**CREWBOYS' CORNERS**

The flu epidemic of the past week has made things very lively.  
Mr. W. Lamb has greatly improved the appearance of his residence this fall.  
About fifty young people spent a very enjoyable time on Wednesday night at the home of Mr. and Mrs. E. Kingsbury. The young people always expect an enjoyable time at this hospitable home and are never disappointed.

**MAKES ANTONIEMING CURE**

MI-O-NI Tablets Cure Dyspepsia by Promptly Removing the Cause, or Money Back

There is just one way to cure dyspepsia and stomach disorders, trivial or serious, and that is to tone up or put energy into the stomach walls, so that they will be able to properly mix or churn the food.

MI-O-NI tablets quickly arouse the stomach from its inaction and in a short time it is able to do its work properly.

Harry Dodd of Bridge Street, Hastings, Ont., says: "For seven years I had suffered and spent much money doctoring, but all to no avail. I could eat but very little, as the food would ferment and sour, making gas, which caused serious heart oppression. I was in constant misery, sour gas would belch from my stomach, was languid and weak and had no ambition. I did not feel like going anywhere or seeing anyone. There was a constant dull pain in the pit of the stomach. I was unable to sleep, was nervous, restless and would awake more tired than on going to bed. I tried MI-O-NI and soon found relief, and in less than six weeks MI-O-NI had completely cured me.

A. T. Brown, the druggist, sells MI-O-NI tablets at 25 cents a large box, under a rigid guarantee to do all that is claimed for them or money back.

**NEWS OF LOCAL IMPORT.**

**Communion Services at Knox Church.**  
Services preparatory to Communion services will be held in Knox Church on Friday evening at 8 o'clock. Communion services will be held on Sunday morning. Rev. J. C. Wilson, B. A., pastor, will preach at both services.

**Right Arm Painfully Injured.**  
Mr. John Barry, who had his right arm pierced with the bit of a boring machine, at the machine shop at Headmore's tannery, a week or so ago, is recovering nicely. The muscles and tendons were badly torn, and the wound was very painful during the first week. The bit caught in Mr. Barry's coat sleeve and was through the fleshy part of the arm in a jiffy.

**The Firemen's Ball and Supper.**  
The members of Acton Fire Brigade enjoyed themselves on a highly gratified with the success of their thirty-ninth annual Ball and Supper, held in the town hall last Friday night. The attendance was the largest the Brigade ever had. The programme consisted of a variety of waltzes at the Station Hotel and very complimentary words are spoken for the excellent menu provided by Mr. and Mrs. Gibbons, Firemen and their wives were present from Milton, Georgetown, Trenton, Guelph and other points. McLaren's orchestra, of Guelph, provided excellent music.

**Dolls for Poor Little Ones**

The work of the young ladies of the Epworth League in dressing dolls for distribution by city churches on Christmas time, has been completed. About thirty dolls were taken to League on Tuesday evening and have since been on exhibition in the Free Press windows. They have been viewed by hundreds of our citizens, principally mothers and girls. The assortment comprises large dolls and small dolls; dolls in silks and dolls in prints; girl dolls and boy dolls; party dolls and every-day dolls; dolls pretty and dolls commonplace; wax dolls and china dolls; dolls dainty and dolls plain. They are a credit to the kind hearts who dressed and donated them; they will bring delight to many little ones who otherwise would go doll-less at Christmas time.

**Splendid Fire Drill at School**

At the meeting of the Board of Education on Monday evening the Chairman referred to the very satisfactory test of the fire drill at the Public and High Schools held recently. Several members of the Board visited the school and, without intimation to teacher or scholars, asked the Junior Fire Guard to drill the school. This was done and the entire seven rooms were dismissed and every scholar was outside in 18 seconds after the alarm was struck. The members of the Board were highly gratified with this result. The fire drill is practiced every two weeks. Through this wise precaution and splendid mastery of the drill there is no possibility of danger to the pupils through any alarm of fire which might be given at the school at any time.

**Mrs. Goforth's Interesting Visit**

The visit to Knox Church last Thursday of Mrs. Goforth, of Hanan, China, was an occasion of special interest to the congregation. It was Mrs. Goforth who laid the corner stone of the church, and it was the name of these intrepid missionaries which was given to the mission hall of the church at its organization. Mrs. Goforth's interesting addresses afternoon and evening. Her theme was very natural, "The Work of the Christian in the East." She spoke of the re-awakening of the Celestial Empire, the translation of the Bible into Chinese, and their religious beliefs, and the influence upon the country through the recent death of the empress. As she has been in mission work in China for twenty years, her words were timely, and having come through the inspiring uprising of 1900 she told a thrilling story of the exciting experiences of that trying time. The ladies of the Methodist Woman's Missionary Society were guests at the afternoon meeting.

