BORN.

LOVE—In Toronto, on Monday, Sept. 14th, to Mr. and Mrs. Anne Love, a son.

MARRIED.

WILLOUGHBY—MORNINGBELL—At the home of the bride's parents, Chinguacousy, on Wednesday, September 16th, by Rev. Mr. Tupper, John A. Willoughby, Georgetown, to Florence Elizabeth Pearl, daughter of Joseph Mottershead.

JOHNSTON—NELLES.—In Nassagaweya, at the residence of the bride's mother, on Wednesday, September 16th, by Rev. D. H. Taylor, Frederick Orwell Johnston, son of Robert Johnston, Esq., to Gertrude Burns, youngest daughter of Mr. Wm. Nelles, Nassagaweya.

DIED.

WORDEN.—In loving memory of our dear mother, Mrs. Catharine Worden, who died Sept. 22nd, 1907.

"Until the day breaks and the shadows flee away."

The Acton Free Press.

THURSDAY, SEPTEMBER 24, 1908

EDITORIAL NOTES

Hon. J. M. Gibson, of Hamilton, has been appointed by the Governor in Council, to be Lieutenant-Governor of Ontario, in succession to the retiring Lieutenant-Governor Sir Mortimer Clark, whose five-year term of office expired last spring.

The Council did a wise thing in including all users of electric current in its metre by-law on Monday night. After Nov. 15th store windows and spare bedroom lights will not be found ablaze at six a.m. and at midnight, weekdays and Sundays, as they have been under the old flat rate system.

Reeve Swackhamer suggests that a by-law be prepared to authorize the borrowing of money for the construction of a system of waterworks for Acton, and that provision be made for taking a vote of the property owners on the question at the next municipal elections. There is certainly food for serious thought in the suggestion.

The Convention of the Liberal Conservatives of the County of Halton will be held at Milton, on Thursday afternoon, September 24th. It is a foregone conclusion that Mr. David Henderson, M. P. will be again the unanimous choice of the party to contest the County at the ensuing Dominion election.—Brampton Conservator.

The Western wheat crop is now being marketed at the rate of something over 200 cars a day and the railways appear to be handling all that come without inconvenience. The movement will be still more general next week and its effects should soon be felt in improved collections. The quality of the grain is generally excellent and, with a continuation of good prices, it seems to be assured that the farming community will find itself in an excellent position before the end of the year.

In Southern Saskatchewan there is a colony of Jews, who, according to the report of the President of the local branch of the Alliance, are hesitating over submission to the Dominion Lord's Day Act. Their hesitation, it appears, is due to the hope that the Lord's Day Act may not be enforced in their case. They will, however, be relieved of all doubt in this matter immediately as the Attorney-General, Mr. Turgeon, has said that he will communicate with the rabbi of the colony and inform him that no indulgence will be accorded his people under the law.—Advocate.

Reports of Ontario's crop conditions just issued show the past season to have averaged up well in almost every kind of produce. Although the wheat acreage was about the same as that of last year the yield at present estimated is nearly a million bushels larger. The acreage of barley shows a decrease of five per cent. The acreage of oats fell off about five per cent. but the yield is estimated to be greater by about fifteen million bushels. The yield per acre was about seven bushels in excess of that of last year. The hay area shows a reduction, but the yield will be a quarter of a ton to the acre greater than the light crop of 1907.

THE CHAMPIONS DEFEATED

Saturday will be Presentation Day and Another Game will be Played

Acton, champions of the Halton-Peel League, were defeated by the Milton nine, in Milton on Saturday, by a score of 5 to 2, in the first of a series of home and home games arranged between these two teams.

The locals scored their only runs in the second innings, and things looked prosperous until the fifth, when Milton gathered in three runs on two hits a charity and an infield error. Two more were added in the sixth, giving them a very substantial lead and the game. Hynds pitched good ball, and up to the fifth innings did not allow a hit. Lott, who was opposed to him, had a good line of goods on display, and had somewhat the advantage on hits and strike outs.

