THE HUSBAND

Who goes because we are so dear--
And then forgets when it is here,
The anniversary, every year?

THE HUSBAND

Who sometimes makes us squall and
And who sometimes makes us glad,
With tales about the bread and cake
His mother used to make and bake?

THE HUSBAND

Who calls the landlord with a frown
And then slips out and goes up town
While wife talks the landlord down?
Who takes the dog and runs the show?

THE HUSBAND

Who takes the dog and runs the show,
Who takes the dog and runs the show,
Who takes the dog and runs the show,
Who takes the dog and runs the show?

THE HUSBAND

Who takes the dog and runs the show,
Who takes the dog and runs the show,
Who takes the dog and runs the show,
Who takes the dog and runs the show?

THE HUSBAND

Who takes the dog and runs the show,
Who takes the dog and runs the show,
Who takes the dog and runs the show,
Who takes the dog and runs the show?

THE HUSBAND

Who takes the dog and runs the show,
Who takes the dog and runs the show,
Who takes the dog and runs the show,
Who takes the dog and runs the show?

THE HUSBAND

Who takes the dog and runs the show,
Who takes the dog and runs the show,
Who takes the dog and runs the show,
Who takes the dog and runs the show?

STARLETTE

"What's the difference between
vision and sight?"
"Oho! Those two girls across the
street!"
"Who's the prettiest?"
"Who's the prettiest, but the other one--
who's a sight."--Cleveland Plain
Dealer.

STARLETTE

Englishman (in British Museum):
"Your book, sir, was once owned by
Cleopatra."
American Tourist (to same): "I have
nothing. Why, in one of our American
museums we have the lead pencil
which Noah used to check off the
animals as they came out of the ark."

STARLETTE

"I wonder," said the sweet young
thing, "why a man is always so frightened
when he proposes?"
"That," said the chronic bachelor,
"he has his guardian angel trying to hold
him back."

STARLETTE

"Why do you always go out on
to the balcony when I begin to sing?"
"Can't you hear me?"
"Of course I can hear you," said the
neighbor to take me for a wife."

STARLETTE

"For my part," said one, "I think
I'm a very bright and capable. I'm
an excellent one. I'm a very bright and
capable. I'm an excellent one. I'm a
very bright and capable. I'm an
excellent one."

STARLETTE

Three-year-old Jack had a little
"experience" with a banana, and upon
seeing one on the window next day,
exclaimed, "O mamma, here is another
one of those sharp-shooter flies in the
house."

STARLETTE

The officers elected for the Ladies'
Aid, Methodist Church, were: Pres.,
Mrs. Theo. Easton; Vice-Pres., Mrs.
I. Francis; Sec., Mrs. H. P. Moore;
Treas., Mrs. John Matthews; Deputies--
Mrs. E. Thurston. There is also a
visiting committee appointed to visit
the sick, invite to church, arrange for
attendants, and welcome newly-settled
residents to the church.

STARLETTE

There was a large crowd at the
Dominion Day celebration, and the
concert in the hall was well attended.
During the day the Scotchmen tried
to enjoy themselves, but at night their
delight was unbounded in the listening
to the Scotch songs, etc., and until
the last wild shriek of the piped
died away.

STARLETTE

A gang belonging to the Ems B. B.
Club who played here, remaining over
until Monday, played most amusing
pranks in town, getting drunk and
insulting people. On Sunday afternoon
they got into the Methodist School
Room through a window, went up to
the gallery, turned back the clock, and
abused the organ. They then went to
the Baptist Church, and suggested in
similar manner. Going down Elm
Ave. they pulled off some of Mr. Henderson's
fence pickets. It is possible
some of them may return to town to
answer for their doings.

Suffered More Than

Tongue Can Tell
From Liver Trouble.
A lady, slow or torpid liver is a terrible
affliction, as its influence permeates the
whole system, causing indigestion, Head-
ache, Water, Drops, Leucorrhoea, Consti-
pation, Sick Headache, Yellow Eyes,
Sallow Complexion, etc. It holds back
the bile, which is required to move the
bowels, and lets it get into the blood
instead, thus causing Constipation.
Milkmaid's Laxative Pills will regu-
late the flow of bile to act properly upon
the bowels, and will tone, regulate and
purify the liver. Mrs. C. W. Weir,
Sweet River, Mass., writes: "I suffered
for years, more than tongue can tell,
from liver trouble. I tried several kinds
of medicine, but could get no relief until
I got Milkmaid's Laxative Pills. I can-
not praise them too highly for what they
have done for me."
Milkmaid's Laxative Pills are 25c.
per box, or 5 for \$1.00, at all dealers,
or mailed direct on receipt of price by

FIVE "BODIES A WEEK"

The old-age pension officer was ques-
tioning the old woman with a zeal
worthy of a noble soldier.
"Are you," he said, "we come to
the important question, 'Have you
ever known to neglect of parish relief?'"
"Never!" answered the old woman.
"Please again, the officer turned to
the last question on the list.
"Tell me," he smiled, "have you
ever known to neglect of parish relief?"
"Never!" answered the old woman.
"Come on, come on!" he growled.
"Tell me the truth."
"Well," she said, "I don't see as it's
any business of your parish, but I don't
deny it. Old will be able, you know,
and in my young days I was a cook;
but, still," proudly, "he was a
sergeant!"

The Pill That Brings Relief. Which,
after one has partaken of a meal be-
ing oppressed by feelings of fullness and
pains in the stomach he suffers from
dyspepsia, which will persist if it is
not dealt with. Parmentier's Vegetable
Pills are the very best medicine that
can be taken to bring relief. These
pills are specially compounded to deal
with dyspepsia, and their sterling
qualities in this respect can be vouch-
ered for by legions of users.

A Powerful Medicine. The healing
properties in six essential oils are
concentrated in every bottle of Dr.
Thomas' Eclectic Oil, forming one of
the most beneficial liniments ever
offered to the use of man. Thousands
are cured of rheumatism, neuralgia,
migraine, and other forms of neuralgic
pain, and many thousands more can-
certify that they owe their health to it.
Its wonderful power is not expressed
by its cheapness.

In the causer of infant mortality
children are frequently, and it may
be said the principal cause of the
bowels are great destroyers of child
life. If all mothers would avail them-
selves of an effective remedy as Dr.
J. D. Kellogg's Hygienic Cordial
many a little one could be saved. This
Cordial can be given with safety to the
smallest child, as there is no injurious
substance in it.

A little warm cheer does more than

fellowship with man.

Unupset Lives.

The life of the criminal is simply
an imposed life. If a person were per-
fectly sober and untroubled would he
regard that it would be unthink-
able.
