BRIEF LOCAL ITEMS.

Fall wheat looking exceptionally well. Victoria Day next Monday—a public holiday. Monday will be a good day to plant potatoes and cauliflower.

Mr. H. P. Moore addressed the annual session of Guolph District in the Methodist Church, Brockwood, on Tuesday. The speaker was in the Missionary Movement.

The remains of Dr. McCallin, of Milwaukee, formerly of Milton, were brought to Milton last Saturday and interred in Holy Trinity Church cemetery at the Baynes-Horsman.

The concert given by the Methodist choir under the leadership of Miss L. M. Thomson on Monday evening, was an enjoyable treat to all who attended.

At the annual meeting of the Georgetown Apple Growers Association the following directors were elected: Wm. Bowman, W. A. Wilson, Wm. Thompson, R. C. McCullough and Frank J. Barber.

Mr. W. Algie, proprietor of Alton Woolen Mills, which were destroyed by fire last fall, is busy engaged preparing to rebuild. The material is on the ground and good headway is being made with the foundation work.

At a recent meeting of the Ashgrove Sunday School and Epworth League J. P. Brownridge was elected Superintendent of the Sunday School. The following officers of the League were elected: President, Norman Wigglesworth; 1st Vice-Pres. Arthur Ruddle; 2nd Vice-Pres. Dell Nixon; 1st Vice-Pres. H. Wright; Sec. Treas. Geo. Monckton; Organist, A. W. Nixon.

At 2:30 o'clock the games were started with a half mile run for boys under 12. Of the eight or ten entries E. White came off first with Jon Kennedy next in the rear.

NEWS OF LOCAL IMPORT.

The Junior Base-Ballists. At a meeting at the park on Tuesday evening the Junior base ball club organized with the following officers: Hon. Pres.—E. R. Biggar.

Mr. Stark in Vancouver. On Tuesday a Milton friend received a letter from Vancouver, B. C., which he would like to describe in his trip across the continent and gave his impressions of Vancouver, B. C., where he now is.

Rebuilding Top of Big Smoke Stack. The 110 foot chimney at the sole of the tannery of Messrs. Headmore & Co. built about 1920 and which is now showing signs of disintegration, owing to inferior brick, C. H. Dando, of Galt, the expert chimney builder, who erected the stack at the power house, has been sent to inspect the defective one at the tannery. He found it was seriously cracked for some thirty feet from the top. The top is now being taken down and will be rebuilt by Mr. Dando. In the meantime the works are being supplied with steam from the Acton Tanning Co.'s boilers.

Death of an Esteemed Resident. There passed away last Friday afternoon, at the family residence, lot 23, con. 7, Nassagaweya, one of the most respected citizens of this vicinity, in the person of David Black. Mr. Black had been in poor health for several months. In July last he had a slight stroke and was never afterward in good health. On Tuesday, of last week, a second stroke struck him from which he never rallied. Mr. Black was born in Scotland in 1823, and when a lad of six years, came with his parents to Canada and settled in Esquimaux, where he remained until 1850, when he married Christina Campbell, daughter of the late Duncan Campbell, of Nassagaweya, and they settled on the farm where he died. Mrs. Black survives him. Three children blessed their union, two of whom died in infancy, and Mr. John A. survives. Mr. Black was a sturdy, honest, outspoken man of the highest integrity of character, and he enjoyed universal esteem. His death was a loss to the community for many years. The funeral on Monday was conducted by his pastor, Rev. J. O. Wilson, B. A., and interment was made at Fairview.

Interesting Brotherhood Services. The visit of Mr. P. W. Thomas, General Secretary of the Brotherhood of St. Alban's Church last Sunday, was an occasion of special interest to the congregation, and especially to the young men. The communications service at 8 a. m. was conducted by the pastor, Rev. Mr. Kelleman, and was well attended. Three visitors from Guolph were present. At 10:30 Mr. Thomas addressed the congregation on the aims of the Brotherhood of St. Andrew, its scope, and its object—the extension of Christ's Kingdom among men. A profitable conference was conducted in the afternoon. In the evening a men's brotherhood service was held. The choir sang special music with splendid effect, and Mr. Thomas addressed the people on the work of the brotherhood throughout the world, giving interesting particulars of its progress on this continent. South America, Great Britain, Europe, Africa and Asia. Everywhere, he said, the men are praying the spread of Christ's Kingdom. We used to sing the hymn "O My Father, Mighty God, the Church of God," in a very perfunctory manner. The men looked on in a formal way and the work was left to the women and children. Now, he said, the men are everywhere realizing their responsibility and are taking up their positions as the reserves in the lead. After his address the brotherhood hymn was sung and three candidates were presented and initiated. The Junior Chapter of brotherhood boys was then organized with Harry Harwood as director. The interesting proceedings of the day were concluded with a brief, but tender and effective address by which he reminded the members of the Brotherhood that to do their work successfully they must consecrate themselves to service as did Joshua and his men of bible times.

A Striking Co-incident.

