible] weather the crop will [illegible] coords. The season has also [illegible] ually favorable for the dairy- [illegible] ests, pasture being splendid in [illegible] ections.—Bradstreets.

L. Gilmour, of the Commercial Alexandria, Ont., was fined $40 selling liquor on election day. [illegible]ses of liquor were removed to [illegible]n the second floor on Saturday [illegible]ceding election day. The license [illegible] happened along and saw [illegible]ing. He warned the manager of [illegible]hotel, who said he was not responsible for what he did not see. The Inspector entered a case and the evidence convicted.

It has been estimated that crop conditions throughout Ontario warrant the expectation that this year's returns to the farmers of the province will be nearly a hundred million dollars greater than that of 1907. In 1906 the crops of the province were worth $250,000,000. In 1907 they were $280,000,000 less than this, but indications are that present conditions will bring returns up to well beyond the enormous figures [illegible] years ago.

If Mill and Church Streets are not to receive the coating of crushed stone they both need to keep them in good condition, this season, they should at least have the broken places repaired with broken stone. These place grow rapidly worse if neglected. Where a barrow load of stone will answer now a waggon load will be necessary a year hence. The Council show should themselves to be the economical body they claim to be by prompt attention to [illegible] necessary.

How widespread investment has been, even by clergymen, in English brewery stocks, and how it turns the edge of the opposition to the reform proposed by the government, may be judged by the figures which a correspondent of the Times has collected: "From the lists of brewery companies, excluding the public-house trust companies, the following number of clerical shareholders are taken: Church of England, 1,440; Roman Catholic, 104; Church of Scotland, 181; Wesleyan Methodist, 51; Congregationalist, 2; Baptist, 31; other denominations, 35."

[illegible] recent meeting of the County [illegible] for equalization of the assessments of the various municipalities of [illegible], the pies of Burlington and [illegible] for a ten per cent. reduction [illegible]ament was not allowed. Why [illegible]5 have been? The five per cent. [illegible]on last year was most unfair, [illegible]njust to all the other municipalities, urban and rural. It should [illegible] have been permitted. The [illegible]ents of Acton, Georgetown and [illegible] are just as near the actual [illegible] of properties assessed as those other towns named. These towns do not however take in all [illegible]ntry-side in their corporation [illegible] fancy prices on all real [illegible]d then, go to the County [illegible] for reduction of assessment [illegible] payment of their fair share of [illegible]ounty rate. The action of the Council this year was certainly [illegible] than the course taken last year [illegible] the representatives of the [illegible] towns of the County will [illegible] have weight with the members of our County Council.

[illegible] connection to Canadians [illegible] will be the series of pageants [illegible] to celebrate the tercentenary of the founding of Quebec by Samuel de Champlain—pageants which Mr. Frank Lascelles, who has had charge of all the great pageants of England for years, says, will eclipse in grandeur and realism anything yet attempted on either continent. The British Crown will be represented by His Royal Highness the Prince of Wales, who will be attended by a brilliant suite and an escort of battleships [illegible] the might of Britain's [illegible] power. Our own Canadian forces [illegible] will represent the Empire's land-power, [illegible] and French and United States vessels [illegible] will ride at anchor side by side with the British men-of-war in the shelter- [illegible] at Quebec. Every Canadian [illegible] will be [illegible] the celebration [illegible] will want to see [illegible] pic- [illegible] every [illegible] will be historic, [illegible] publishers of the [illegible] Montreal, have [illegible] arrangements to [illegible] his popular [illegible] meeting to [illegible] Quebec as to [illegible]

ON THE BOWLING GREEN.

Enjoyable Matches During the Week with Georgetown and Homewood Clubs.

A very close game was played on the lawn of Acton Bowling Club, last Friday evening with Georgetown. The visitors came with the very evident intention of winning the laurels. They almost succeeded in doing so too, for the aggregate score shows that Acton was only two points ahead when the game was concluded. The score was as follows:

GEORGETOWN		ACTON	
J. W. Kennedy		J. McIntosh	
J. C. McKay		Jas. Moore	
J. McDermid		Jos. Holmes

Dr. Hobbs, of the "Homewood," Guelph, arrived in town on Monday afternoon with three rinks, for a match in the cool of the evening. A very pleasant game followed in which the players of the beautiful Homewood greens proved themselves to be skilful bowlers. The scores turned Acton's way on each rink with the following figures:

GUELPH		ACTON	
Cornish		J. J. Gibbons	
Crouch		A. A. Secord	
King		W. S. Chisholm

Two rinks went to Erin on Tuesday for a return match. The rain prevented the completion of the game. Acton was ahead in the score when cover was found to be necessary.

