EDITORIAL NOTES

It is officially announced that the Legislature of Ontario has been called to meet on Tuesday, January 25th.

Hon. Joseph Martin, late Premier of British Columbia, was elected member for East St. Pancras in the election in Britain on Monday. Mr. Martin is a native of Milton and spent his boyhood days in this county.

Reeves Smith, of Burlington, Ford, of Trafalgar, and Deputy Reeve Featherston, of Trafalgar, are said to be candidates for the Wardenship. The election will come off at the first meeting of the new County Council, Tuesday, 25th inst. Reeve Smith is regarded as the favorite among the candidates.

The Sabbath-breaking moving picture shows of Montreal have at last got their quietus. Judge Pagnuelo has dismissed the writs of prohibition against the police magistrates, which was taken to prevent them trying the moving picture cases. He also declared the Quebec Sunday observance law constitutional.

The Brussels Post says: "A feature of the Local Option campaign were the victories in good-sized towns such as Acton, Brampton, Galt, Chesley, Collingwood, Leamington, Newmarket, Orillia, Orangeville, Shelburne, Strathroy, and other places, and the many other close runs in towns and villages, indicating that the threatened rulnation to business is not taken seriously.

Additional power legislation is expected in the coming session of the legislature. It is stated that a declaratory act is under advisement by the government relative to the question of compensation by the commission for land easements secured. The Attorney General will present results in the work of statute revision, and it is probable further steps in relation to law reform will also be taken. The creation of a Provincial police force will also be under discussion.

A cable despatch says that the proclamation of the constitution in Turkey has thrown open the doors of Palestine to the incoming Jews from all parts of the world. In Jerusalem alone four-fifths of the population of 100,000 now belong to the Jewish faith, while at Jaffa, Tiberus, Safed and Haifa Jews are reckoned by tens of thousands. Almost the whole plain of Esdraelon has been bought up by them. Their prosperous colonies spread from Dan to Beersheba, and even farther south to the outskirts of Egypt. Thousands are escaping from Persia to find shelter and protection in the Holy Land, while every ship from Odessa carries hundreds of them.

Much local interest has been manifested during the week in the British elections, our citizens from the old land all having their political prejudices fairly well developed. From returns to date the Ministerial majority—including Libesals, Laborites, and Nationalists—is steadily increasing. The total Ministerial strength so far is 149. The total Opposition strength is 120—The number of elections held is 269, and there are still 401 to be held. In attempting a forecast, those well acquainted with the situation say it is now fair to assume that the Ministerial majority will increase, but diminish, for the constituencies still to be polled are numerous in Scotland, Ireland, and Wales, in all of which the Unionists are weaker than they are in England, which has so far contributed most of the returns.

Referring to the recent Local Option campaign in Manitoba Mr. C. P. Cserwinski, Grand Councillor of the Royal Templars, says: "The Local Option battle of 1909 is over, and we are richer by a splendid sweep made to Local Option territory and by invaluable experience acquired in the campaign. We never before encountered any such difficulties nor expenditures put up by the liquor party, and it is pretty safe to say that very few of our workers anticipated such influential opposition. It is easy to see now that a great many earnest friends of our cause sadly under-estimated the power and effectiveness of the liquor party. Amongst other things its influence has been manifested in a most adroit manner by misrepresenting the results of the campaign, deceiving not a few of our own friends. To add an area equal to one-fifth of the whole Province to Local Option territory at one sweep and to lose only one single municipality on a repeal vote and that by a narrow margin of 9 ballots, is a record we might well boast of. But we have too serious work ahead of us, and too many important lessons to learn, to lose any time in throwing up our hats."

One fact is better than ten hearsays.—Ask Doctor Burgess, Supt. Hospital for Insane, Montreal, for his opinion of "The D. & L." Menthol Plaster. The genuine made only by Davis & Lawrence Co.

$25,000 FOR MISSIONS THIS YEAR

To be Raised by the Various Churches in Guelph

450 LAYMEN HAVE SO DECIDED

Guelph, Jan. 10.—Between four and five hundred men sat down to a big laymen's banquet in the City Hall last night, which was addressed by Rev. Canon Tucker and N. W. Rowell, K. C., both of Toronto, and Rev. J. A. Sllimmon, a missionary from China.

The banquet marked the culmination of a laymen's convention being held in this city.

