Among other makes we are selling agents for the famous 20th Century Brand of Men's fine tailored garments. This brand is better in every detail than any other ready to wear clothes sold in Guelph. They are made and sold along lines which were bound to

When we discovered this fact, we began to push "20th Century Brand" clothes for Men, and now they are pushing themselves on solid merit alone. When you see the new 20th Century Fall Suits and Top Coats, you'll want to wear no other kind.

We take great pleasure in directing the ladies of Guelph and vicinity to our Dressmaking Department. We intend making this department a very aportant and leading feature of our business. It is with the utmost satisfaction and confidence that we recommend our Miss Stephenson to you. Miss Stephenson is not only a dressmaker of great taste and ability, but is of a most pleasing and accommodating manner, always ready to avalet and advise her customers in every way possible. The many orders that have been already entrusted to her have been executed with marked success. Orders are coming in from all parts of the country, away out as far as British Columbia, —in fact many alegant costumes are being sent from our Dressmaking Rooms to distant places. Ladies wishing high-class Dressmaking at moderate prices will do well to consult our Miss Stephenson at once, as a . ; rush is expected later on.

Dress Goods

We insist on our Dress Goods'supremacy. For months we liave been studying the styles, and the selection of materials are away beyond anything-We have ever shown. We venture to say that you will not find a more complate assortment of up to date Dress Goods anywhere in the city. It would be utterly impossible in this space to describe the many fabrics of fashion and beauty in our Dress Goods department.

Stripes is the key-note, Cheveron, Ombre, Vloung, Herring Shadow and Wide Tape Stripes. We feel sure that a visit to our Dress Goods and Silk counter, whether for Black or Colored Fallelce, will well repay you. . We thelte you to do so

Millinery

The many expressions of admiration and the general tone of the reception of our Millinery Opening was indeed very grailfying. We feel that it is only an indication of the very large business we are going to do in our Millinery Department this reason.