The day was none too good for baseball, it being cold and dark, and the few fans who turned out shivered through the nine innings of play. The cold made the players hustle to keep warm, and they put up a lively exhibition. The scores were as follows:

Acton	A.B.	R.	H.	P.O.	A.	E.
McIntosh, l. f.	4	0	0	0	0	0
E. Ryder, 2b.	4	0	1	2	2	0
N. Ryder, c.	4	0	0	8	2	2
Taylor, 1 b.	4	1	1	8	0	0
Hynds, p.	4	1	0	0	0	0
Williams, r.f.	4	0	1	0	0	0
Clark, s.s.	3	0	0	1	4	1
Wilds, 3 b.	3	0	0	1	3	2
Holmes, c.f.	3	0	0	2	0	0
	33	2	3	24	11	5

Milton	A.B.	R.	H.	P.O.	A.	E.
Flemming, 1 b.	4	0	1	7	1	2
Telfer, 2 b.	4	0	1	2	1	1
T. Lott, 3 b.	4	1	2	1	2	1
Draper, c.	4	0	1	12	1	0
B. Lott, p.	4	0	0	0	1	0
Winn, l.f.	4	0	0	0	1	1
Chisholm, c.f.	4	1	1	1	0	0
Urquhart, s.s.	3	1	1	2	0	0
Panton, r.f.	4	0	0	2	0	0
	35	3	6	27	8	5

The return match will be played in the park here on Saturday afternoon at 3 o'clock. A feature of the day will be the presentation to the members of Acton team of championship medals and watch fobs, suitably engraved. The proceedings of the afternoon will be full of interest.

A METRE FOR EVERY CONSUMER

Council Decides this is Most Equitable System for Electric Current Users

DR. GRAY ON THE HYDRO POWER

Council met on Monday evening in regular session. Members all present, Reeve Swackhamer in the chair.

The Council indulged in a history-making session. After two years' experience with the metre system, applied to all electric services where four c. p. lamps and upwards were used, it was decided that it was most satisfactory, and in order to put every consumer of electric current on an equal basis, a by-law was passed requiring that metres be installed wherever the light was used, whether it be five or more lamps.

The Committee on Finance presented their 10th report. The following accounts were passed:

D. McGregor, teaming	$ 51 08
Chas. Jay, work on streets	2 25
A. Cook, gravel	100 00
Goldie & McCulloch, repairs	3 30
John Ruddick, work on streets	1 50
W. L. Worden, painting town hall	33 15
Jno. Forman, electric supplies	30 01
Municipal World, supplies	1 00
A. T. Brown, paint, etc.	13 14
Torrance & Wheeler, freight, etc.	5 90
R. W. Chisholm & Co., coal	54 57
G. T. R., freight and duty on coal	118 03
W. D. Anderson, teaming coal	12 80
C. Taylor, work on streets	8 25
Geo. Dills, do do	9 00
A. Crippe, do do	6 00
J. Carnahan, do do	1 00
Acton FREE PRESS, printing, etc.	11 75
	$158 27

The report was adopted.

A by-law was passed to widen Mill Street at that portion of the property of the Arthurs' estate, between Johnstone & Co. and the barber shop, and the sum of $137.50 was voted in payment for the frontage expropriated.

A bill of $100.75 was presented by Guelph General Hospital and Drs. A. and K. Mackinnon, for operation, board and attendance upon W. E. Schoolcraft in June last.

The Council declines to accept responsibility in the matter.

Mr. D. Skeldon asked to be relieved from payment of taxes on a dog he longing to a boarder who had removed from town.

A by-law, amending the electric metre by-law, passed in September 1906, was introduced.

The first by-law required all users of electric current using four 16 c. p. or six 8 c. p. lamps to install metres. The amended by-law requires all users of current, irrespective of the number of lamps used, to install metres.

The by-law was read the required number of times and passed, the date fixed when metres shall be installed under the new by-law being November 15th, 1908.

Dr. Gray, who was the Council's representative at the meeting of the Municipalities' Union at Toronto last week when the Hydro-Electric Power Commission were in consultation, gave a very lucid and interesting report of the proceedings. He stated that there was a strong probability that Acton would be on one of the transmission lines, and suggested that the municipal authorities and business men of Acton, Georgetown, Milton and Brampton hold a conference at some early date to consider their united and individual interests in the matter. The Dr. presented a copy of the form of contract, required from the municipalities participating, by the Commission. Each municipality will be responsible for the current contracted for and the amount per h. p. charged by the commission would be sufficient to cover the capital cost of construction and transmission and of the current delivered to the municipality. The Dr. expresses confidence in the feasibility of the proposition and is satisfied that Niagara Power will solve the problem of cheap power and light for Central Ontario at least for years to come.

The members of the Council manifested warm appreciation of the splendid report and interesting data supplied by Dr. Gray.

It is probable that a by-law will be submitted before the end of the year asking permission of the property owners to contract for a specified number of h. p. of current.

Council adjourned before ten o'clock.

