The Acton Free Press

THURSDAY, OCTOBER 20, 1908

BRIEF LOCAL ITEMS.

—November will be the best next Sunday.

—Thanksgiving Day, a week from next Monday.

—October has been easier than usual on the coal bin.

—Yes, the roads may now be sloppy for a few weeks.

—Saturday's rain broke the long continued dry spell.

—Mr. H. P. Lawson, Georgetown, offers his playing mill for sale.

—Now for business. Let's get into shape for a big Christmas trade.

—Good morning! I have you renewed your *Free Press* subscription?

—Judge Gurham will hold Court of Revision for Acton next Monday, 2nd November.

—Well, its over! Everybody, of course, was not pleased, but some never are.

—October's mild weather has been maintained pretty well to the end of the month.

—Mrs. Robt. Agnew has kindly loaned the *Free Press* copies of interesting old country.

—The Judge's Court of Revision for Requeuing will be held at Stewarttown next Wednesday, 11th November.

—The farmers appreciate the privilege of the change of mill very much. Mr. Brown and his help are kept busy these days.

—Mr. Stephen Cordner has commenced taking contracts for painting and decorating in town. He is an experienced painter.

—The rain made it uncomfortable getting about on Monday, but the farmer's faces were bright and cheerful under the dark clouds.

—There will be a sale of work on behalf of the Building Fund of St. Alban's Church on Dec. 16th and 19th. Contributions invited from friends of the church.

—Miss Mota Price brought the *Free Press* a bouquet of ornithemum plucked in the garden every night at 10 o'clock.

—The merchants have included Wednesday in the early closing evenings, and on and after November 4th, the stores will be closed every night at 6 o'clock with the exception of Friday and Saturday.

—A very fine piece of water color work was on exhibition in the *Free Press* window last week. It was executed by Cecil Hoeschka, of Acton High School, and gave evidence of commendable artistic ability.

—Rev. G. W. Barker preached in the Baptist Church last Sunday in the absence of Rev. Mr. Gott, who is at Ottawa attending the annual convention. Rev. J. C. Wilson, B. A., will preach for him next Sunday afternoon.

—One Helrow citizen had another ceremony on Saturday, when the eight-day-old son of Mr. Simon Kerelavsky, Main Street, was the subject of the sacred rite of circumcision. An official from one of the Toronto Synagogues superintended the ceremony.

—It will pay to remember G. A. Black's sale which takes place next Wednesday. The farm has been disposed of to Mr. H. Bennett and he has rented it to Mr. Mino, who is to have possession about the 20th of October. This makes it necessary for Mr. Black to dispose of his large stock immediately.

NEWS OF LOCAL IMPORT.

Mr. Alban's Bible Class
Two of the members of the Mr. Alban's Bible Class, conducted the Bible Class on Sunday afternoon last. Mr. J. Nicolls gave an interesting and instructive paper on a chapter of the Acts of the Apostles. Two other members will do similar work on Sunday next at 8 p.m.

A New Delivery
Mr. Samuel Nalah has purchased from Mr. A. O. Charridge his delivery business, and will take over the route on the 1st November. Mr. Charridge will supply the milk. Mr. Nalah is an enterprising young man and having operated the milk route the past year he is well acquainted with the wants of his customers.

Very Practical Sympathy
A young couple ago show horses purchased by Mr. John Riddick, Main Street, for use on the farm he intends going onto shortly, died very suddenly. The horse cost about \$100 and the loss was consequently a serious one. Heaf-casting, the former fellow-workman and a number of friends in town circulated a subscription list and sufficient money was willingly subscribed to purchase a new horse. Mr. Riddick appreciated very much this practical sympathy.

What the Church stands for
The Rector of St. Alban's reminded his people on Sunday evening that the Church was not founded and perpetuated for any particular, political party nor for any particular nationality of the world. The Church stands for these eternal verities which are destined to appeal to all shades of political opinion, and indeed to all mankind. These eternal truths may be stated as follows: Justice; equality of opportunity; the supremacy of righteousness; the reality of religion; the brotherhood of man.