ACTON LOSES ANOTHER GAME.

Milton the First Offender in Importing Outside Players.

The local base ball nine were again defeated on Saturday. This time in Milton, by the score of 8 to 1. An importation, whom the Milton team played under the name of C. Winn, who was a crack Uxbridge pitcher, was on the firing line, and had things all his own way. He had lots of speed, and benders without number, allowing but one hit off his delivery. Hynds for the locals pitched fine ball, and the defeat was not due to any lack of skill in his work. He struck out eight men, and only allowed four scattered hits. Infield errors lost the game for Acton. The score:

BALLINAFAD.

This happy burg has become quite popular as the half-way house between Acton and Erin. A lot of Acton picnickers bound for Stanley Park, Erin, called here on Saturday, and the Acton lawn bowlers were here on Tuesday.

The Presbyterian Church presents quite an improved and home-like appearance with the new carpets and pulpit furniture.

With a view to comfort for their horses during the cold weather the sheds at the Methodist Church have been enclosed with large doors.

Haying has commenced. It is more than an average crop.

The fall wheat harvest will be on within a fortnight. Prophesyings of yields of thirty and thirty-five bushels per acre from certain fine fields hereabouts are being made.

NASSAGAWEYA.

Mr. John R. Watson had a fine brood mare get its leg broken last week. It had to be shot. She left a fine colt.

A very painful accident happened to Mr. Thos. Heatly last Friday while he was at work in Sayers' saw mill. His hand came in contact with the saw, by which three of his fingers were badly lacerated. One was taken off.

While returning from camp at Guelph last Friday, and coming down Wyndham Street on the new block pavement, Percy Kitching, of Corwhin, had his horse slip. It fell on his leg breaking it a short distance above the ankle and also fractured his big toe. He was removed to the hospital where he now is. He will be laid up for some time.

Mr. Charles Black, of Hamilton, has rented the Darbyville blacksmith shop. He commenced business there last week.

Mr. and Mrs. Charles Rice, of Dundas, are visiting friends here.

A SUCCESSFUL DEMONSTRATION

Acton Fire Brigade Conducts Another Big Dominion Day Celebration.

SPLENDID TURNOUT OF FIREMEN

The celebrations conducted by Acton Fire Brigade are evidently popular both with the volunteer fire companies and the general public, for there was a very gratifying attendance of both at their demonstration last Wednesday,—Dominion Day, as there has been at all previous gatherings under their auspices.

The weather was delightful; just the kind of a day for a holiday, and people began to flock into town early in the morning. The local fire brigade and Acton Citizens' Band were early astir, and ready to meet the various fire companies as they arrived in town and escort them to their respective quarters. The first to reach Acton was St. Mary's. They came in on the nine o'clock train. The ten o'clock train brought Georgetown, accompanied by the 20th Regimental Band of Brampton, seventy-five strong, with the Brampton Band, and representatives from Milton, and visitors from numerous points.

The events of the day in the Park were inaugurated with a base ball match at 10.30 between the Brampton Juniors and the Acton Juniors. The game went with the home players from the outset and resulted in a score of 10 to 2.

At one o'clock the firemen's parade took place and it proved to be one of the most attractive ever seen in town. Chief Lawson, mounted upon his fiery charger, was marshall. The parade proceeded in the following order:

The Marshall
The Steam Fire Engine, Driven by W. D. Anderson
The Hook and Ladder Wagon, Driven by D. Lawson
Acton Citizens' Band
Acton Fire Brigade
St. Mary's Firemen
Milton Firemen
The 20th Regimental Band
Georgetown Fire Brigade
Brampton Brass and Reed Band
Brampton Fire Brigade
Brampton Hose Reel
Citizens and Visitors

The programme at the park then included the following contests:

Football match, Acton and Glenwilliams, which the visitors won with a score of 2 to 0.

The firemen's competitions were full of interest. Georgetown Brigade and individual members succeeded in capturing the bulk of the prizes.

In the Hose Reel Race, Georgetown won the first prize of $75.00, and St. Marys took second place and won $40.00.