The subject of Canon Tucker's address was "The Building of a Nation," while Mr. Slimmon spoke on "The World's Awakening," and Mr. Rowell on "The Duty of Canadian Laymen, Particularly Those in Guelph."

So impressed was the large audience that they unanimously adopted a report of the Executive Committee, setting $25,000 as the amount to be raised annually by the laymen of this city for the cause of mission, an average of $5 per member.

The Churches of the city raised $11,000 for Missions in 1909.

FURTHER CONGRATULATIONS

Former Citizens are Glad That Acton Voted Out the Bar-room

I am very glad you have gained a victory over the liquor traffic in Acton. I was very anxious of late and remembered you all in the fight against the liquor curse. It is my constant prayer that this terrible evil will be removed from our Dominion. We are gaining slowly and if we are faithful the victory will be sure. I am very thankful that Acton, my home town, has voted out the bar-rooms.—MRS. ALLAN MANN, Toronto.

I congratulate the Acton people on their grand victory. I know it will require eternal vigilance when the law comes into force, but I know the best people of Acton will be ready to see that the law is properly enforced. I am proud of my old home.—MRS. ELIZABETH GRAY, Toronto.

I note with pleasure the result of the Local Option vote in your town. This should render it a more wholesome atmosphere for one trying to form new habits that make for character and destiny.—GEO. MACGREGOR, Milton.

We are all very glad indeed that you won in the fight for Local Option. When it comes into force it will be a help to the tempted and a blessing to Acton.—MRS. JOSIE W. ORAM, Toronto.

MAKES HAIR GROW

A. T. Brown Has an Invigorator That Makes Hair Grow in Abundantly or Money Back

If your hair is thinning out gradually it won't be long before the bald spot appears.

The time to take care of the hair is when you have hair to take care of.

For thin falling hair the best remedy known to mankind is Parisian Sage. It is compounded on scientific principles and furnishes to the hair root a nourishment that acts quickly and promptly and causes the hair to grow.

But remember this: It kills the dandruff germ, the pest that appropriates all the natural nourishment that should go to the hair root.

Parisian Sage is sold by A. T. Brown under a positive guarantee to banish dandruff, stop falling hair and itching scalp in two weeks or money back.

It gives to women's hair a lustre and radiance that is most fascinating and causes it to grow abundantly.

Parisian Sage is now sold in every first-class town in Canada. A large generous bottle costs 50 cents, and the girl with the Auburn hair is on every bottle.

HALTON CONSERVATIVE ASSOCIATION

At the annual meeting of the Halton Liberal Conservative Association held in Milton there was a very large and enthusiastic audience.

The officers of the association elected for the year 1910 are:

President—Dr. R. K. Anderson.
Vice-Pres.—John Dearing.
Secretary—C. R. Hollinrake.
Treasurer—J. M. Bastedo.

The meeting was addressed by D. Henderson, M. P., and Dr. A. W. Nixon, M. P. P.

Resolutions, expressing confidence in the Local and Federal members and also in Mr. R. L. Borden and Sir J. P. Whitney, were unanimously passed.

Are your hands chapped, cracked or sore? Have you "cold-cracks" which open and bleed when the skin is drawn tight? Have you a cold sore, frost bite, chilblains, or a "raw" place, which at times makes it agony for you to go about your household duties? If so, Zam-Buk will give you relief, and will heal the frost-damaged skin. Anoint the sore places at night. Zam-Buk's rich healing essences will sink into the wounds, and the smarting, and will heal quickly.

Mrs. Yelles, of Portland, says: "My hands were so sore and cracked that it was agony to put them near water. When I did so they would smart and burn as if I had scalded them. I seemed quite unable to get relief from anything I put on them, until I tried Zam-Buk, and it succeeded when all else had failed. It closed the big cracks, gave me ease, soothed the inflammation, and in a very short time healed my hands."

Zam-Buk also cures chafing, rashes, blood poisons, piles, ulcers, festering sores, sore eyes and lands, abscesses, pimples, ring-worm, bad legs, sores, bruises, sprains, sprains, all skin diseases and injuries, or your free from any dealer or Zam-Buk Co., Toronto. 50 cent box or bath.

DEATH OF ROBERT COATES

Spent His Whole Life of 73 Years in Halton County

The Milton Champion pays this tribute to the late Robert Coates, of that town:

Robert Coates died at the General Hospital, Toronto, on Friday. Though weak, he had made fair progress towards recovery after the operation performed about three weeks previously, until erysipelas developed. It was the cause of death. Mr. Coates was 73 years of age. He was the eldest son of the late Richard Coates, and was born on his father's farm in Trafalgar, about two miles from Milton.