It is a somewhat peculiar coincidence that on the night of the mass meeting of the citizens of Georgetown to discuss local option, an incident first occurred, and the fire bell at the town hall rang out a three alarm, and on Monday night, when the local option meeting was in progress in Acton, the electric current went out of commission and left the hall in darkness just after the meeting was nicely begun.

Mr. R. J. Drysdale's Sermon. Rev. R. J. Drysdale, M. A., B. D., the former pastor, preached an eloquent sermon to the congregation at Church Hill last Sunday afternoon. Since Mr. Drysdale retired from the Churches of Church Hill and Georgetown he has obtained degrees of M. A., from Yale University, and B. D. from the Presbyterian College, Montreal. He has just been appointed assistant minister of one of the largest Congregational Churches in Rochester, N. Y.

Visit of Knox College's Principal. Rev. Dr. Gaudier, Principal of Knox College, will preach morning and evening in Knox Church on Sunday. Dr. Gaudier will present the claims of Knox College Endowment Fund. This venerable theological institution, of whose splendid record all Presbyterians in Canada are so justly proud, is now taking on a new lease of life, and arranging for the erection of fine new buildings in Queen's Park, adjoining the campus of the University of Toronto. Knox Church will give Dr. Gaudier a cordial welcome and will manifest its appreciation of the college by the worthy representative in a very practical manner.

Dr. Fred Townsend, of Saint Rie Marie, Mich., a former Acton boy, has just received the appointment of consulting surgeon for the Hospital for the Insane at Newberry. Dr. Townsend has been practicing at the St. Joe past thirteen years. The Nova Scotia making a specialty of surgery he has made a notable success.

Miss Killmaster's Recital in Germany. The Port Rowan News has the following: Dresden correspondent of the British and American Register, Berlin, Germany, says respecting Miss Jennie Killmaster, one of Mr. Rowan's most gifted and accomplished young ladies: "Sincere recognition should be given Mr. M. J. Flood for his pupils' recital, in Hotel Nord, on March 8th. What we heard gave genuine pleasure. In general, scholarship of Mr. Flood characterizes his own playing. Though criticism in the case of pupils' recitals should not be exercised, we cannot refrain from saying that for instance Miss Killmaster surpassed expectations. She evinced qualities that go towards the making of an artist; the young lady owns soul, technique in general, interpretative gifts that augur well for her future career." Miss Killmaster is a niece of Mr. J. O. Wilson, Acton.

Their Forthright Wedding Anniversary. On Wednesday, of last week, Mr. and Mrs. George Loele celebrated their forthright wedding anniversary and the occasion was a very happy and auspicious one. All the members of the family were at home for the event excepting Harvey, who lives at Thorley in Gray County. Other friends from a distance were Mr. Cyrus Stafford, of Brownsville, Mr. Alva Stafford, St. Thomas, Miss Hannah Stafford, of Guolph, Mrs. Silbath, of Marfield and Mrs. Gamble, of Palmerton, and local relatives and friends including Mr. and Mrs. Joel Loele, Mr. Isaac Snyder and Miss Snyder, Mr. and Mrs. Helen Johnson, Acton, and Mrs. Taylor, of Rockwood. A most enjoyable time was spent in happy reminiscences, and the rendering of an entertaining programme of songs, speeches, etc. A unanimous request was received. Many tokens of friendship were tendered the bride and groom of forty years ago.

THE HYDRO-ELECTRIC POWER.

Largely Attended Meeting of Acton, Milton Representatives. HOUSE-CLEANING AIDS.

There was a largely attended meeting of power users of the municipalities of Milton, Acton, Georgetown and Brampton, held in the rooms of the Hydro-Electric Commission, Toronto, on Monday afternoon at two o'clock.

The following representatives were present: Reeve Swackhamer, Acton, Planning Mill and Boiler. Reeve East, Milton. Mr. Byer, Milton, Carpet Manufacturer. Mr. Martin, Milton, Cabinet Mill. Mr. McCannell, Milton, Brick Manufacturer. Mr. W. H. Milne, Milton, C. H. Willmott Co., Iron Implement Mfrs. Mr. Parker, Milton. Mr. H. J. Kelly, Georgetown. John H. Barber, Georgetown, Paper Manufacturer. Mr. Dayford, Georgetown, Boots & Shoes, Mfr. Mr. Warren, Georgetown. Geo. F. Williams, Brampton, Pres. of the Dominion Alliance, a guest at the meeting.

The meeting was important and instructive, being called mainly for the purpose of information. The meeting closed with a unanimous resolution to request the Commission to send an engineer to Acton, Milton and Georgetown, to address a public meeting, and to meet the users in each place with a view to ascertaining the amount of power required.—Comverator. Engineer Yates was here on Tuesday, visited our manufacturers and users of power, and held very encouraging interviews.

BE A CHARMING WOMAN. You never saw a beautiful woman who didn't have beautiful hair. The charm of a beautiful woman lies in her hair. Many women do not realize the attractions they possess because they do not give proper attention to the care of the hair.
