Dear, it was a simple touch Of your hand in clasping mine: Hoodlessly, in like caress, Rain falls on the stunted pine. With a tender sympathy. Dear, you smiled at me one day. As the sun mightedlid a fern Passing by its shaded way.

Great your life, and mind for what Fate spins not with you and me; Yet you linger in my thoughts For your sweet humanity: And I like to dream my lave Speaks your mind a gentle case. As the little west wind stirs. Reverently, the forest frees.

-Edith Livingston Smith in Harrer's Bagar for March.

unexplainable aversion to colored ly illuminated with several movelties prices of admission are 25, 35 and 50 cents. Reserved seals are now on sale at Brown's Drug Store. - Abv.

I am very glad to see young mothers inquiring the way to guard against infections diseases among their children. Much contagion carried and transmittod because the young people have not boon carefully instructed as to the

Sore eyes, granulated tids, grip and soro throat; etc., have been given one to another in a family (especially the rounger ones) by using the same towel. It is just want of thought, yet it makes very serious trouble, pain, and expense aftentimes. The same is time in the use of handkerchiefs. Children at school will borrow to wipe fruit from hands and mouth-enging they had forgotton theirs. Dear little innocent children. They should be carefully educated and talked to about the danger. Let the children wash their hands carefully every night before going to bod-disease may be secreted under their nails. Let the handkerchiefs of the children who have grip or colds be washed separately from the others in a strong hot ands and iron them while damp with very hot from. This will kill microbes in them. solves and never washed with the family wash if any one has the grip or sore throat. Observe these rules