For many years he taught Halton public schools at Lowville, Burlington, Norval and elsewhere. Finally he retired with a teacher's pension and, eighteen years ago, was appointed town clerk of Milton, which position he held up to the time of his death.

He was a devout member of the Methodist Church and indefatigable in church and Sunday school work. In the organization of the Sunday schools of Halton he was a leading spirit. Occasionally he filled the pulpit.

He was a prominent Mason, one of the oldest members of St. Clair Lodge, No. 135, in which he was initiated in the early 60's, not long after it was instituted, and he was one of its senior past masters.

His only child, a daughter, died less than a year ago, and he is survived by his widow, his second wife. The funeral took place on Sunday afternoon from the Methodist Church. His pastor, Rev. Wm. Smythe, conducted the services, assisted by Rev. W. M. Mackay, and W. Bro. J. W. Elliot, W. M., of St. Clair Lodge, those of the Masons. The attendance was very large. There was over fifty Masons in the procession, the largest number ever seen at a Masonic funeral in Milton. They headed the procession and the Mayor and Council of the town were next. The town bell was tolled.

BANK OF HAMILTON

Bond Investments a Feature of a Notable Report

The Bank of Hamilton Annual Statement published elsewhere in this paper, exhibits several features that indicate a highly successful year.

Among these most noteworthy are the increase shown in the net profits; and the holdings of municipal and public securities.

The net profits for the 12 months ended November 30th, 1909, amounted to $382,333 or $22,000 more than the previous year; being at the rate of 15.29 per cent. as compared with 14.4 per cent. last year.

The municipal and public securities now held by the Bank total $4,154,895 as compared with $3,160,756 at the same time the previous year. This is a larger proportionate amount than most banks carry. It is evident that advantage was taken of a favorable market to invest a portion of the surplus funds in appreciating securities.

It is also interesting to observe that, while the increase in deposits was over 20 per cent., the increase in current loans was over 25 per cent., thus demonstrating that the increase in investment holdings did not interfere with the Bank's participation in the general business activity of the country.

The reserve fund now equals the capital, and the balance carried forward from profit and loss is $403,005, which, in proportion to the capital, is the largest yet reported by any bank in Canada, and suggests that next year the reserve fund will be considerably in excess of the capital.

CREWSONS CORNERS

The big storm on Friday blocked up the country roads considerably, but the annual January thaw has greatly reduced the quantity of snow.

Farmers are busy shipping turnips from this vicinity.

Mr. Alex. Gripps had his left hand badly cut while repairing a machine at the works of the Acton Tanning Co. on Saturday. While fixing the machine it suddenly went into action, cutting the hand in a terrible manner. The knuckle joint and cords of two of the fingers were severed. Mr. Gripps will be laid off work for some time with it and it is a question at present if he will ever have the full use of his hand.

On Friday his son, Darwin, had his right hand badly cut while operating a boring machine in the same factory.

Miss Edith Dennis, daughter of Mr. Wm. Dennis, is seriously ill.

Miss Annie Crewson, of Guelph, spent Sunday at her home here.

SICK HEADACHE

A Symptom of Troubles Which are Removed by Dr. Morse's Indian Root Pills.

These horrible headaches permanently banished by Dr. Morse's Indian Root Pills.

Sick headaches are not merely afflictions to be borne as patiently as possible—they are danger signals. They never come unless the digestive system is out of order, and their regular recurrence is proof positive of serious trouble and a warning that should be heeded promptly.

Sick headaches are caused by Indigestion, Biliousness or Constipation, and no amount of "headache powders" will do more than temporarily relieve them. The only way to get rid of them entirely is to cure the Constipation or Indigestion that is causing them, and nothing will do this quicker or more effectively than *Dr. Morse's Indian Root Pills.*

Dr. Morse's Indian Root Pills are purely vegetable in character, and are free from any harmful drug. For over fifty years they have been in constant use in Canada, and have proved most effective in regulating the bowels, aiding digestion, banishing sick headaches and restoring vigorous health.

Dr. Morse's Indian Root Pills have stood the test for over fifty years. 25c. at all dealers. W. H. Comstock Co., Ltd., Brockville, Ont. 7