**The Hockey Club Concert**

The concert in the town hall last Wednesday evening was well patronized and a gratifying success. The programme, which was presented entirely by local talent, with the exception of Master S. Perry, Toronto, was very enjoyable. With the exception of one number, given by a young man who made his first appearance in public, and whose effort was greeted by a liberal offering of lemons, the event was highly creditable to all who took part. The members of the Hockey Club sang exceedingly well, the event which marked an otherwise delightful evening. Mrs. W. E. Chisholm ably sustained her reputation as a soloist of splendid ability, and very happy manner. Mrs. E. A. Robertson made her debut before an Acton audience, and her numbers were given a most cordial reception. Miss Hazel Agnew sang two pretty songs with fine effect. She was apparently not experienced in the place, as a prima donna. The opening chorus by seven hockey girls in costume, brought down the house. The young girls' quartette—Misses Gertrude Johnson, Mabel Thompson, Hattie Hubbard and Ida Graham—pleased the audience very much. The piano duets by Misses Hammond and McIntyre were cordially applauded and they were recalled. Misses Minnie and Ann Hines sang a duet with fine effect and were encored. The solo by Mr. Fred Ross was splendidly rendered. He has a fine voice and appeared to advantage on this occasion. Mr. John McPherson, who has won much favor lately as a reader of Scottish numbers, was given a flattering reception. Master Samuel Perry, the prodigy from Toronto, held the audience from start to finish for each of his four numbers and he was recalled. He has a wonderful voice for a boy, and has already adopted the style of a seasoned concert pianist. In the unavoidable absence of the organ, the piano accompaniment was given by Mr. W. E. Chisholm, who played during the first part. The members of the Hockey Club desire to express their sincere thanks for the splendid success of those who contributed to the programme and to the citizens for their generous support.

**Joe Hines On New Year's Day**

Acton Driving Association will hold a luncheon on Fairy Lake on New Year's Day at 12:30 o'clock. A refreshment on the ice will be had.

At the last meeting of Respecting Council the following claims for sheep killed by dogs were paid: R. Watson sheep \$1.00; T. Moffat 2 lambs and 1 sheep \$0.25; Manasseh Campbell 1 sheep and 1 lamb \$0.40; James Cleave 1 lamb \$0.40; Charles Scott 1 sheep \$1.00.

**Miss Black Resigns from Lorne School**  
Miss Lolie Black, who has taught in Lorne School the past two years has resigned and will take a course at the Normal School. Miss Black has been a most successful teacher and the board regrets her removal very much. Miss Flora McDonald will be her successor.

**Mr. O. H. Brown's New Residence**

Mr. O. H. Brown and family moved last week from Headmore's Crescent to his fine new residence on Mill Street. The new premises are not quite completed but the carpenters and painters are putting on the finishing touches. It is a commodious, conveniently arranged and attractive home, and occupies a commanding location on the street.

**A Senior Hockey Club**  
A senior hockey club was organized on Tuesday night with the following officers:  
Hon. Pres.—A. O. Headmore.  
President—James Lackey.  
Vice Pres.—W. H. Hies.  
Capt.—A. O. T. Headmore.  
Sec.—Thomas G. Guntton.  
Man. Com.—J. Lackey, chairman, W. Patterson, S. G. Guntton.  
The seniors expect to put a strong team in the field this season, and will endeavor to give the public attractive exhibitions of amateur hockey.

**Sudden Death of Mrs. Burnside**

Early on Tuesday morning shortly before the usual time of rising, Mrs. John Burnside, suddenly expired from heart failure. She was an excellent usual the day before and rested well during the night. About five o'clock Mrs. Burnside heard her breathe heavily and turning to her found she had ceased breathing. He got up and endeavored to revive her, but without avail. It was a terrible shock. Mr. and Mrs. Burnside came to the farm of Mr. R. G. Brown from Ballinatal on last spring. They had resided at Ballinatal for some time. Mrs. Burnside was a Christian woman and highly esteemed. She was a teacher in the Methodist Sunday School at Ballinatal and is a member of the church. She was childless. The funeral will be held this afternoon at the north line cemetery.

**Will be Chemist at the Tanneries**

Mr. A. O. T. Headmore is engaged in fitting up a well-equipped laboratory in the office building of the Acton Tanning Company. Mr. Headmore, after acquiring a practical knowledge of tanning in the two or three years he spent in the works here, went to England in 1907, and took a course in the Institute in London, England. Here, in addition to other important lectures on the science of tanning, he took a course in chemistry, and will now occupy the position of practical chemist for the works. He received to Acton a few weeks ago. Mr. Headmore's services in this capacity will greatly facilitate this part of the work, as for several years the chemical analysis required have been made in Toronto. Mr. Headmore has been cordially welcomed back to town by his numerous friends here.

**Methodist S. S. Christmas Concert**

Preparations for the Christmas Concert of the Methodist Sunday School, to be given on Christmas night, are progressing with good interest and success. The programme will have much of the Christmas flavor and will be crowded with attractive and interesting features from beginning to end. It will include choruses and recitations, a number of splendid dramas, other new and creditable features, and by request two numbers given at previous entertainments—"The Turkey Turks," and "The Snowflake." Miss Doty, of London, the director, has had large experience in preparing such entertainments, and her marked success on the three previous occasions who has been engaged by the school in ample assurance that the coming Christmas Concert will be an unequalled success.

**SOCIAL AND PERSONAL.**

Mr. and Mrs. J. M. Moon visited relatives here last week.  
Miss A. L. Hudson spent the week-end with friends in Toronto.  
Mr. and Mrs. Hines and daughter, of Lindsay, were guests of Dr. Hore last week.  
Miss Lottie E. Spight attended the Epworth League Winter School at Guelph last week.  
Mrs. Wm. Laid arrived home from Johnston, N. Y., on Saturday for the Christmas holidays.  
Mrs. J. L. Warren, and Miss H. Wallace attended the meetings of the Woman's Institute at the O. A. C. Guelph last week.  
Mrs. Henry Brockman, of Stuart, Neb., accompanied her mother, Mrs. M. Flynn, home last week. Mrs. Flynn spent several months in the west.  
Mrs. McClellan and baby, of Toronto, have been spending the past month at the home of Mr. Thomas Elzberg. Mr. McClellan was here for a day or two last week.