The Hook and Ladder Race was won in the same order. The prizes being $30.00 and $20.00.

There were no entries for the Firemen's Fancy Drill, but at a meeting of Acton Fire Brigade on Thursday evening it was decided to donate the first prize of $25.00 to Brampton, for having the largest and best appearing brigade on the grounds.

In climbing the Firemen's Ladder F. Dobbie, Georgetown won first, $5.00, and A. Tost of the same brigade the second, $3.00.

The prizes for the competitions in athletic sports were a series of very handsome medals. They were won as follows:

Two mile race, open; first, M. McEachern, Acton; 2nd, D. Ross, St. St. Marys.

Running hop, step and jump; first, F. McIntosh, Acton; 2nd, E. Ryder, Acton.

Running broad jump; F. McIntosh, Acton; R. Kercher, Georgetown.

Boys' race, under 16, one mile; J. Winn, Milton; F. McCannell, Milton.

Firemen's race 220 yards; F. McIntosh, Acton; B. Barnett, Georgetown.

Fireman's 100 yard dash; F. McIntosh, Acton; B. Barnett, Georgetown.

Boys' 100 yard race; J. Winn, Milton; B. Atkinson, Milton.

Putting 16 lb. shot; T. B. Akins, Acton; Alex. McIntosh, Glenwilliams.

Quick hitch, harness single horse and drive once around ring; S. Frank, Nassagaweya, L. Lambert, Erin.

The Fire Engine and Hook and Ladder Wagon were artistically decorated and presented a most attractive appearance.

All the visiting firemen expressed hearty appreciation of the welcome received and the treatment accorded them during their stay in town.

The Committee who brought the celebration to such a successful culmination was composed as follows: W. H. Smith, Chief; E. Ryder, Secretary; F. McIntosh, R. Scott, H. Masales, W. D. Anderson, Thos. Gamble and S. Hornby. This Committee and the firemen generally appreciate the generous support accorded them by the citizens.

MI-O-NA MEANS STOMACH COMFORT.

10's of Special Value to Many Here in Acton.

A notable discovery and one that appeals especially to many people in Acton is the combination of stomach help in the Mi-o-na treatment. This preparation works wonders in case of indigestion or weak stomach.

It acts directly upon the walls of the stomach and bowels, strengthening and stimulating them so that they readily take care of the food that is eaten without distress or suffering.

So positive are the good effects following the use of Mi-o-na that the remedy is sold by A. T. Brown under an absolute guarantee to refund the money if it fails to cure. A 50 cent box of Mi-o-na will do the good the stomach needs which is simply to make it do its own work.

CHEWSONS CORNER.

Farmers are busy with their haying which is an excellent crop.

A number from this vicinity took in the Sightseeing Session to the Falls on Saturday.

Quite a number of the young people took in Greenock Literary Society's picnic to Stanley Park, Erin, on Saturday.

FAREWELL TO MR. WILLIAM McKEOWN

Who Left Last Week to Take a Situation in B. C.

An interesting surprise party met at the home of Mr. and Mrs. David McKeown, Acton, last Wednesday evening, July 1st, on the eve of the departure of their son, Mr. Wm. McKeown, for the west. The company consisted of members of the Greenock Literary Society, who could not,—as Mr. R. Near, in his brief address, as chairman of the meeting, expressed it—allow, their schoolmate, friend and neighbor, to pass on to his new sphere of life without some little expression of the high esteem in which he had always been held by them, their regret at his departure, their wishes for his success in the new line of business in which he will participate, and their earnest hope of seeing him again among themselves before long.

The company assembled in the parlor and was called to order by the chairman. Mr. McKeown was asked to come forward and take the seat of honor between his father and mother, whereupon, the following address was read by Mr. Wesley Murray, Miss Iva Ulcave making the presentation:

Acton, July 1st, 1908.

Mr. Wm. McKeown,

Dear Friend: It is with sincere regret that we, the members of the Greenock Literary Society, have learned of your intended departure from amongst us to seek your fortune in the west, and we feel that we cannot let you go out from our midst without manifesting in some small way our appreciation of your valuable services rendered in connection with the Literary Society and also to show the regard and high estimation in which you have always been held by us as old schoolmates, and later as a kind and considerate neighbor.

