The devil is worried by the people who work for the good, not by those who worry over him.

Bickle's Anti-Consumptive Syrup is an unparalleled remedy for colds, throat and lunge. The fame of the medicine rests upon years of successful use in oradicating these affections, and in protecting mankind from the fatal ravages of consumption, and as a neglected cold leads to consumption, one cannot be too careful to fight it in its early stages. ## SUFFERED TORTURE Until Cured by Curol

The fact that CUROL is equally good for baby and grown ups makes it at once popular as the mother's friend. Mrs. fellerles of 5 Delos St., Toronto, did not know how to eld her baby boy of Frrema. She says :- "My baby boy, three years old suffered from a bad attack of Ecrema. I teritated the little fellow so badly that he could not sleep at night. I took him to the

drug slore and gol some salve made up for him, but this did to good. Two doctors treated him but were unable to relieve. One day a sample of CUROL was left at my house. I anolated baby with this and it did him so much good that I at once bought four

boxes at a drug store on Queen St. He made good progress under the CUROL treatment and the little fellow can now sleep well. All itching has gone and he is cured of this freltating Eczema."

"I consider a wonderful salve such as CUROL is a boon to the working class for it is said at a price well within our reach."

This is what makes CUROL so popular. Healing, Soothing and Antiseptic, it contains the finest and purest healing substances the world can produce. Compare CUROL with any salve advertised at double the price and prove our statement.

GOOD ROADS

A good country road is always to be desired and is a source of comfort and convenience to every traveler. Good ronds attract population, as well as goodschools and churches. Good roads improve the value of the property so that it is said a farm lying five miles from market, connected by a bad road le of loss value than an equally good farm lying ten miles away from market connected by a good road. A larger load can be drawn by one horse over a good road than by two over a bad one. Good roads encourage the greater exchange of products and commodities between one section and another.

Very often they think it is from so-called "female discase." There is less "female trouble" than they think. Women suffer from backsche, sleeplessness, nervousness, irritability and a dragging down feeling in the bins. No do men,
and they do not have "female trouble."

Why, then, blame all your trouble to

"female disease"? Most of the so-called "fomale disorders"

are no more or less than "kidney disorders," and can be easily and quickly oured by Doan's Kidney Pills. Mrs. C. Dupuls, Holleview Village, N. R. writes: "I was munble to do my housework for two years on account of backache. I could not get up the stairs. Doan's

"Do you know of any woman who ever received any benefit from taking Lydia E. Pinkham's Vegetable Compound?"

If any woman who is suffering with any ailment peculiar to her sex will ask her neighbors this question, she will be surprised at the result. There is hardly a community in this country where women cannot be found who have been restored to health by this famous old remedy, made. exclusively from a simple formula of roots and herbs.

. During the past-30 years we have published thousands of letters from these grateful women who have been cured by Lydia E. Finkham's Vegetable Compound, and never in all that time have we published a testimonial without the writer's special permission. Never have we knowingly published a testimonial that was not truthful and genuine. Here is one just received a few days ago. If anyone doubts that this is a true and honest statement of a woman's experience with Lydia E. Pinkham's Vegetable Compound write and ask her.

Capifton, Ont .- "I had been a great sufferer for five years. One doctor told me it was ulcers of the uterus, and another told me it was a fibroid tumor. No one knows what I suffered. I would always be worse at certain periods, and never was regular, and the bearing-down pains were terrible. I was very ill in bed, and the dector told me I would have to have an operation, and that I might die during the operation. I wrote to my Liter about, it and she advised me to take Lydla E. Pinkham's Vegetable Compound. Through personal experience I have found it the best medicine in the world for female troubles, for It has cured me, and I did not have to have the operation after all. The Compound also helped me while passing through Change of Life." - Mrs. Letitla Blair, Canifton, Ontario.

Any woman who is sick and suffering is foolish surely not to give such a medicine as this a trial. Why should it not do her as much good as it did Mrs. Blair.