ROCKWOOD

At the meeting of the Epworth League last week the following resolution was passed:

Moved by Rev. D. H. Taylor seconded by Mr. L. R. Guild, and resolved: That we place on record our profound sorrow at the decease of our beloved sister and fellow-member, Mrs. O. H. Harris. Our departed sister, by her devoted life and consecrated powers of body and mind, gave strongest evidence of her intense and loving interest in the work of the League, and by her practical and constant efforts sought to secure especially by personal appeal the spiritual welfare of its members. As vice-president of the Christian Endeavor Department she was a model worker and in every possible way and to the utmost extent she gave unstintedly of her time and her talents for the League and the Church, and all for the Saviour she so greatly loved. Her works do follow her. May we imitate her bright and godly example. And we hereby express our sympathy with her bereaved husband and their beloved son, whose home has thus been shadowed, but who sorrow not as those who have no hope. We also direct that a copy of this resolution be forwarded to Bro. Harris, over the signature of the President and Secretary of the League.

The Harvest Festival was celebrated on Sunday last in St. John's Church and, there was a crowded church. The Rector Rev. Matthew Wilson, M. A., preached on St. Luke 9, 62: "No man having put his hand to the plough and looking back is fit for the Kingdom of Heaven." "The Dream," was sung and an anthem was given during the offering. The Church was handsomely decorated with grain, flowers, and fruit. Altogether the occasion was worthy of the Annual Harvest Thanksgiving.

—Miss J. J. Allan, Eye Specialist and Refractory Optician, will be at the Dominion hotel, Acton, Friday, Oct. 2nd. Hours 12 to 4.30 p. m.

Specials for Saturday

BIG BARN DESTROYED BY FIRE

Corn-cutting Outfit Fires Barn of Mr. T. P. Watkins, Esquesing

BUILDING AND CONTENTS GONE

About 10.30 yesterday forenoon Mr. T. P. Watkins, lot 31, con. 1, Esquesing, noticed while engaged in corn-cutting that the barn was on fire. The fire spread very rapidly and in the course of a little over an hour the large barn with its additions and contents were totally destroyed. A horse and some hogs were rescued, but the season's crop and nearly all the farm implements were lost.

There were 45 tons of hay, and the whole of the season's grain crop, with the exception of 100 bushels of wheat teamed out last week, were burned.

Mr. D. Duff's engine and corn-cutting outfit were at work cutting corn and filling the silo. It is supposed that a spark from the engine was the cause of the disaster.

The loss will be about $2,500, on which there is some insurance.

Mr. Watkins has been overtaken by several trying experiences lately. General sympathy will be felt for him.

PARLIAMENT DISSOLVED LAST WEEK

Elections to be held on Monday, October 26th

Last Thursday morning's newspapers announced the dissolution of the tenth Parliament of Canada, that Monday, October 19th, will be nomination and the following Monday polling day. With a few exceptions the returning officers will be the Sheriffs of the respective constituencies.

NOTICE TO CREDITORS

In the Matter of the Estate of John Robertson, deceased.

NOTICE is hereby given that all person having claims or demands against the estate of John Robertson, late of the Township of Esquesing in the County of Halton, farmer, deceased, who died on or about the twentieth day of January, 1908, are required to send by post prepaid, or deliver to the undersigned agent for William Robertson, Administrator of the estate of the said John Robertson, their names and addresses, and full particulars in writing of their claims and statements of their accounts, and the nature of the securities, if any, held by them.

And take notice that after the second day of October, 1908, the said Administrator will proceed to distribute the assets of the said deceased among the persons entitled thereto, having regard only to the claims of which he shall then have had notice, and that the said Administrator will not be liable for the said assets or any part thereof, to any persons of whose claims he shall not then have received notice.

H. J. McNAIH,

114 Agent for Administrator, Acton.

Dated at Acton this ninth day of September, 1908

SYNOPSIS OF CANADIAN NORTH-WEST

HOMESTEAD REGULATIONS.

ANY even numbered section of Dominion Lands in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved, may be homesteaded by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section of 160 acres, more or less.

Application for entry must be made in person by the applicant at a Dominion Lands Agency or Sub-agency for the district in which the land is situate. Entry by proxy may, however, be made at any Agency on certain conditions by the father, mother, son, daughter, brother or sister of an intending homesteader.

DUTIES.—(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires, perform the required residence duties by living on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. He may also do so by living with father or mother, on certain conditions. Joint ownership in land will not meet this requirement.

(3) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent for the district of such intention.
