The Acton Free Press
 THURSDAY, DECEMBER 10, 1908
OUR CHRISTMAS NUMBER
 It is with a very considerable measure of pride and satisfaction that we present each of our readers to-day with a copy of our handsome Christmas Number. Its beautiful two-color front-page, with the bright, sparkling gliding white and blue designs, is a fitting index to the charming contents throughout. The fifty splendid engravings of Canadian and local scenes, and portraits of former citizens who took a large interest in Acton's progress in the earlier days, are a feature which all will appreciate. The interesting Christmas stories and other seasonal letter press matter will be fully enjoyed. It is very gratifying too, that nearly all our business men in town are represented in the advertising columns. This gives ample evidence of the value placed upon the FREE PRESS as a medium for gaining profitable business publicity. It will also form a pleasing element of information to the hundreds of readers who peruse the artistically arranged announcements. The demands for this Christmas Number have been beyond our expectations, so great in fact that a much larger addition has been issued than was at first decided upon. Extra copies may be had, wrapped ready for mailing, while the edition lasts, for ten cents per copy.

CRUSHED BY A LOADED WAGON
 Merwin Wilson, Nassagawaya, Fatally Injured Yesterday

Last Saturday as Merwin Wilson, son of David Wilson, Nassagawaya, was having gravel, near Ebenezer Church, he met with an accident which may have very serious consequences. He was backing his team into a shed with a load prior to dumping when he slipped on the icy ground, and before he could regain his feet the horses had backed the heavy load onto him as he lay prostrate on his back. One wheel of the wagon passed over his body at the chest, crushing him badly. Fortunately the horses stopped then, and neighbors who heard the young man's shout of pain, ran to his assistance and found him lying, and able to get up. Medical assistance was at once summoned. The young man is about 19 or 20 years of age.

MAKE IT YOURSELF
 Says Many Persons Here Can be Made Happy Again by Using It

There is so much illumination here in our neighborhood now that the following advice will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Senna, three ounces of Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the kidneys so that they can filter and strain from the blood any system of poisons, acids and waste matter, which causes not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffer from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

One honest druggist says they will often supply the ingredients or mix the prescription ready to take if our readers ask them.