Death of an Aged Citizen
After several months of illness which confined him to the house, Mr. Charles Evans, Main Street, peacefully passed away on Saturday. Mr. Evans was born at Henley, Oxford County, England, — the site of the present regatta, slightly over seven years ago. He came to Canada when a lad. About eight years ago he came to Acton from Brimfield in Peel County. Mrs. Evans and three children survive him. The funeral was held on Monday at 11 o'clock at St. Alban's Church, and was conducted by Rev. G. W. Barker, with whom Rev. M. Wilson, M. A., was associated in the service at the house.

Happy Wedding at Stratford
A wedding took place at high noon yesterday in the Congregational Church, Stratford, in which one of the principals was a popular young business man of this town. On this occasion, Miss Olive Gair and Mr. E. A. Robertson, druggist, were united in holy matrimony. The bride was attended by Miss May Hagg, one of Stratford's fair maids. The nuptial knot was tied by Rev. J. P. Gerrie, B. A. The bride, who was charming in her bridal robes, was attended by Miss Olive Gair and Miss Bella Ralph, of Hamilton, and Mr. Gordon P. Hayman, Acton, was groomsmen. Cordial congratulations will be extended to Mr. and Mrs. Robertson here. During his residence in the town he has made many numerous friends, and all will extend a hearty welcome to the bride. Her advent amongst us our musical talent will be considerably enhanced. This was a soprano soloist in the Choir of the Congregational Church, Stratford, for several years, and it may be incidentally mentioned that Mr. Robertson was also a member of the same choir for some time. Mr. and Mrs. Robertson will probably arrive in town today.

Ministerial Association Meeting
The Georgetown and Acton Ministerial Association met at the Mansie, Acton, on Monday at 8 p.m. Rev. Matthew Wilson, M. A., Rector of St. Alban's, was the President of the Association. He moved that he considered a very important proposition affecting the constitution of the Association, viz., that the office of President should be strictly annual in the tenure of the President should be chosen by rotation from the denominations in alphabetical order, thus: Anglican, Baptist, Congregational, Methodist and Presbyterian, and that when the Secretary in turn was elected President, the Secretaryship would become vacant, and be filled by a majority vote at the annual meeting. This resolution was unanimously adopted. After further business, Rev. Mr. Wilson gave a paper on "Faith-Healing" which seemed to give rise to much interest and stimulating discussion. A vote of thanks was awarded to him, moved by Rev. Mr. Taylor, of Rockwood, and seconded by Rev. Mr. Whiffel, of Georgetown. A standing vote of thanks was given to Rev. and Mrs. J. C. Wilson, of the Mansie, for their great kindness in entertaining the Association to tea.

An Appreciated Paper Testimony
The Canadian Printer and Publisher, Toronto, the organ of the Canadian publishing, printing and newspaper interests, makes the following very kind reference to the *Free Press* and the quality of printing it executes: "It is always a pleasure to say nice things about the Acton *Free Press*, and its general proprietor, H. P. Moore. Not only is the *Free Press* an outstanding example of the heights to which a weekly newspaper in a small town can rise, but it is also an exemplar of good printing, both in the paper itself and the job printing end. So far has the fame of the *Free Press* as a producer of good printing gone, that in a parcel of samples just received are to be found tasty jobs for Toronto customers, as well as specimens of printing done for various towns in Ontario. If we had the space it would be possible to show some fine examples of Mr. Moore's ecclesiastical printing for the edification of our readers, but it can be said of them all that they possess strength and neatness. From the parcel of samples let us extract and refer to something of choice in a prize ticket for a country fair. It is the official card of the premier prize, and the letter-press comes out on it with unusual distinctness. The composition on the card is compact and strong and the colors here we see a more effective piece of work of this particular kind." Thanks!

HENDERSON'S MAJ. INCREASED

Hulton is willing for him to Round Out a Quarter Century

GOT A LANDESLIDE AT ACTON
The cry "No outsider need apply" seems to have been again successful in this county. The election of Acton, however, was not impressed with it. for in the contest on Monday between Mr. Henderson and Dr. Harrison, the majority of 28 in the former's favor at the last election, was reduced to a solitary one in this. But, notwithstanding the great reduction in Acton the county increased Mr. Henderson's net majority by 67, and sends him again to Ottawa as their representative in the House of Commons.