During the portion of your life spent here, you have made many friends, who now join in wishing you success in the sphere of life in which your energies shall be directed, and that God may direct and guide your paths there.

As substantial evidence of the esteem in which you are held by this community we ask you to accept this travelling companion, not for its intrinsic value, but for the emotions that prompt us in tendering it, and we hope that as you look upon it in the future you may be reminded of the many friends you left behind in Erin. Signed on behalf of the Society,

John Allan, Basil Johnston
Edward Mann, Wm. Near
Wesley Murray, Iva Ulmave

Mr. McKeown, who has served both as President of the Epworth League and as Superintendent of the Sabbath School, acknowledged the kind words and beautiful gift in a few modest but well chosen words, stating his hope of proving worthy, both of the honor conferred, and of the esteem expressed by his friends.

Mr. David McKeown, his father, was then requested to address the assembly. He expressed the keen pleasure experienced both by himself and Mrs. McKeown in the honor done his son, concluding with an invitation to the young people to consider the house their own for the evening and to enjoy themselves fully.

The ladies, who had come with well-filled baskets, then adjourned to the dining room to serve refreshments, which all enjoyed.

Mr. Wm. McKeown left on Thursday morning for the land of "the Golden West," where he has secured a good situation.

SOME OBSERVATIONS.

To see the violent gesticulations and hear the vociferous ejaculations, "come on!" "come on!" on the bowling green as the little spheres come steadily on, and gracefully curve to the desired spot, one might almost wonder which were the most intelligent, the bowlers or the bowls.

* * *

By the way, how is it that ladies seem to be rigorously barred from this sport. Some years ago when golf was the furore, ladies would vigorously climb the hills, and even the fences over the links, but there is no such violent exercise in the sport on the bowling green. Perhaps there was more chance for the wind to blow away the tobacco smoke on the links. However, if the books should be opened for ladies, I might join, for I think its a nice game.

* * *

More thunder and lightning; Saturday night's display of the electric element was magnificent, if terrifying. If the deductions which are said to have resulted from investigations are correct, that trees around dwellings are about the surest and safest conductors, then we are fairly well garrisoned from danger, for thanks to those who, according to the "20 Years Ago Items," planted so many trees at that time, we have a fairly good forest in our midst.

* * *

The warning is going abroad through the press to avoid touching electric wires carelessly, or unnecessarily. Owing to so many systems of electric current, and electric conductors, there is great risk at any time that a high voltage wire may come in contact with a telephone or telegraph wire and the deadly current be carried by the latter. Those having charge of children are urged to teach them to avoid touching a loose dangling wire as they would a serpent. There are also many places in Acton where the wires pass through shade trees, and where the insultation is worn off, as it may easily be, "shocks" may be experienced by any one touching the tree when wet.

LIMEHOUSE

Contracts have been let for the rebuilding of the Lindsay barn destroyed by fire from lightning on the night of the 23rd June. The material is now being teamed in and the masons commenced work on the foundations on Monday morning. The new structure will be larger than the old, its dimensions being 56x114. It will be sided and roofed with galvanized iron. The contractors are Messrs. N. Forbes and J. B. Mackenzie, Acton, and William Douglas, Esquesing.

The dispersion sale at which auctioneer Hemstreet sold the household effects of the late John Moore, took place on Saturday. The goods offered sold very well.

It is reported that the Lindsay barn was insured for $1,700, and the contents for $1,800.

GOOD STIFF COUNTY RATE.

And Another Mill to Cover Good Roads' Expenditures.

At the meeting of the County Council last week the county rate for the year was struck at one and one-half mills on the dollar. An additional mill was levied for the new county roads expenditures. The levy for the various municipalities is as follows:

COUNTY RATE.	
Trafalgar	$4,067 86
Esquesing	4,652 90
Nelson	3,901 66
Nassagaweya	2,273 31
Milton	676 14
Oakville	1,265 42
Georgetown	220 27
Acton	585 96
Burlington	758 48
	$19,310 80

COUNTY ROADS RATE.	
Trafalgar	$3,311 01
Esquesing	3,166 80
Nelson	2,901 10
Nassagaweya	1,515 21
Milton	450 75
Oakville	856 04
Georgetown	413 98
Acton	390 35
Burlington	906 05
	$13,973 08

The inequable and unfair percentage of reduction in the assessments of Oakville and Burlington, which was allowed to go through last year, was not allowed this year.
