evening, September lid. -Two hotel proprietors, Messrs. John Lyons of the Grand Central and George Reinhardt, of the Commercial. were each fined \$20 and costs on charges of refilling labeled liquor bottles. They both pleaded guilty of the charges and were promptly fined \$20 and coats .- Quelph Horald.

There is more Catarri in this section of the country than all other diseases put together, and until the lest few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to sure with local treatment, pronounced it incurable. Holence has proven datarrh to be a constitutional disease and therefore requires constitutional disease and therefore requires constitutional treatment. Itali's Catarri Cure, manufactured by V. J. Chaney & Co., Toledo, Obio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful, it acts directly on the blood and inucous surfaces of the system, They offer one hundred doltars for any case it falls to cure. Bend for circulars and testimonials. Address I V. J. CHENNEY & CO., Toledo, Ohio. Bold by Druggiste, 73c.

-A special demonstration of the The Right House, Hamilton, Thursday, | general air of prosperity, nearly all of Friday and Saturday, September 10th, | which improvements have been effect-17th and 18th. YOUR ATTENTION!

Investor Homeseeker Business Man JIVILE eyes of the world are to-day on PRINCE RUPERT, British Columbia, and the great developing region

traversed by The Grand Trunk Pacific Railway, recognized as the greatest railroad project on the North American continent. This great transcontinental railway traverses an undeveloped country, as rich la natural resources as ever lay ready for the touch of industry and effort. It will open up the Peace River country, (twice the size of the mland empire of Oregon. Idaho and Washington) the richest area of agricultural land on this continent. It will tap the great wheat provinces of Manitoba, Saskatchewan and Alberta, it will develop the rich mineral territory and the immense forests of timber of western British Columbia, it will make possible the settlement of this vast

empire and cause the most rapid development the world has ever witnessed. PRINCE RUPERT, the terminus, is the port into which all this vast traffic must flow and is destined become one of the greatest commercial and industrial centres of population in this continent.

The opportunity for the acquirement of wealth in this new country, no man doubts. Thousands will grasp this opportunity to lay the foundation for a fortune. Will you?