Dr. Harrison, the Liberal candidate, proved himself to be a strong candidate, and he grew in popularity as the campaign progressed. His splendid record in Toronto City Council, both as Alderman and Controller, gave ample evidence that he would have made a valuable representative of this county in parliament.

Commencing with the 1 Mr. Henderson secured in Acton, the towns of the county gave him 128 of a majority. Dr. Harrison took every poll in Nassagaweya with a majority of 70; Mr. Henderson swept Nelson for a majority of 67; he also had a majority of 60 in Georgetown; while Dr. Harrison's majority in Trafalgar was 8.

The vote in Acton was as follows:

Town	HENDERSON	HARRISON
Acton	73	71
Burlington	73	71
Georgetown	60	60
Milton	17	17
Orkville	45	45

Majority for Henderson—1.

The majorities in the various municipalities were as follows:

Municipality	HENDERSON	HARRISON
Acton	73	71
Burlington	73	71
Georgetown	60	60
Milton	17	17
Orkville	45	45

WEDNESDAY, NOV. 4—Sale of farm stock, implements, etc., the property of G. A. Black, lot 28, con. 7, Nassagaweya, two and a half miles west of Acton. Sale at one o'clock. Terms twelve months, no reserve. James McDonald, auctioneer.

Thanksgiving Night Concert
The Ladies' Aid Society of Knox Church are providing an unusually good programme for their Thanksgiving tea and entertainment. The Manchester Male Quartette, of Galt, and Mrs. Conitt-Hain, Scottish Dramatic Vocalist and Mountie, of Toronto, will present a most enjoyable programme. There will be tea from 6 to 8 o'clock, and the concert will commence at 8.

Malton Deacons Meeting
The Malton Deacons Chapter of the Anglican Church met at Milton on Friday last, the Rural Dean, Rev. A. J. Holt, M. A., presiding. Rev. Matthew Wilson, M. A., secretary, gave an address on the Ancient Ritual Usage of the Church of England. The Rev. Canon Sutherland, M. A., of Hamilton, and the Rev. F. W. Hoyer, M. A., of Burlington, also gave addresses.

Net majority for Henderson—207.
The official returns will be given next week.

ELECTION AFTERMATH
Mr. Hulton, of Peel, had his net majority doubled in Monday's contest. Yes, it has taken about two days and three nights to explain how it happened. George E. McCraney, formerly of Milton, was elected in Baskatoon by a good majority. Those who cheer last, cheer best. No time like the present. It is thought that Mr. Hulton will be elected in the next election. Every municipality in South Wellington gave a majority for Galt, except the City of Guelph. His net majority was 683. A number of our young men went to Toronto on Monday night to hear the election returns. Some of them suited them; some did not. It certainly looked blue for Mr. Henderson when Acton's returns were announced. But Milton, Galt, and Burlington reports soon restored the smiles. Mr. Henderson claims to have received the votes of the four oldest men who went to the polls in Acton on Monday, and reports them to the *Free Press* as follows: Hugh Mann, aged 91 years, and Thomas Perryman, 83 years, Acton; James McMaster, 91, Milton, and Thom. Joyce, 96, Bronte. There was considerable talk on the street on Tuesday to the effect that a number of the ballots polled here were marked for Dr. Harrison partially over his name, and it was alleged that the voter in each case had a purpose in this. Perhaps so, but the something obtained in the case of a number of the ballots polled for Mr. Henderson, one of them, indeed, having the cross between the David and Henderson. No objection was offered to any of these ballots by the scrutineers at the counting of them.

GOOD HOME RECIPES
Mix This Simple, Helpful Recipe at Home and Try It, Anyway

Get from any prescription pharmacist the following:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered as the most reliable prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism.

Some persons who suffer with these afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply amazing, the relief being effected without the slightest injury to the stomach or other organs.

Mix, some and give them a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation it is said was established by it.

A druggist here at home, when asked stated that he could either supply the ingredients or mix the prescription for our readers, also recommended it as harmless.
